NOTICE OF CORRECTION AND ORDER DIRECTING FILING

Issue Date: December 8, 2009

Effective Date: December 8, 2009

On November 5, 2009, the Commission issued an order setting local public hearings regarding Union Electric Company, d/b/a AmerenUE's request for a general rate increase for retail electric service. That order scheduled a local public hearing on January 5, 2010, at the National Guard Armory in Dexter, Missouri. It has come to the Commission's attention that the order contained an incorrect address for the Armory. The correct address for the Armory is 1702 State Highway 114 East, Dexter, Missouri 63841. The previous order is corrected accordingly.

AmerenUE has already provided notice to its customers using the incorrect address for the hearing in Dexter and that notice will need to be corrected. To that end, the Commission will order AmerenUE to file a recommendation describing how its customers in the Dexter area can best be notified of the corrected address for the local public hearing. The Commission will also establish a time for other parties to respond to AmerenUE's recommendation.

THE COMMISSION ORDERS THAT:

1. No later than December 10, 2009, Union Electric Company, d/b/a AmerenUE shall file a pleading offering its recommendation on how its customers in the Dexter area can best be notified of the correct address at which the Dexter local public hearing will be held.
2. Any party wishing to respond to Union Electric Company, d/b/a AmerenUE's recommendation shall do so no later than December 14, 2009.
3. This order shall become effective immediately upon issuance.
