(Name of Applicant))
)
for change of electric supplier.)

APPLICATION FOR CHANGE OF ELECTRIC SERVICE PROVIDER

1. Applicant's address is: 2865 Dividend Park Dr
Florissant, Missouri 63031

2. The name of Applicant's current electric service provider is: _____
Ameren Missouri

3. Applicant requests the Missouri Public Service Commission to order a change of electric supplier to the address indicated above.

4. Applicant requested the Commission to order a change of electric supplier
from Ameren Missouri (Current)
to Evergy Missouri (Requested)

5. Applicant requests the Missouri Public Service Commission to order a change of electric provider for the following reasons.* Ameren Missouri has
extorted I and my wife out of \$5,023.27 dollars,
plus over \$20,000+ more of additional expenses,
They have poor customer service and I am forced
to deal with a company that double bills on
the last day of the bill cycle and charges on the
last day of the bill cycle. Improper taxes etc
Ameren is a con artist and I don't enjoy being forced
to do business with con artists.

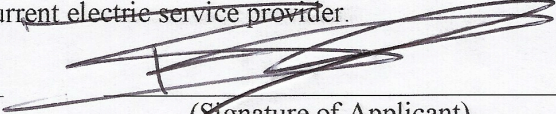

6. Applicant has taken the following steps in an attempt to work out electric service problems with the electric service provider: Ameren Missouri

Does nothing but give excuses. Energy is free to see the most recent updates in which I uploaded to Efs in EC-2023-0395-EC-2024-0217 Exhibit 1) which shows a document Ameren's Regulatory Department submitted a fraudulent document with a bogus email and fraudulent email link see attached in case number EC-2023-0395 and EC-2024-0217 on March 10, 2024. I don't do business with con artists and shills.

WHEREFORE, Applicant requests the Missouri Public Service Commission to

issue an Order which changes the current electric service provider.

Energy should be allowed to do business in St. Louis, Missouri as a result of Ameren's fraud

*If reason for change is poor service, outages, low voltage, etc., applicant should submit

a record of service problems covering at least 90 days, including dates and times of problems to the extent possible. Applicant should also attempt to determine reasons for any service problems. For instance, if electric service was out or you are experiencing blinking lights, you should contact the supplier of electric service to determine the problem, and include this information with the application. (If the reasons from the supplier was a storm, car hitting pole, trees in line, conductor fell down, or whatever the supplier states for the problem, this should be noted.)
