RE: In the Matter of Cancellation of Certificates of Authority and Cancellation of Tariffs of  
T-NETIX, Inc. and T-NETIX Telecommunications Services, Inc.

Dear Mr. Reed:

On behalf and at the direction of T-NETIX, Inc. ("T-NETIX") and T-NETIX Telecommunications Services, Inc. ("T-NETIX Telecom"), I am hereby requesting cancellation of the Certificates of Authority issued by the Commission to T-NETIX (Case No. TA-98-269) and T-NETIX Telecom (Case No. TO-2001-407) to provide interexchange telecommunications services in the State of Missouri.

Neither T-NETIX nor T-NETIX Telecom is providing service in the State of Missouri. Neither entity has any customers in the State. Therefore, the cancellation of their respective Certificates of Authority will not affect any customers. With the cancellation of its Certificate, each entity also requests that its related tariff be cancelled.

T-NETIX notes that the Staff of the Commission recently moved that T-NETIX's Certificate of Authority and related tariff be cancelled in File No. XD-2011-0224. Therefore, this request is totally consistent with the Staff's motion. A copy of this request is being served on the Staff.

If there are any questions on this matter, please direct them to the undersigned counsel.

Sincerely,

Paul C. Besozzi  
Counsel to T-NETIX, Inc. and T-NETIX Telecommunications Services, Inc.
