ORDER APPROVING INTERCONNECTION AGREEMENT

Issue Date: April 16, 2024

Effective Date: May 16, 2024

This order approves a negotiated Interconnection Agreement between the parties filed by Southwestern Bell Telephone Company d/b/a AT&T Missouri (AT&T Missouri).

On March 13, 2024,¹ AT&T Missouri filed an application with the Commission for approval of a negotiated Interconnection Agreement (the Agreement) with Wisper ISP, LLC (Wisper) under the provisions of the Federal Telecommunications Act of 1996 (the Act). AT&T Missouri is an incumbent local exchange carrier and a registered Interconnected Voice over Internet Protocol provider. Wisper is an Interconnected Voice over Internet Protocol provider and competitive local exchange carrier.

Although Wisper is a party to the Agreement, it did not join in the application. On March 14, the Commission issued an order making Wisper a party in this case and directing any party wishing to request a hearing to do so no later than March 29. No requests for hearing were filed.

Under Section 252(e) of the Act, any Interconnection Agreement adopted by negotiation must be submitted to the Commission for approval. The Commission may reject

an Agreement if it finds that the Agreement is discriminatory or that it is not consistent with the public interest, convenience and necessity.

On April 15, the Staff of the Commission (Staff) filed a recommendation. Staff recommends that the Agreement be approved and notes that the Agreement meets the limited requirements of the Act in that it is not discriminatory toward nonparties and is not against the public interest.

The Commission has considered the application, the supporting documentation, and Staff's recommendation. Based upon that review, the Commission finds that the Agreement meets the requirements of the Act in that it does not discriminate against a nonparty carrier and implementation of the Agreement is not inconsistent with the public interest, convenience and necessity.

The application represents that the applicant has not had contact with the Office of the Commission about any substantive issue connected to the filing within 150 days before filing the application. On the basis of that representation, for good cause shown, the Commission will waive application of the pre-filing notice requirements of Commission Rule 20 CSR 4240-4.017(1).

THE COMMISSION ORDERS THAT:

1. The Interconnection Agreement between Southwestern Bell Telephone Company d/b/a AT&T Missouri and Wisper ISP, LLC, filed on March 13, 2024, is approved.
2. The pre-filing notice requirements of Commission Rule 20 CSR 4240-4.017(1) are waived.
3. This order shall become effective on May 16, 2024.
4. This file may be closed on May 17, 2024.
