RE: WC Docket No. 10-90: Administration of Connect America Fund Intercarrier Compensation Replacement §54.304(d)(1), Annual Reporting Requirements §54.313(i), Transition of Carrier Access Charges §51.909, and Eligible Revenue Recovery § 57.917(d)(vii)

Dear Mr. Van Eschen:

FORVIS respectfully files with the Missouri Public Service Commission this Request for Confidential Treatment of Information (the "Request") on behalf of **Choctaw Telephone Company ("Company")**, **Study Area 421893**. The Request seeks confidential treatment of certain financial and subscriber information contained in its filings that include the projected eligibility for CAF ICC funding for July 1, 2024 through June 30, 2025 Tariff Review Plan (TRP) data governing the local switched access rate.

Pursuant to 47 C.F.R. §54.304(d)(1) of the Federal Communications Commission's rules, enclosed please find the projected eligibility for CAF ICC funding for July 1, 2024 through June 30, 2025 for the Company. This projection includes any true-ups associated with earlier filing periods. This projection has also been filed with the Federal Communications Commission and the Universal Service Administrative Company, as the administrator of the Federal Universal Service Fund.

In addition, the Company includes its annual certifications regarding CAF ICC Double Recovery as specified in 47 C.F.R. §57.917 (d)(vii). The Company is no longer required to complete the Local Rate Floor Data Collection certification pursuant to 47 C.F.R. 54.313(i).

Public disclosure of the CAF ICC information would likely cause substantial harm to the financial position of the Company.

If you have any questions relative to this filing, please contact me at 608-664-9110 or email me at [eric.pulvermacher@us.forvismazars.com](mailto:eric.pulvermacher@us.forvismazars.com)

Respectfully Submitted,

A handwritten signature in black ink that reads "Eric Pulvermacher".

Eric Pulvermacher
