ORDER DIRECTING NOTICE

Issue Date: September 8, 2010

Effective Date: September 8, 2010

On July 29, 2010¹, the Commission received the above-referenced application. Commission Rule 4 CSR 240-32.200(4) requires the Commission to issue notice to several different entities. The Commission ordered its Staff to file a list of entities that it believes the Commission should notify to satisfy that rule. Staff did so on August 23.

Commission Rule 4 CSR 240-2.080(15) gives parties ten days to respond to pleadings unless otherwise ordered by the Commission. The Commission received no objections or responses to Staff's August 23 pleading, and ten days has since elapsed.

The Commission will issue notice as recommended by Staff.

THE COMMISSION ORDERS THAT:

1. The Data Center of the Commission shall provide notice substantially similar to Appendix A to Staff's August 23, 2010 filing to the entities listed in Attachment A and to all certificated competitive local exchange carriers. This notice shall bear the date that it is sent by the Data Center, and allow 30 days for intervention.

2. That the Public Information Office of the Commission shall provide notice of the application to the members of the General Assembly representing residents of the counties and to news media serving residents of the counties listed in Schedule 1 of the Reapplication for 211 Authority Filed Out of Time.

3. This order shall become effective upon issuance.
