ORDER DIRECTING AMEREN MISSOURI TO FILE ITS FINAL PILOT PROGRAM REPORT AND SETTING TIME FOR OBJECTIONS

Issue Date: July 11, 2024

Effective Date: July 11, 2024

On March 28, 2024, Union Electric Company d/b/a Ameren Missouri (Ameren Missouri) filed tariff sheets to extend its Charge-Ahead pilot program an additional two years. On April 10, 2024, the Commission's Staff (Staff) filed a recommendation to reject Ameren Missouri's proposed tariff sheets. The Commission issued an order suspending the tariff sheets until July 26, 2024.¹ That order stated: "The Commission will suspend the effective date of the tariff sheets 90 days to allow time for Ameren Missouri to file its final report and other information as specified in the stipulation and agreement."

Ameren Missouri has not yet filed its final pilot program report. Staff has seen a draft of the final order, but that draft did not include information about customer energy usage, coincident demand, or off-peak usage. Knowing about customer energy usage, coincident demand, and off-peak usage is critical to an analysis of how customers are participating in the pilot program. To ensure that information is presented in this case, sufficient for the Commission to decide whether the Charge-Ahead pilot program should be extended, the Commission will order Ameren Missouri to file its final program report

¹ The tariff suspension was extended to September 24, 2024, in the Commission's July 8, 2024, *Order Further Suspending Tariff*.

by July 26, 2024. The Commission will also set a time for any objections to admitting Ameren Missouri's final report as evidence for the Commission consideration.

THE COMMISSION ORDERS THAT:

1. No later than July 26, 2024, Ameren Missouri must file its final Charge-Ahead pilot program report.
2. Any objections to the Commission admitting the final program report onto the record of this case as evidence must be filed no later than August 1, 2024.
3. This order is effective when issued.
