SCHEDULE LWL-E1
and
SURREBUTTAL TESTIMONY
of

LARRY W. LOOS

Co. Exhibit No. 166
Date 3/16/10 Reporter PR
File No. ER-2010-6036

1 During preparation for hearing, I identified an error in the calculation of remaining life and age
2 at final retirement shown in Tables 3-4 and 3-5 of Schedule LWL-E1. Specifically, the
3 "Remaining Life" shown in Column I and the "Age at Final Retirement" shown in Column K are
4 over stated by one year. This error resulted because the values were calculated from January 1,
5 2008 instead of from December 31, 2008 (or January 1, 2009). This error does not affect my
6 conclusion, as to the estimated retirement dates (shown in Column G of Table 3-5). However, I
7 use the figures affected several places in my testimony and in Schedule LWL-E1. The following
8 lists the specific references that are in error and the correction required.
