OF THE STATE OF MISSOURI**

In the Matter of Union Electric Company, d/b/a)	<u>File No. ER-2010-0036</u>
AmerenUE's Tariffs to Increase Its Annual)	Tariff Nos. YE-2010-0054
Revenues for Electric Service)	and YE-2010-0055

**ORDER GRANTING THE APPLICATION TO INTERVENE OF
THE MISSOURI ENERGY GROUP**

Issue Date: August 17, 2009

Effective Date: August 17, 2009

On July 24, 2009, Union Electric Company, d/b/a AmerenUE, filed a tariff designed to increase its annual revenues for electric service. The Commission suspended that tariff and established August 17 as the deadline for interested parties to apply to intervene.

The Missouri Energy Group applied to intervene on August 4. The Missouri Energy Group is a group of hospital and industrial customers who purchase large amounts of electricity from AmerenUE.¹ More than ten days have passed since the Missouri Energy Group applied to intervene and no party has objected to that application.

The Commission finds that the interest of the Missouri Energy Group in this case is different from that of the general public, and may be adversely affected by a final order arising from this case. Furthermore, the Commission finds that allowing the Missouri Energy Group to intervene will serve the public interest. Therefore, in accordance with Commission Rule 4 CSR 240-2.075(4), the Commission will grant the application to intervene.

¹ The members of the Missouri Energy Group are Barnes-Jewish Hospital; Buzzi Unicem USA, Inc.; and SSM HealthCare.

THE COMMISSION ORDERS THAT:

1. The Application to Intervene of the Missouri Energy Group is granted.
2. This order shall become effective on August 17, 2009.
