ORDER TO CEASE AND DESIST

Attorneys are covered under FDCPA, they are acting as third party private debt collectors using a warrant of an attorney to bring a claim into court. Once Notice under a Cease and Desist Order, that the debt has yet to be validated, the debt collector must cease and desist all collection of the debt, per 15 USC 1692g(a)(5)(b)

§ 809. Validation of debts [15 USC 1692g]

- (a) Within five days after the initial communication with a consumer in connection with the collection of any debt, a debt collector shall, unless the following information is contained in the initial communication or the consumer has paid the debt, send the consumer a written notice containing --
- (1) the amount of the debt;
- (2) the name of the creditor to whom the debt is owed;
- (3) a statement that unless the consumer, within thirty days after receipt of the notice, disputes the validity of the debt, or any portion thereof, the debt will be assumed to be valid by the debt collector;
- (4) a statement that if the consumer notifies the debt collector in writing within the thirty-day period that the debt, or any portion thereof, is disputed, the debt collector will obtain verification of the debt or a copy of a judgment against the consumer and a copy of such verification or judgment will be mailed to the consumer by the debt collector; and
- (5) a statement that, upon the consumer's written

request within the thirty-day period, the debt collector will provide the consumer with the name and address of the original creditor, if different from the current creditor.

(b) If the consumer notifies the debt collector in writing within the thirty-day period described in subsection (a) that the debt, or any portion thereof, is disputed, or that the consumer requests the name and address of the original creditor, the debt collector shall cease collection of the debt, or any disputed portion collector debt the until thereof. verification of the debt or any copy of a judgment, or the name and address of the original creditor, and a copy of such verification or judgment, or name and address of the original creditor, is mailed to the consumer by the debt collector.

(c) The failure of a consumer to dispute the validity of a debt under this section may not be construed by any court as an admission of liability by the consumer.

for discharge of equity interest recovery on that portion of the public debt to its Principals, and Sureties bearing the obligations of THE UNITED STATES. "...31 USC Section 5118(d)(2) provided for many years that a requirement of repayment of debt in a particular kind of coin or currency could be made by legal tender. As of October 27, 1977, legal tender for discharge of debt is no longer required. That is because legal tender is not in circulation at par with the promise to pay credit. Negotiable Instruments via Guaranty Trust of New York v. Henwood, et al 59 S CT 847 (1933), 307 U.S. 847 (1939), FN3 NOS 384, 485 holds that 31 U.S.C. was enacted to remedy the specific evil of tying debt to any particular currency or requiring payment in a greater number of dollars than promised.

Page: 09/13

Since October 27, 1977, there can be no requirement of repayment in legal tender either.. since legal tender was not loaned and repayment need only be in equivalent kind: A negotiable instrument representing credit, i.e. an International Bill of exchange..." Or as otherwise stated; NO ONE TODAY CAN MAKE DEMAND IN PAYMENT IN ANY SPECIFIC COIN OR CURRENCY! This Bill of Exchange/Trade Acceptance is in accord with Public Law Chapter 48, 48 Stat. 112 & HJR 192 June 5, 1933 & the Uniform Commercial Code, and is presented for the receiver to the federal Window, for settlement (EFT), within the 3 day Truthin-Lending time for settlement. As of 1933 a person has lawful money of account to 'pay' debts at law without becoming a tort feasor; 'accepted for value' and 'Bills of exchange are lawful to discharge debt under Public Law 73-10, HJR-192 of 1933, Title 31 USC 3123, and 31 USC 5103 and by treaty; in this case the United nations Convention on International Bills of Exchange and International promissory notes (UNCITRAL) and the Universal Postal Union Headquartered in Berne Switzerland.

The International Bill of Exchange is legal tender as a national bank note, or note of a National Banking Association, by legal and/or statutory definition (UCC 4-105, 12 CFR Sec. 229.2, 210.2,12 USC 1813). Issued under authority of the UNITED STATES Code 31 USC 392, 5103, which officially defines this as a statutory legal tender obligation of the UNITED STATES, and is issued in accordance with 31 USC 3123 and HJR-192 (1933) which establish and provide for its issuance as "Public Policy" in remedy for discharge of equity interest recovery on that portion of the public debt to its principals, and sureties of the UNITED STATES. I declare that legal tender was not loaned by the bank and therefore legal tender does not have to be used in the repayment.

Citing the Henwwood case" "...negotiable Instruments via Guaranty Trust of New York v. Henwood, et al 59 S CT 847 (1933), 307 U.S. 847 (1939), FN3 NOS 384 485 holds that 31 U.S.C. 5118 was enacted to remedy the specific evil of tying debt to any particular currency or requiring payment in a greater number of dollars than

(1973), as amended by 88 Stat. 445 (1974), but did not address the 43.2 archibition of gold clauses. This omission was remedied in 1982, when the statute at issue was adopted (31 U.S.C.A. 5118(d)(2) (1983), (hereinafter "section 5118"). The language provided that obligations covered by gold clauses prior to 1977 are, as before, dischargeable dollar for dollar with United States currency. But "an obligation issued after October 27, 1977" is not so limited.

31 USC § 5118 - Gold clauses and consent to sue http://www.law.cornell.edu/uscode/text/31/5118

In exercising its power to establish and regulate a national currency, Congress has, pursuant to 48 Stat 113 (1933); 31 USC 463, expressly forbidden the making of obligations payable in gold or any particular kind of coin or currency except that which it has declared legal tender at the time of payment:

'(a) Every provision contained in or made with respect to any obligation which purports to give the obligee a right to require payment in gold or a particular kind of coin or currency, or in an amount in money of the United States measured thereby, is declared to be against public policy; and no such provisions shall be contained in or made with respect to any obligation hereafter incurred. Every

obligation, heretofore hereafter incurred. or whether or not any such provision is contained therein or made with respect thereto, shall be discharged upon payment, dollar for dollar, in any coin or currency which at the time of payment is legal tender for public and private debts. Any such contained in any law provision authorizing obligations to be issued by or under authority of the United States, is hereby repealed, but the repeal of any such provision shall not invalidate any other provision or authority contained in such law.'

'(b) As used in this section, the term 'obligation' means an obligation (including every obligation of and to the United States, excepting currency) payable in money of the United States; and the term 'coin or currency' means coin or currency of the United States, including Federal Reserve notes and circulating notes of Federal Reserve banks and national banking associations.'

The constitutionality of 31 USC 463, supra, was upheld in Norman v Baltimore & Ohio RR Co, supra.

Presently, legal tender for the payment of all debts, including taxes, is declared in <u>79 Stat 255 (1965):</u> 31 USC 392 to be:

'All coins and currencies of the United States (including Federal Reserve Notes and circulating

24/2024 18:07:16 CDT

notes of Federal Reserve banks and national banking associations), regardless of when coined or issued, shall be legal tender for all debts, public and private, public charges, taxes, duties, and dues.' http://www.ag.state.mi.us/opinion/datafiles/1980s/op05934.htm

31 USC 5103 - Sec. 5103. Legal tender http://us-code.vlex.com/vid/sec-legal-tender-19220308

18 U.S.C. 8 - Sec. 8. Obligation or other security of the United States defined

The term "obligation or other security of the United includes all bonds. certificates States" bank currency, Federal indebtedness, national Reserve notes, Federal Reserve bank notes, coupons, gold **Treasury** notes, notes, United States certificates, silver certificates, fractional notes, certificates of deposit, bills, checks, or drafts for money, drawn by or upon authorized officers of the United States, stamps and other representatives of value, of whatever denomination, issued under any Act of Congress, and canceled United States stamps.

HOW DO WE DISCHARGE A DEBT OBLIGATION?

The simplest way would be to select a form of money of exchange tender, that could be a draft or

discharge, to the extent of the amount of the tender, of the obligation of an <u>indorser</u> or accommodation <u>party</u> having a right of recourse with respect to the obligation to which the tender relates.

(c) If tender of payment of an amount due on an instrument is made to a person entitled to enforce the instrument, the obligation of the obligor to pay interest after the due date on the amount tendered is discharged. If presentment is required with respect to an instrument and the obligor is able and ready to pay on the due date at every place of payment stated in the instrument, the obligor is deemed to have made tender of payment on the due date to the person entitled to enforce the instrument.

§ 3-601. DISCHARGE AND EFFECT OF DISCHARGE.

- (a) The obligation of a <u>party</u> to pay the <u>instrument</u> is discharged as <u>stated</u> in this Article or by an act or agreement with the <u>party</u> which would discharge an <u>obligation</u> to pay money under a simple contract.
- (b) Discharge of the obligation of a <u>party</u> is not effective against a person acquiring rights of a <u>holder in due course</u> of the <u>instrument</u> without notice of the discharge.

Dear: Steven P. Rasche : Chief Financial Officer of SPIRE

I am writing to address my concerns regarding our recent and continued agreement that I assume to be a simple contract. However due to company denial for over a year, suspect has been a trust agreement Upon further review and consultation with lawful discovery. I have come to realize that misleading and deceptive practices were used to make me believe that I was entering into a sontract, when in fact. It appears to have been a trust agreement.

I would like to bring to your attention the importance of distinguishing between a Natural People/natural Living Man lAWFUL [person]: Bey,Marquette Lumumba Mugabe-Bill in EQUITY/EXCLUSIVE EQUITY, Beneficiary, Creditor, Investor, Agent, Aurthorize Representative, Consumer and a legal person: BEY MARQUETTE, Marquette Bey, MARQUETTE LUMUMBA MUGABE BEY In this matter. As a Natural people/Natural living Man [person], I have certain rights/Unalienable rights and obligations that are separate from those of a legal entity, such as a Trust.

I assert that any agreement entered into must be done so with full transparency and disclosure of the nature of the agreement, including whether it is a contract or a Trust agreement. I believe that I was misled into believing that I was entering into a contract; when in reality, it appears that I may have unknowingly become a party to a trust agreement.

In light of this revelation, If it is indeed a Trust agreement that I am the grantor of, I would like to properly express this trust and ensure that all necessary steps are taken to formalize and document the trust in accordance with legal requirements. If you are to continue to state it as a "contract, "I will need full accounting by way of the GAAP of both accounts receivable and accounts payable. This is the only acceptable proof of claim to it being a legally enforceable "contract."

I have sent you a notice of claim to Interest, with Instructions on the Cash-instrument Tendering Payment and supporting laws in writing. There were no discrepancies within 5 to 14 business days indicated after receipt of notice with Cash-instrument. I request that a full review of the agreement be conducted to determine the true nature of the arrangement and to ensure that my rights as a Natural Feople/Natural Living Man [person] and as the Grantor of the Trust be protected. I also request that any misleading or deceptive practices be rectified and that any necessary actions be taken to address this matter. Then I can assume that the aforesaid instructions have been completed.

I appreciate your prompt attention to this issue and look forward to resolving this matter in a lawful and Equitable manner.

Thank you for your cooperation.

IRREFUTABLE FACTS

All Law is contract therefore in order for any claim to be made the contract must be produced. For Magistrate, [Karolin S. Walker, Regulatory Law Judge], by delegation of authority pursuant to Section 386.240, RSMo 2016. Of The Public Service Commission Of The State Of Missouri, to imply that the Writ in the Nature of Discovery does not have to be honored is a violation of my Constitutionally Secured Rights to Due Process of Law.

The 5th Amendment required that all persons within the United States must be given due process of the law and equal protection of the law.

In so refusing to honor the Writ in the Nature of Discovery and denial of the Notice of Default Judgment. Magistrate, [Karolin S. Walker, Regulatory Law Judge], by delegation of authority pursuant to Section 386.240, RSMo 2016. of The Public Service Commission Of The State Of Missouri, has violated his/her oath of office to uphold the United States Constitution.

"The Constitution for the United States of America binds all judicial officers at Article 6, wherein it does say, "This Constitution and the Laws of the United States which shall be made in pursuance thereof, and all Treaties made, or which shall be made under the authority of the United States, shall be the Supreme Law of the Land, and the Judges of every State shall be bound thereby, anything in the Constitution or laws of any state to the Contrary, not withstanding," see Clause 2."

As the small claims court is administrative Magistrate, [Karolin S. Walker, Regulatory Law Judge], by delegation of authority pursuant to Section 386.240, RSMo 2016. of The Public Service Commission Of The State Of Missouri, does not have jurisdiction to listen to, hear arguments, presentation, or rational.

"The parties to the Compact of the United States Constitution further agreed that the enumeration in the Constitution of certain Rights shall not be construed to deny or disparage others retained by the People (Article 9 of the Bill of Rights to the Constitution for the United States)."

Ministerial officers are incompetent to receive grants of judicial power from the legislature, their acts in attempting to exercise such powers are necessarily nullities." Burns v. Supp. Ct., SF, 140 Cal. 1.

As a Magistrate, [Karolin S. Walker, Regulatory Law Judge], by delegation of authority pursuant to Section 386.240, RSMo 2016. Of The Public Service Commission Of The State Of Missouri and officer of the court, refusal to honor the Writ in the Nature of Discovery and Notice of Default Judgment is a violation of his/her oath of office.

As a Magistrate who should be well versed in law, Magistrate, [Karolin S. Walker, Regulatory Law Judge], by delegation of authority pursuant to Section 386.240, RSMo 2016. Nature of Relief Sought

This action seeks the Court to issue a Writ of Mandamus compelling Magistrate, [Karolin S. Walker, Regulatory Law Judge], by delegation of authority pursuant to Section 386.240, RSMo 2016. to honor the Default Judgment.
