Exhibit A

1. Copies of all testimony pre-filed by or on behalf of the deponent in this case.
2. Legible, printed copies of all workpapers prepared in the course of developing the deponent's testimony, and electronic versions of the same on a medium capable of reading by a Windows compatible computer, with formulas on any spreadsheets intact.
3. Copies of all correspondence, documents, reports, prior Commission rulings or cases, data request responses, periodic monthly reports, letters, calculations, plans, drawings and other information upon which the deponent relied in forming deponent's opinions set out in his or her testimony in the subject rate case.
4. A listing of all depositions given by deponent within the last 10 years.
5. A listing of all testimony submitted to or given by deponent before a state public utility regulatory commission, the Federal Energy Regulatory Commission, or the National Energy Board of Canada, within the last 10 years.
6. A copy of deponent's current curriculum vitae.

AmerenUE's Response to
MPSC Staff Data Request
AmerenUE's Tariff Filing to Increase Rates for Electric Service
Provided to Customers in the Company's Missouri Service Area

Requested From: John Cassidy

Data Request No. MPSC 0269

Based on a meeting held on September 18, 2006 with Tim Finnell and Shawn Schukar: For the period covering April 1, 2002 through June 30, 2007, updating by month as available, please provide the complete database of all hourly transaction prices for off system purchases and sales. (For example refer to the data supplied by Mr. Finnell during the September 18, 2006 meeting.)

Per separate e-mail from John Cassidy to Tim Finnell 9/19/2006: I submitted Data Request 269 for Mike earlier this afternoon asking for all hourly transaction prices for off system purchases and sales. Mike wanted to clarify for this request that he is looking for the average hourly price data for purchases and sales on a separate basis.

Response:

The following files are attached.

1. Hourly market prices for 2002. See attached file **Market Prices 2002.xls**.
2. Hourly market prices for January 1-September 30, 2006. These are the MISO Day 2, Day Ahead market energy prices. See attached file **MPSC DR 269_Houlyr Market Prices 2006.xls**.
3. Cinergy Prices for the period January 1 – September 30, 2006. See attached file **MPSC DR 269_Houlyr Market Prices 2006.xls**.
4. Transaction data for the period April 8, 2003 through March 31, 2005. See attached files **Genesis_MkrtTrans_2003.txt**, **Genesis_MktTrans_2004.txt**, and **Genesis_MktTrans_Jan_to_Mar_2005.txt**. Note that the 2003 transaction data begins with data from April 8, 2003. The transaction data was not saved prior to April 8, 2003. Also, transaction data based was used up to the start of the MISO Day 2 day market, thus data was provided up through March 31, 2005.
