**JOINT REQUEST FOR WAIVER, MOTION FOR EXPEDITED TREATMENT, AND  
APPLICATION FOR APPROVAL OF ADDENDUM NO. 1 TO FIRST TERRITORIAL  
AGREEMENT**

COME NOW The Empire District Electric Company d/b/ Liberty (“Liberty”) and Southwest Electric Cooperative (“Southwest”), hereinafter referred to collectively as “Joint Applicants,” by and through their respective counsel, and for their *Joint Application* to the Missouri Public Service Commission (the “Commission”), pursuant to 20 CSR 4240-2.060, 20 CSR 4240-3.130, Sections 393.106 and 394.312, RSMo., and paragraph 6(C) of the Joint Applicants’ Commission-approved First Territorial Agreement, seek an order approving Applicants’ Addendum No. 1 to First Territorial Agreement. To facilitate an expedient implementation of Addendum No. 1, Joint Applicants also request a Waiver of the 60-day notice requirement of 20 CSR 4240- 4.017, and further request expedited treatment of this Joint Application so that the customer subject to this *Joint Application* can receive permanent service<sup>1</sup> in a timely manner. In support of their positions, the Joint Applicants state as follows:

**Applicants**

1. Liberty is a Kansas corporation with its principal office and place of business at 602 Joplin Street, Joplin, Missouri, 64801. Liberty is engaged in the business of providing electrical

<sup>1</sup> While the Joint Applicants have agreed that the Southwest may begin providing temporary service to the customers upon the filing of this Joint Application, they agree that expedient approval of this Joint Application will provide greater surety to all parties that the temporary service can remain permanent.

services in Missouri to customers in its service areas. Liberty is an “electrical corporation” and a “public utility,” all as defined in Section 386.020, RSMo., and Liberty is subject to the jurisdiction and supervision of the Commission as provided by law.

2. Liberty has no pending or final unsatisfied judgements or decisions against it from any state or federal agency or court that involve customer service or rates that have occurred within the three years immediately preceding the filing of this Application. Liberty has no overdue Commission annual reports or assessment fees. Liberty’s documents of incorporation have been previously filed with the Commission in Case No. EF-94-39 and said documents are incorporated herein by reference in accordance with 20 CSR 4240-2.060(1)(G). A Certificate of Authority from the Missouri Secretary of State to the effect that Liberty, a foreign corporation, is duly authorized to do business in the State of Missouri was filed with the Commission in Case No. EM-2000-369 and is incorporated herein by reference.

3. Southwest is a rural electric cooperative organized and existing under the laws of Missouri and has its principal office at 1023 S. Springfield, Bolivar, Missouri. It is a Chapter 394 rural electric cooperative corporation engaged in the distribution of electric energy and service to its members within certain Missouri Counties. Southwest has no pending or final judgments or decisions against it from any state or federal agency or court which involve its customer service or rates within the three years immediately preceding the filing of this Joint Application. A copy of a Certificate of Good Standing from the Office of the Missouri Secretary of State for Southwest is attached hereto as Appendix A.

4. Correspondence, communications, orders, and decisions in regard to this Application should be directed to the undersigned counsel.

### **First Territorial Agreement**

5. Applicants previously entered into a First Territorial Agreement, which was approved by the Commission in Case No. EO-2002-1119. A copy of that First Territorial Agreement is attached hereto as Appendix B.

6. Paragraph 6(C) of the First Territorial Agreement allows the Joint Applicants to agree, on a case-by-case basis and through an addendum to the First Territorial Agreement, to allow a structure to receive service one party even though the structure is located in the electric service territory of the other.

### **Addendum No. 1 to Territorial Agreement**

7. **The Service Areas.** Subject to the terms and conditions of Addendum Number 1 the to First Territorial Agreement between Liberty and Southwest (“Addendum”), Applicants have specifically designated the boundaries of an exclusive electric service area near the City of Bolivar, Missouri, which are more particularly described in the Addendum. Applicants have attached a copy of the Addendum to this Application as Appendix C, which is incorporated by reference into this Application and made a part hereof for all purposes. A description of the exclusive service area and map depicting the service area under the Addendum are a part of and are incorporated by reference into this *Joint Application* and made part hereof for all purposes. The Addendum to First Territorial Agreement establishes an exclusive service territory for Southwest near the City of Bolivar.

8. **No Other Electric Suppliers.** To Joint Applicants’ knowledge and belief there are no other electric suppliers serving in the areas covered by the Agreement.

9. **Illustrative Tariff.** Liberty already has a certificate of public convenience and necessity to provide utility service in all of Polk County, Missouri. Therefore, Liberty has included with this application an “illustrative tariff” as Appendix D reflecting proposed changes to its service territory, as required by 20 CSR 4240-3.130(1)(C).

10. **Public Interest.** The *Joint Agreement* is in the public interest because it establishes exclusive service obligations for new structures as between the Joint Applicants in the described area. The establishment of exclusive service territories will prevent future duplication of electric service facilities. The property owner for the parcels impacted by the Addendum has submitted an affidavit in support of this Joint Application seeking service from Southwest, which is attached as Appendix E and incorporated herein.

11. **No Change of Suppliers.** The Agreement does not require transfer of any facilities or customers between the Applicants, so no list of persons whose utility service would be changed by the Agreement, as required by 20 CSR 4240-3.130(1)(E), is included.

12. Each Applicant will continue to have service responsibilities beyond the boundaries of the Addendum unaffected by the terms of the First Territorial Agreement and Addendum.

**Request for Waiver of 60-day Notice Requirement & Motion for Expedited Treatment**

13. To facilitate an expedient implementation of Addendum No. 1, Joint Applicants also request a Waiver of the 60-day notice requirement of 20 CSR 4240-4.017, and further request expedited treatment of this *Joint Application* so that the customer subject to this application can receive permanent service in a timely manner. Section 394.312 RSMo. requires submission to, and approval by, the Commission of territorial agreements and their addendums.

14. Joint Applicants request a variance from the 60-day notice requirement of 20 CSR 4240-4.017, which states, in relevant part:

Any person that intends to file a case shall file a notice with the secretary of the commission a minimum of sixty (60) days prior to filing such case...

Pursuant to 20 CSR 4240-4.017(1)(D), waivers of the 60-day notice requirement may be granted for good cause shown. The rule further provides that good cause includes "a verified declaration from the filing party that it has had no communication with the office of the commission within the prior one

hundred fifty (150) days regarding any substantive issue likely to be in the case..." As indicated in the Affidavits executed by Liberty and Southwest attached as Appendix F and Appendix G and incorporated into this *Joint Application*, respectively, neither Liberty nor Southwest has had any communications with the office of the Commission (as defined by 20 CSR 4240-4.015(10)) regarding any substantive issue likely to be in this case during the preceding 150 days. Accordingly, Liberty and Southwest have established good cause for a waiver from the 60-day notice requirement of 20 CSR 4240-4.017(1). No other public utility will be affected by granting the Liberty a waiver from this requirement.

15. Pursuant to 20 CSR 4240-2.080(14), Joint Applicants request expedited treatment of this Joint application. Southwest requests approval within 60 days of this joint Application, so that the customer can be provided permanent service as soon as practical.

WHEREFORE, Joint Applicants respectfully request that the Commission issue its order:

- (a) Granting waiver of the 60-day notice requirement;
- (b) Granting the Joint Applicants' motion for expedited treatment;
- (c) Finding that the designation of electric service area is not detrimental to the public interest and approving the Joint Applicants' Addendum; and
- (b) Authorizing Applicants to perform in accordance with the terms and conditions of the Agreement.

Respectfully submitted,
