DATE BY WHICH STAFF PROPOSES TO FILE COMMENTS ON COMMENTS

COMES NOW the Staff of the Missouri Public Service Commission ("Staff"), through the Staff Counsel's Office, and states that, unless the Commission directs the Staff otherwise, the Staff will file comments on or before October 29, 2011 on the Comments that were filed on October 1 and 4, 2010 in File No. EW-2011-0031. In support thereof, the Staff states that in its filing on October 1, 2010 the Staff proposed for the Commission's consideration that the Staff would quickly review the filings made on October 1, 2010, and the Staff then would file with the Commission during the week of October 4, 2010, a date by which the Staff would file comments on the Comments filed on October 1, 2010. The Staff has quickly reviewed the Comments filed on October 1 and 4, 2010 in File No. EW-2011-0031, and given the schedule of other Commission proceedings and work requiring the attention of the members of the Staff that have worked on the renewable energy standard rules, the Staff will file comments on or before October 29, 2011 on the Comments that were filed on October 1 and 4, 2010 in File No. EW-2011-0031.

Respectfully submitted,
