**JOINT FILING OF AVAILABILITY FOR HEARING DATE**

**COME NOW** Union Electric Company d/b/a Ameren Missouri (“Ameren Missouri”), Staff of the Missouri Public Service Commission (“Staff” and “Commission,” respectively), and the Office of Public Counsel, collectively, the "Parties," and jointly file their availability for a hearing as follows:

1. On March 5, 2025, the Parties met to discuss possible settlement of their remaining disputes, or a hearing date if a unanimous settlement was not possible. While the Parties were not able to reach a unanimous settlement, given the Commission’s current schedule, the Parties are available for a hearing April 29, 2025. However, should earlier hearing dates become available—for example, with the settlement in Case No. ER-2024-0319 dates may become available in March, the Parties will notify the Commission if their schedules permit an earlier hearing in this case.

2. The Parties note that due to the timing of the proposed April 29, 2025, hearing date in this case, potentially new rates in File No. ER-2024-0319 could take effect before the Commission resolves this case. However, the soon to be filed settled revenue requirement in File No. ER-2024-0319 reflects zero contributions for Callaway nuclear decommissioning trust funds. The Settlement between Ameren Missouri and Staff that was filed in this case, states that "the decommissioning expense accrual and trust fund payment is currently set at \$6,758,605, and this

amount will be adjusted to \$0 in the Company's compliance tariffs in File No. ER-2024-0319."<sup>1</sup> Further, Public Counsel stated in its Objections to Settlement in this docket, "Public Counsel not only does not oppose customer contributions to the Callaway decommissioning trust fund ceasing at this time, Public Counsel supports their cessation."<sup>2</sup>

3. In the event the Commission does not issue its order in this case prior to June 1, 2025, the Parties do not object to the Commission approving compliance tariffs in ER-2024-0319 that reflect zero contributions to the nuclear decommissioning trust funds.

**WHEREFORE**, the Parties request the Commission to schedule a hearing in this matter on April 29, 2025.

Respectfully submitted,
