Important information about Coverage Locator Maps

*Extended coverage provided through agreements with other wireless carriers.

The map is not a guarantee of coverage and contains areas with no service. Service will not work, and calls cannot be placed or received outside the America's Choice Coverage Area.

CINGULAR NATION

No Roaming or Long Distance Charges Nationwide

- Cingular Nation (with a GSM handset)**
 - Anytime, Mobile to Mobile and Night & Weekend Minutes apply
- Future Coverage Area**
 - Estimated Availability by Year End 2005
- No Service Area**

Cingular GSM handset required on Cingular Nation plans.

Your phone's display does not indicate the rate you will be charged. Please review your coverage map for areas and out of plan. Map depicts an approximation of outdoor coverage. Map may include areas served by unaffiliated carriers and may depict their licensed area rather than an approximation of the coverage there. Actual coverage area may differ substantially from map graphics, and coverage may be affected by such things as terrain, weather, foliage, buildings, other construction, signal strength, customer equipment and other factors. Cingular does not guarantee coverage. Charges will be based on the location of the site receiving and transmitting the call, not the location of the handset. Future Coverage, if depicted above, is based on current planning assumptions but is subject to change and is not to be relied upon.

This map predicts and approximates our wireless coverage area outdoors, which may vary from market to market and may change without notice. It may include locations with limited or no coverage. Our maps do not guarantee service availability. Even within a coverage area, there are several factors, such as: network changes, traffic volume, service outages, technical limitations, signal strength, your equipment, terrain, structures, foliage, weather, and other conditions that may interfere with actual service, quality, and availability, including the ability to make, receive, and maintain calls. Multi-band (850/1900 MHz) GSM/GPRS handset required for access to 850 Roaming Coverage.
