(b) If Temporary Securitized Utility Tariff Bonds are issued, the Issuer will cause Definitive Securitized Utility Tariff Bonds to be prepared without unreasonable delay. After the preparation of Definitive Securitized Utility Tariff Bonds, the Temporary Securitized Utility Tariff Bonds shall be exchangeable for Definitive Securitized Utility Tariff Bonds upon surrender of the Temporary Securitized Utility Tariff Bonds at the office or agency of the Issuer to be maintained as provided in Section 3.02, without charge to the Holder. Upon surrender for cancellation of any one or more Temporary Securitized Utility Tariff Bonds, the Issuer shall execute and the Indenture Trustee shall authenticate and deliver in exchange therefor a like principal amount of Definitive

Securitized Utility Tariff Bonds of authorized denominations. Until so exchanged, the Temporary Securitized Utility Tariff Bonds shall in all respects be entitled to the same benefits under this Indenture as Definitive Securitized Utility Tariff Bonds.

SECTION 2.05. Registration; Registration of Transfer and Exchange of Securitized Utility Tariff Bonds.

(a) The Issuer shall cause to be kept a register (the “Securitized Utility Tariff Bond Register”) in which, subject to such reasonable regulations as it may prescribe, the Issuer shall provide for the registration of Securitized Utility Tariff Bonds and the registration of transfers of Securitized Utility Tariff Bonds. The Indenture Trustee shall be “Securitized Utility Tariff Bond Registrar” for the purpose of registering Securitized Utility Tariff Bonds and transfers of Securitized Utility Tariff Bonds as herein provided. Upon any resignation of any Securitized Utility Tariff Bond Registrar, the Issuer shall promptly appoint a successor or, if it elects not to make such an appointment, assume the duties of Securitized Utility Tariff Bond Registrar.

(b) If a Person other than the Indenture Trustee is appointed by the Issuer as Securitized Utility Tariff Bond Registrar, the Issuer will give the Indenture Trustee prompt written notice of the appointment of such Securitized Utility Tariff Bond Registrar and of the location, and any change in the location, of the Securitized Utility Tariff Bond Register, and the Indenture Trustee shall have the right to inspect the Securitized Utility Tariff Bond Register at all reasonable times and to obtain copies thereof, and the Indenture Trustee shall have the right to rely conclusively upon a certificate executed on behalf of the Securitized Utility Tariff Bond Registrar by a Responsible Officer thereof as to the names and addresses of the Holders and the principal amounts and number of the Securitized Utility Tariff Bonds (separately stated by Tranche).

(c) Upon surrender for registration of transfer of any Securitized Utility Tariff Bond at the office or agency of the Issuer to be maintained as provided in Section 3.02, provided that the requirements of Section 8-401 of the UCC are met, the Issuer shall execute, and the Indenture Trustee shall authenticate and the Holder shall obtain from the Indenture Trustee, in the name of the designated transferee or transferees, one or more new Securitized Utility Tariff Bonds in any Minimum Denominations, of the same Tranche and aggregate principal amount.

(d) At the option of the Holder, Securitized Utility Tariff Bonds may be exchanged for other Securitized Utility Tariff Bonds in any Minimum Denominations, of the same Tranche and aggregate principal amount, upon surrender of the Securitized Utility Tariff Bonds to be exchanged at such office or agency as provided in Section 3.02. Whenever any Securitized Utility Tariff Bonds are so surrendered for exchange, the Issuer shall, provided that the requirements of Section 8-401 of the UCC are met, execute and, upon any such execution, the Indenture Trustee shall authenticate and the Holder shall obtain from the Indenture Trustee, the Securitized Utility Tariff Bonds which the Holder making the exchange is entitled to receive.

(e) All Securitized Utility Tariff Bonds issued upon any registration of transfer or exchange of other Securitized Utility Tariff Bonds shall be the valid obligations of the Issuer, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Securitized Utility Tariff Bonds surrendered upon such registration of transfer or exchange.

(f) Every Securitized Utility Tariff Bond presented or surrendered for registration of transfer or exchange shall be duly endorsed by, or be accompanied by (A) a written instrument of transfer in form satisfactory to the Indenture Trustee duly executed by the Holder thereof or such Holder's attorney duly authorized in writing, with such signature guaranteed by an institution which is a member of one of the following recognized Signature Guaranty Programs: (i) The Securities Transfer Agent Medallion Program (STAMP); (ii) The New York Stock Exchange Medallion Program (MSP); (iii) The Stock Exchange Medallion Program (SEMP); or (iv) such other guarantee program acceptable to the Indenture Trustee, and (B) such other documents as the Indenture Trustee may require.

(g) No service charge shall be made to a Holder for any registration of transfer or exchange of Securitized Utility Tariff Bonds, but the Issuer or the Indenture Trustee may require payment of a sum sufficient to cover any tax or other governmental charge or any fees or expenses of the Indenture Trustee that may be imposed in connection with any registration of transfer or exchange of Securitized Utility Tariff Bonds, other than exchanges pursuant to Sections 2.04 or 2.06 not involving any transfer.

(h) The preceding provisions of this Section 2.05 notwithstanding, the Issuer shall not be required to make, and the Securitized Utility Tariff Bond Registrar need not register transfers or exchanges of any Securitized Utility Tariff Bond that has been submitted within fifteen (15) days preceding the due date for any payment with respect to such Securitized Utility Tariff Bond until after such due date has occurred.

SECTION 2.06. Mutilated, Destroyed, Lost or Stolen Securitized Utility Tariff Bonds.

(a) If (i) any mutilated Securitized Utility Tariff Bond is surrendered to the Indenture Trustee, or the Indenture Trustee receives evidence to its satisfaction of the destruction, loss or theft of any Securitized Utility Tariff Bond and (ii) there is delivered to the Indenture Trustee such security or indemnity as may be required by it to hold the Issuer and the Indenture Trustee harmless, then, in the absence of notice to the Issuer, the Securitized Utility Tariff Bond Registrar or the Indenture Trustee that such Securitized Utility Tariff Bond has been acquired by a Protected Purchaser, the Issuer shall, provided that the requirements of Section 8-401 of the UCC are met, execute and, upon the Issuer's written request, the Indenture Trustee shall authenticate and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost or stolen Securitized Utility Tariff Bond, a replacement Securitized Utility Tariff Bond of like Tranche, tenor and principal amount, bearing a number not contemporaneously outstanding; provided, however, that if any such destroyed, lost or stolen Securitized Utility Tariff Bond, but not a mutilated Securitized Utility Tariff Bond, shall have become or within seven (7) days shall be due and payable, instead of issuing a replacement Securitized Utility Tariff Bond, the Issuer may pay such destroyed, lost or stolen Securitized Utility Tariff Bond when so due or payable without surrender thereof. If, after the delivery of such replacement Securitized Utility Tariff Bond or payment of a destroyed, lost or stolen Securitized Utility Tariff Bond pursuant to the proviso to the preceding sentence, a Protected Purchaser of the original Securitized Utility Tariff Bond in lieu of which such replacement Securitized Utility Tariff Bond was issued presents for payment such original Securitized Utility Tariff Bond, the Issuer and the Indenture Trustee shall be entitled to recover such replacement Securitized Utility Tariff Bond (or such payment) from the Person to whom it

was delivered or any Person taking such replacement Securitized Utility Tariff Bond from such Person to whom such replacement Securitized Utility Tariff Bond was delivered or any assignee of such Person, except a Protected Purchaser, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost or expense incurred by the Issuer or the Indenture Trustee in connection therewith.

(b) Upon the issuance of any replacement Securitized Utility Tariff Bond under this Section 2.06, the Issuer and/or the Indenture Trustee may require the payment by the Holder of such Securitized Utility Tariff Bond of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other reasonable expenses (including the fees and expenses of the Indenture Trustee and the Securitized Utility Tariff Bond Registrar) connected therewith.

(c) Every replacement Securitized Utility Tariff Bond issued pursuant to this Section 2.06 in replacement of any mutilated, destroyed, lost or stolen Securitized Utility Tariff Bond shall constitute an original additional contractual obligation of the Issuer, whether or not the mutilated, destroyed, lost or stolen Securitized Utility Tariff Bond shall be found at any time or enforced by any Person, and shall be entitled to all the benefits of this Indenture equally and proportionately with any and all other Securitized Utility Tariff Bonds duly issued hereunder.

(d) The provisions of this Section 2.06 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Securitized Utility Tariff Bonds.

SECTION 2.07. Persons Deemed Owner.

SECTION 2.17. State Pledge.

(a) Securitized Utility Tariff Bonds are “securitized utility tariff bonds” as such term is defined in the Securitization Law. Principal and interest due and payable on the Securitized Utility Tariff Bonds are payable from and secured primarily by Securitized Utility Tariff Property created and established by the Financing Order obtained from the Missouri Public Service Commission pursuant to the Securitization Law. Securitized Utility Tariff Property consists of the rights and interests of the Seller in the relevant Financing Order, including the right to impose, bill, charge, collect and receive certain charges (defined in the Securitization Law as “securitized utility tariff charges,” to be included in regular electric utility bills of existing and future electric service Consumers within the service territory of Evergy Missouri West, or its successors or assigns, as more fully described in the Financing Order. Under the laws of the State of Missouri in effect on the Closing Date, the State of Missouri has agreed for the benefit of the Holders, pursuant to Section 393.1700.11(1) of the Securitization Law, as follows:

“The state and its agencies, including the commission, pledge and agree with [Holders], the owners of the [S]ecuritized [U]tility [T]ariff [P]roperty, and other financing parties that the state and its agencies will not take any action listed in this subdivision. [Section 393.1700.11 of the Securitization Law] does not preclude limitation or alteration if full compensation is made by law for the full protection of the securitized utility tariff charges collected pursuant to a financing order and of the bondholders and any assignee or financing party entering into a contract with the

electrical corporation. The prohibited actions are as follows: (a) alter the provisions of [Section 393.1700.11 of the Securitization Law], which authorize the Commission to create an irrevocable contract right or chose in action by the issuance of a financing order, to create securitized utility tariff property, and make the securitized utility tariff charges imposed by a financing order irrevocable, binding, or nonbypassable charges for all existing and future retail customers of the electrical corporation except its existing special contract customers; (b) take or permit any action that impairs or would impair the value of securitized utility tariff property or the security for the securitized utility tariff bonds or revises the securitized utility tariff costs for which recovery is authorized; (c) in any way impair the rights and remedies of the bondholders, assignees, and other financing parties; or (d) except for changes made pursuant to the formula-based true-up mechanism authorized under this section, reduce, alter, or impair securitized utility tariff charges that are to be imposed, billed, charged, collected, and remitted for the benefit of the bondholders, any assignee, and any other financing parties until any and all principal, interest, premium, financing costs and other fees, expenses, or charges incurred, and any contracts to be performed, in connection with the related securitized utility tariff bonds have been paid and performed in full.”

An issue of securitized utility tariff bonds does not, directly, indirectly, or contingently, obligate the state or any agency, political subdivision, or instrumentality of the state to levy any tax or make any appropriation for payment of the securitized utility tariff bonds, other than in their capacity as consumers of electricity. All securitized utility tariff bonds shall contain on the face thereof a statement to the following effect: ‘Neither the full faith and credit nor the taxing power of the state of Missouri is pledged to the payment of the principal of, or interest on, this bond.’.”

- (ii) give the Indenture Trustee and the Rating Agencies written notice of any Default by the Issuer of which it has actual knowledge (and if the Indenture Trustee is the Paying Agent, a Responsible Officer of the Paying Agent has actual knowledge) in the making of any payment required to be made with respect to the Securitized Utility Tariff Bonds;
- (iii) at any time during the continuance of any such Default, upon the written request of the Indenture Trustee, forthwith pay to the Indenture Trustee all sums so held in trust by such Paying Agent;
- (iv) immediately, with notice to the Rating Agencies, resign as a Paying Agent and forthwith pay to the Indenture Trustee all sums held by it in trust for the payment of Securitized Utility Tariff Bonds if at any time the Paying Agent determines that it has ceased to meet the standards required to be met by a Paying Agent at the time of such determination; and
- (v) comply with all requirements of the Code and other tax laws with respect to the withholding from any payments made by it on any Securitized Utility Tariff Bonds of any applicable withholding taxes imposed thereon and with respect to any applicable reporting requirements in connection therewith.

(d) Subject to applicable laws with respect to escheat of funds, any money held by the Indenture Trustee or any Paying Agent in trust for the payment of any amount due with respect to any Securitized Utility Tariff Bond and remaining unclaimed for two (2) years after such amount has become due and payable shall be discharged from such trust and be paid to the Issuer on an Issuer Request; and, subject to Section 10.16, the Holder of such Securitized Utility Tariff Bond shall thereafter, as an unsecured general creditor, look only to the Issuer for payment thereof (but only to the extent of the amounts so paid to the Issuer), and all liability of the Indenture Trustee or such Paying Agent with respect to such trust money shall thereupon cease; provided, however, that the Indenture Trustee or such Paying Agent, before being required to make any such repayment, may at the expense of the Issuer, cause to be published once, in a newspaper published in the English language, customarily published on each Business Day and of general circulation in The City of New York, notice that such money remains unclaimed and that, after a date specified therein, which shall not be less than thirty (30) days from the date of such publication, any

unclaimed balance of such money then remaining will be repaid to the Issuer. The Indenture Trustee may also adopt and employ, at the written direction and expense of the Issuer, any other reasonable means of notification of such repayment (including mailing notice of such repayment to Holders whose right to or interest in moneys due and payable but not claimed is determinable from the records of the Indenture Trustee or of any Paying Agent, at the last address of record for each such Holder).

SECTION 3.04. Existence.

The Issuer shall keep in full effect its existence, rights and franchises as a limited liability company under the laws of the State of Delaware (unless it becomes, or any successor Issuer hereunder is or becomes, organized under the laws of any other State or of the United States of America, in which case the Issuer will keep in full effect its existence, rights and franchises under the laws of such other jurisdiction) and will obtain and preserve its qualification to do business in each jurisdiction in which such qualification is or shall be necessary to protect the validity and enforceability of this Indenture, the other Basic Documents, the Securitized Utility Tariff Bonds, the Securitized Utility Tariff Bond Collateral and each other instrument or agreement referenced herein or therein.

The Issuer will not, directly or indirectly, make payments to or distributions from the Collection Account except in accordance with this Indenture and the other Basic Documents.

SECTION 3.18. Notice of Events of Default.

Notwithstanding the foregoing, the Sale Agreement, the Administration Agreement and the Servicing Agreement may be amended in accordance with the provisions thereof with ten (10) Business Days' prior written notice given to the Rating Agencies, the prior written consent of the Indenture Trustee, but without the consent of the Holders, (I) to cure any ambiguity, to correct or supplement any provisions in the applicable agreement or for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions in such agreement or of modifying in any manner the rights of the Holders; provided, however, that such action shall not adversely affect in any material respect the interests of any Holder or (II) to conform the provisions of the applicable agreement to the description of such agreement in the Prospectus. In the case of an amendment described in the preceding sentence, the Issuer shall furnish copies of such amendment to the Rating Agencies promptly after execution thereof.

(d) Except as set forth in Section 3.21(d), if the Issuer, the Seller, the Administrator, the Servicer or any other party to the respective agreement proposes to amend, modify, waive, supplement, terminate or surrender, or agree to any amendment, modification, waiver, supplement, termination or surrender of, the terms of the Sale Agreement, the Administration Agreement, or the Servicing Agreement, or waive timely performance or observance by the Seller, the Administrator or the Servicer under the Sale Agreement, the Administration Agreement or the Servicing Agreement, in each case in such a way as would materially and adversely affect the interests of any Holder of Securitized Utility Tariff Bonds, the Issuer shall first notify the Rating Agencies of the proposed amendment, modification, waiver, supplement, termination or surrender and shall promptly notify the Indenture Trustee in writing and the Indenture Trustee shall notify the Holders of the Securitized Utility Tariff Bonds of the proposed amendment, modification, waiver, supplement, termination or surrender and whether the Rating Agency Condition has been

satisfied with respect thereto. The Indenture Trustee shall consent to such proposed amendment, modification, waiver, supplement, termination or surrender only if the Rating Agency Condition is satisfied and only with the prior written consent of the Holders of a majority of the Outstanding Amount of Securitized Utility Tariff Bonds of the Tranches materially and adversely affected. If any such amendment, modification, waiver, supplement, termination or surrender shall be so consented to by the Indenture Trustee or such Holders, the Issuer agrees to execute and deliver, in its own name and at its own expense, such agreements, instruments, consents and other documents as shall be necessary or appropriate in the circumstances.

(e) If the Issuer or the Servicer proposes to amend, modify, waive, supplement, terminate or surrender, or to agree to any amendment, modification, supplement, termination, waiver or surrender of, the process for True-Up Adjustments, the Issuer shall notify the Indenture Trustee in writing and the Indenture Trustee shall notify the Holders of the Securitized Utility Tariff Bonds of such proposal, and the Indenture Trustee shall consent thereto with the prior written consent of the Holders of a majority of the Outstanding Amount of Securitized Utility Tariff Bonds of the Tranches affected thereby and only if the Rating Agency Condition has been satisfied with respect thereto.

(f) Promptly following a default by the Seller under the Sale Agreement, by the Administrator under the Administration Agreement or the occurrence of a Servicer Default under the Servicing Agreement, and at the Issuer's expense, the Issuer agrees to take all such lawful actions as the Indenture Trustee may request to compel or secure the performance and observance by each of the Seller, the Administrator or the Servicer of their obligations under and in accordance with the Sale Agreement, the Administration Agreement and the Servicing Agreement, as the case may be, in accordance with the terms thereof, and to exercise any and all rights, remedies, powers and privileges lawfully available to the Issuer under or in connection with such agreements to the extent and in the manner directed by the Indenture Trustee, including the transmission of notices of any default by the Seller, the Administrator or the Servicer, respectively, thereunder and the institution of legal or administrative actions or Proceedings to compel or secure performance of their obligations under the Sale Agreement, the Administration Agreement or the Servicing Agreement, as applicable.

(g) Before consenting to any amendment, modification, supplement, termination, waiver or surrender under Sections 3.21(d) or (e), the Indenture Trustee shall be entitled to receive, and subject to Sections 6.01 and 6.02, shall be fully protected in relying upon, an Opinion of Counsel stating that such action is authorized or permitted by this Indenture and all conditions precedent to such amendment have been satisfied.

SECTION 3.22. Taxes.

So long as any of the Securitized Utility Tariff Bonds are Outstanding, the Issuer shall pay all taxes, assessments and governmental charges imposed upon it or any of its properties or assets or with respect to any of its franchises, business, income or property before any penalty accrues thereon if the failure to pay any such taxes, assessments and governmental charges would, after any applicable grace periods, notices or other similar requirements, result in a Lien on the Securitized Utility Tariff Bond Collateral; provided that no such tax need be paid if the Issuer is contesting the same in good faith by appropriate proceedings promptly instituted and diligently

conducted and if the Issuer has established appropriate reserves as shall be required in conformity with generally accepted accounting principles.

ARTICLE IV

SATISFACTION AND DISCHARGE; DEFEASANCE

SECTION 4.01. Satisfaction and Discharge of Indenture; Defeasance.

(a) This Indenture shall cease to be of further effect with respect to the Securitized Utility Tariff Bonds and the Indenture Trustee, on reasonable written demand of and at the expense of the Issuer, shall execute proper instruments acknowledging satisfaction and discharge of this Indenture with respect to the Securitized Utility Tariff Bonds, when:

- (i) either
 - (A) all Securitized Utility Tariff Bonds theretofore authenticated and delivered (other than (I) Securitized Utility Tariff Bonds that have been destroyed, lost or stolen and that have been replaced or paid as provided in Section 2.06 and (II) Securitized Utility Tariff Bonds for whose payment money has theretofore been deposited in trust or segregated and held in trust by the Issuer and thereafter repaid to the Issuer or discharged from such trust, as provided in the last paragraph of Section 3.03) have been delivered to the Indenture Trustee for cancellation; or
 - (B) either (I) the Scheduled Final Payment Date has occurred with respect to all Securitized Utility Tariff Bonds not theretofore delivered to the Indenture Trustee for cancellation or (II) the Securitized Utility Tariff Bonds will be due and payable on their respective Scheduled Final Payment Dates within one year, and in any such case, the Issuer has irrevocably deposited or caused to be irrevocably deposited in trust with the Indenture Trustee (1) cash and/or (2) U.S. Government Obligations which through the scheduled payments of principal and interest in respect thereof in accordance with their terms are in an amount sufficient to pay principal, interest and premium, if any, on the Securitized Utility Tariff Bonds not theretofore delivered to the Indenture Trustee for cancellation and all other sums payable hereunder by the Issuer with respect to the Securitized Utility Tariff Bonds when scheduled to be paid and to discharge the entire indebtedness on the Securitized Utility Tariff Bonds when due;
- (ii) the Issuer has paid or caused to be paid all other sums payable hereunder by the Issuer; and
- (iii) the Issuer has delivered to the Indenture Trustee an Officer's Certificate, an Opinion of Counsel of external counsel of the Issuer and (if required by the

TIA or the Indenture Trustee) an Independent Certificate from a firm of independent registered public accountants, each meeting the applicable requirements of Section 10.01(a) and each stating that all conditions precedent herein provided for relating to the satisfaction and discharge of this Indenture with respect to Securitized Utility Tariff Bonds have been complied with.

(b) Subject to Sections 4.01(e) and 4.02, the Issuer at any time may terminate (i) all its obligations under this Indenture with respect to the Securitized Utility Tariff Bonds (“Legal Defeasance Option”) or (ii) its obligations under Sections 3.04, 3.05, 3.06, 3.07, 3.08, 3.09, 3.10, 3.12, 3.13, 3.14, 3.15, 3.16, 3.17, 3.18 and 3.19 and the operation of Section 5.01(a)(iii) (“Covenant Defeasance Option”) with respect to Securitized Utility Tariff Bonds. The Issuer may exercise the Legal Defeasance Option with respect to Securitized Utility Tariff Bonds notwithstanding its prior exercise of the Covenant Defeasance Option.

(c) If the Issuer exercises the Legal Defeasance Option, the maturity of the Securitized Utility Tariff Bonds may not be accelerated because of an Event of Default. If the Issuer exercises the Covenant Defeasance Option, the maturity of the Securitized Utility Tariff Bonds may not be accelerated because of an Event of Default specified in Section 5.01(a)(iii).

(d) Upon satisfaction of the conditions set forth herein to the exercise of the Legal Defeasance Option or the Covenant Defeasance Option with respect to Securitized Utility Tariff Bonds, the Indenture Trustee, on reasonable written demand of and at the expense of the Issuer, shall execute proper instruments acknowledging satisfaction and discharge of the obligations that are terminated pursuant to such exercise.

(e) Notwithstanding Sections 4.01(a) and 4.01(b) above, (i) rights of registration of transfer and exchange, (ii) substitution of mutilated, destroyed, lost or stolen Securitized Utility Tariff Bonds, (iii) rights of Holders to receive payments of principal, premium, if any, and interest, (iv) Sections 4.03 and 4.04, (v) the rights, obligations and immunities of the Indenture Trustee hereunder (including the rights of the Indenture Trustee under Section 6.07 and the obligations of the Indenture Trustee under Section 4.03) and (vi) the rights of Holders as beneficiaries hereof with respect to the property deposited with the Indenture Trustee payable to all or any of them, shall survive until this Indenture or certain obligations hereunder have been satisfied and discharged pursuant to Section 4.01(a) or 4.01(b) have been paid in full. Thereafter the obligations in Sections 6.07 and 4.04 shall survive.

SECTION 4.02. Conditions to Defeasance.

The Issuer may exercise the Legal Defeasance Option or the Covenant Defeasance Option with respect to Securitized Utility Tariff Bonds only if:

(a) the Issuer has irrevocably deposited or caused to be irrevocably deposited in trust with the Indenture Trustee (i) cash and/or (ii) U.S. Government Obligations which through the

scheduled payments of principal and interest in respect thereof in accordance with their terms are in an amount sufficient to pay principal, interest and premium, if any, on the Securitized Utility Tariff Bonds not therefore delivered to the Indenture Trustee for cancellation and all other sums payable hereunder by the Issuer with respect to the Securitized Utility Tariff Bonds when scheduled to be paid and to discharge the entire indebtedness on the Securitized Utility Tariff Bonds when due;

(b) the Issuer delivers to the Indenture Trustee a certificate from a nationally recognized firm of Independent registered public accountants expressing its opinion that the payments of principal and interest when due and without reinvestment of the deposited U.S. Government Obligations plus any deposited cash without investment will provide cash at such times and in such amounts (but, in the case of the Legal Defeasance Option only, not more than such amounts) as will be sufficient to pay in respect of the Securitized Utility Tariff Bonds (i) principal in accordance with the Expected Sinking Fund Schedule therefor, (ii) interest when due and (iii) all other sums payable hereunder by the Issuer with respect to the Securitized Utility Tariff Bonds;

(c) in the case of the Legal Defeasance Option, ninety-five (95) days pass after the deposit is made and during the ninety-five (95)-day period no Default specified in Section 5.01(a)(v) or (vi) occurs which is continuing at the end of the period;

(d) no Default has occurred and is continuing on the day of such deposit and after giving effect thereto;

(e) in the case of an exercise of the Legal Defeasance Option, the Issuer shall have delivered to the Indenture Trustee an Opinion of Counsel of external counsel of the Issuer stating that (i) the Issuer has received from, or there has been published by, the Internal Revenue Service a ruling, or (ii) since the date of execution of this Indenture, there has been a change in the applicable federal income tax law, in either case to the effect that, and based thereon such opinion shall confirm that, the Holders of the Securitized Utility Tariff Bonds will not recognize income, gain or loss for federal income tax purposes as a result of such legal defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such legal defeasance had not occurred;

(f) in the case of an exercise of the Covenant Defeasance Option, the Issuer shall have delivered to the Indenture Trustee an Opinion of Counsel of external counsel of the Issuer to the effect that the Holders of the Securitized Utility Tariff Bonds will not recognize income, gain or loss for federal income tax purposes as a result of such covenant defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such covenant defeasance had not occurred;

(g) the Issuer delivers to the Indenture Trustee an Officer's Certificate and an Opinion of Counsel of external counsel to the Issuer, each stating that all conditions precedent to the satisfaction and discharge of the Securitized Utility Tariff Bonds to the extent contemplated by this Article IV have been complied with;

(h) the Issuer delivers to the Indenture Trustee an Opinion of Counsel of external counsel of the Issuer to the effect that (i) in a case under the Bankruptcy Code in which Evergy Missouri West (or any of its Affiliates, other than the Issuer) is the debtor, the court would hold that the deposited moneys or U.S. Government Obligations would not be in the bankruptcy estate of Evergy Missouri West (or any of its Affiliates, other than the Issuer, that deposited the moneys or U.S. Government Obligations); and (ii) in the event Evergy Missouri West (or any of its Affiliates, other than the Issuer, that deposited the moneys or U.S. Government Obligations) were to be a debtor in a case under the Bankruptcy Code, the court would not disregard the separate legal existence of Evergy Missouri West (or any of its Affiliates, other than the Issuer, that deposited the moneys or U.S. Government Obligations) and the Issuer so as to order substantive consolidation under the Bankruptcy Code of the Issuer's assets and liabilities with the assets and liabilities of Evergy Missouri West or such other Affiliate; and

(i) the Rating Agency Condition shall have been satisfied with respect to the exercise of any Legal Defeasance Option or Covenant Defeasance Option.

Notwithstanding any other provision of this Section 4.02, no delivery of moneys or U.S. Government Obligations to the Indenture Trustee shall terminate any obligation of the Issuer to the Indenture Trustee under this Indenture or the Series Supplement or any obligation of the Issuer to apply such moneys or U.S. Government Obligations under Section 4.03 until principal of and premium, if any, and interest on the Securitized Utility Tariff Bonds shall have been paid in accordance with the provisions of this Indenture and the Series Supplement.

SECTION 4.03. Application of Trust Money.

All moneys or U.S. Government Obligations deposited with the Indenture Trustee pursuant to Section 4.01 or 4.02 shall be held in trust and applied by it, in accordance with the provisions of the Securitized Utility Tariff Bonds and this Indenture, to the payment, either directly or through any Paying Agent, as the Indenture Trustee may determine, to the Holders of the particular Securitized Utility Tariff Bonds for the payment of which such moneys have been deposited with the Indenture Trustee, of all sums due and to become due thereon for principal, premium, if any, and interest; but such moneys need not be segregated from other funds except to the extent required herein or in the Servicing Agreement or required by law. Notwithstanding anything to the contrary in this Article IV, the Indenture Trustee shall deliver or pay to the Issuer from time to time upon Issuer Request any moneys or U.S. Government Obligations held by it pursuant to Section 4.02 which, in the opinion of a nationally recognized firm of Independent registered public accountants expressed in a written certification thereof delivered to the Indenture Trustee (and not at the cost or expense of the Indenture Trustee), are in excess of the amount thereof which would be required to be deposited for the purpose for which such moneys or U.S. Government Obligations were deposited, provided that any such payment shall be subject to the satisfaction of the Rating Agency Condition.

SECTION 4.04. Repayment of Moneys Held by Paying Agent.

In connection with the satisfaction and discharge of this Indenture or the Covenant Defeasance Option or Legal Defeasance Option with respect to the Securitized Utility Tariff Bonds, all moneys then held by any Paying Agent other than the Indenture Trustee under the

provisions of this Indenture shall, upon demand of the Issuer, be paid to the Indenture Trustee to be held and applied according to Section 3.03 and thereupon such Paying Agent shall be released from all further liability with respect to such moneys.

ARTICLE V

REMEDIES

SECTION 5.01. Events of Default.

(a) “Event of Default” wherever used herein, means any one or more of the following events (whatever the reason for such Event of Default and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

- (i) default in the payment of any interest on any Securitized Utility Tariff Bond when the same becomes due and payable (whether such failure to pay interest is caused by a shortfall in Securitized Utility Tariff Charges received or otherwise), and such default shall continue for a period of five (5) Business Days; or
- (ii) default in the payment of the then unpaid principal of any Securitized Utility Tariff Bond of any Tranche on the Final Maturity Date for such Tranche; or
- (iii) default in the observance or performance of any covenant or agreement of the Issuer made in this Indenture (other than defaults specified in clauses (i) or (ii) above), and such default shall continue or not be cured, for a period of thirty (30) days after the earlier of (x) the date that there shall have been given, by registered or certified mail, to the Issuer by the Indenture Trustee or to the Issuer and the Indenture Trustee by the Holders of at least 25 percent of the Outstanding Amount of the Securitized Utility Tariff Bonds, a written notice specifying such default and requiring it to be remedied and stating that such notice is a “Notice of Default” hereunder or (y) the date that the Issuer has actual knowledge of the default; or
- (iv) any representation or warranty of the Issuer made in this Indenture or in any certificate or other writing delivered pursuant hereto or in connection herewith proving to have been incorrect in any material respect as of the time when the same shall have been made, and the circumstance or condition in respect of which such representation or warranty was incorrect shall not have been eliminated or otherwise cured, within thirty (30) days after the earlier of (x) the date that there shall have been given, by registered or certified mail, to the Issuer by the Indenture Trustee or to the Issuer and the Indenture Trustee by the Holders of at least 25 percent of the Outstanding Amount of the Securitized Utility Tariff Bonds, a written notice specifying such incorrect representation or warranty and requiring it

to be remedied and stating that such notice is a “Notice of Default” hereunder or (y) the date the Issuer has actual knowledge of the default, or

- (v) the filing of a decree or order for relief by a court having jurisdiction in the premises in respect of the Issuer or any substantial part of the Securitized Utility Tariff Bond Collateral in an involuntary case or proceeding under any applicable federal or State bankruptcy, insolvency or other similar law now or hereafter in effect, or appointing a receiver, liquidator, assignee, custodian, trustee, sequestrator or similar official of the Issuer or for any substantial part of the Securitized Utility Tariff Bond Collateral, or ordering the winding-up or liquidation of the Issuer’s affairs, and such decree or order shall remain unstayed and in effect for a period of ninety (90) consecutive days; or
- (vi) the commencement by the Issuer of a voluntary case under any applicable federal or State bankruptcy, insolvency or other similar law now or hereafter in effect, or the consent by the Issuer to the entry of an order for relief in an involuntary case or proceeding under any such law, or the consent by the Issuer to the appointment or taking possession by a receiver, liquidator, assignee, custodian, trustee, sequestrator or similar official of the Issuer or for any substantial part of the Securitized Utility Tariff Bond Collateral, or the making by the Issuer of any general assignment for the benefit of creditors, or the failure by the Issuer generally to pay its debts as such debts become due, or the taking of action by the Issuer in furtherance of any of the foregoing; or
- (vii) any act or failure to act by the State of Missouri or any of its agencies (including the MPSC), officers or employees which violates or is not in accordance with the State Pledge.

(b) The Issuer shall deliver to a Responsible Officer of the Indenture Trustee and to the Rating Agencies, within five (5) days after a Responsible Officer of the Issuer has knowledge of the occurrence thereof, written notice in the form of an Officer’s Certificate of any event (x) which is an Event of Default under clauses (i), (ii), (v), (vi) or (vii) or (y) which with the giving of notice, the lapse of time, or both, would become an Event of Default under clause (ii), (iii) or (iv), including, in each case, the status of such Default or Event of Default and what action the Issuer is taking or proposes to take with respect thereto.

SECTION 5.02. Acceleration of Maturity; Rescission and Annulment.

(a) If an Event of Default (other than an Event of Default under clause (vii) of Section 5.01(a)) should occur and be continuing, then and in every such case the Indenture Trustee or the Holders representing not less than a majority of the Outstanding Amount of the Securitized Utility Tariff Bonds may declare the Securitized Utility Tariff Bonds to be immediately due and payable, by a notice in writing to the Issuer (and to the Indenture Trustee if given by Holders), and upon any such declaration the unpaid principal amount of the Securitized Utility Tariff Bonds, together

with accrued and unpaid interest thereon through the date of acceleration, shall become immediately due and payable.

(b) At any time after such declaration of acceleration of maturity has been made and before a judgment or decree for payment of the money due has been obtained by the Indenture Trustee as hereinafter in this Article V provided, the Holders representing not less than a majority of the Outstanding Amount of the Securitized Utility Tariff Bonds, by written notice to the Issuer and the Indenture Trustee, may rescind and annul such declaration and its consequences if:

- (i) the Issuer has paid or deposited with the Indenture Trustee a sum sufficient to pay:
 - (A) all payments of principal of and premium, if any, and interest on all Securitized Utility Tariff Bonds due and owing at such time as if such Event of Default had not occurred and was not continuing and all other amounts that would then be due hereunder or upon the Securitized Utility Tariff Bonds if the Event of Default giving rise to such acceleration had not occurred; and
 - (B) all sums paid or advanced by the Indenture Trustee hereunder and the reasonable compensation, expenses, disbursements and advances of the Indenture Trustee and its agents and counsel; and
- (ii) all Events of Default, other than the nonpayment of the principal of the Securitized Utility Tariff Bonds that has become due solely by such acceleration, have been cured or waived as provided in Section 5.12.

(c) No such rescission shall affect any subsequent default or impair any right consequent thereto.

SECTION 5.03. Collection of Indebtedness and Suits for Enforcement by Indenture Trustee.

(a) If an Event of Default under Section 5.01(a)(i) or (ii) has occurred and is continuing, subject to Section 10.18, the Indenture Trustee, in its own name and as trustee of an express trust, may institute a Proceeding for the collection of the sums so due and unpaid, and may prosecute such Proceeding to judgment or final decree, and, subject to the limitations on recourse set forth herein, may enforce the same against the Issuer or other obligor upon the Securitized Utility Tariff Bonds and collect in the manner provided by law out of the property of the Issuer or other obligor upon the Securitized Utility Tariff Bonds, wherever situated the moneys payable, or the Securitized Utility Tariff Bond Collateral and the proceeds thereof, the whole amount then due and payable on the Securitized Utility Tariff Bonds for principal, premium, if any, and interest, with interest upon the overdue principal and premium, if any, and, to the extent payment at such rate of interest shall be legally enforceable, upon overdue installments of interest, at the respective rate borne by the Securitized Utility Tariff Bonds or the applicable Tranche and in addition thereto such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Indenture Trustee and its agents and counsel.

(b) If an Event of Default (other than Event of Default under clause (vii) of Section 5.01(a)) occurs and is continuing, the Indenture Trustee shall, as more particularly provided in Section 5.04, proceed to protect and enforce its rights and the rights of the Holders, by such appropriate Proceedings as the Indenture Trustee shall deem most effective to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy or legal or equitable right vested in the Indenture Trustee by this Indenture and the Series Supplement or by law, including foreclosing or otherwise enforcing the Lien of the Securitized Utility Tariff Bond Collateral securing the Securitized Utility Tariff Bonds or applying to a court of competent jurisdiction for sequestration of revenues arising with respect to the Securitized Utility Tariff Property.

(c) If an Event of Default under Section 5.01(a)(v) or (vi) has occurred and is continuing, the Indenture Trustee, irrespective of whether the principal of any Securitized Utility Tariff Bonds shall then be due and payable as therein expressed or by declaration or otherwise and irrespective of whether the Indenture Trustee shall have made any demand pursuant to the provisions of this Section 5.03, shall be entitled and empowered, by intervention in any Proceedings related to such Event of Default or otherwise:

- (i) to file and prove a claim or claims for the whole amount of principal, premium, if any, and interest owing and unpaid in respect of the Securitized Utility Tariff Bonds and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Indenture Trustee (including any claim for reasonable compensation to the Indenture Trustee and each predecessor Indenture Trustee, and their respective agents, attorneys and counsel, and for reimbursement of all expenses and liabilities incurred, and all advances made, by the Indenture Trustee and each predecessor Indenture Trustee, except as a result of negligence or bad faith) and of the Holders allowed in such Proceedings;
- (ii) unless prohibited by applicable law and regulations, to vote on behalf of the Holders in any election of a trustee in bankruptcy, a standby trustee or Person performing similar functions in any such Proceedings;
- (iii) to collect and receive any moneys or other property payable or deliverable on any such claims and to distribute all amounts received with respect to the claims of the Holders and of the Indenture Trustee on their behalf; and
- (iv) to file such proofs of claim and other papers and documents as may be necessary or advisable in order to have the claims of the Indenture Trustee or the Holders allowed in any judicial proceeding relative to the Issuer, its creditors and its property,

and any trustee, receiver, liquidator, custodian or other similar official in any such Proceeding is hereby authorized by each of such Holders to make payments to the Indenture Trustee, and, in the event that the Indenture Trustee shall consent to the making of payments directly to such Holders, to pay to the Indenture Trustee such amounts as shall be sufficient to

cover reasonable compensation to the Indenture Trustee, each predecessor Indenture Trustee and their respective agents, attorneys and counsel, and all other expenses and liabilities incurred, and all advances made, by the Indenture Trustee and each predecessor Indenture Trustee except as a result of negligence or bad faith.

(d) Nothing herein contained shall be deemed to authorize the Indenture Trustee to authorize or consent to or vote for or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Securitized Utility Tariff Bonds or the rights of any Holder thereof or to authorize the Indenture Trustee to vote in respect of the claim of any Holder in any such proceeding except, as aforesaid, to vote for the election of a trustee in bankruptcy or similar Person.

(e) All rights of action and of asserting claims under this Indenture, or under any of the Securitized Utility Tariff Bonds, may be enforced by the Indenture Trustee without the possession of any of the Securitized Utility Tariff Bonds or the production thereof in any trial or other Proceedings relative thereto, and any such action or proceedings instituted by the Indenture Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment, subject to the payment of the expenses, disbursements and compensation of the Indenture Trustee, each predecessor Indenture Trustee and their respective agents and attorneys, shall be for the ratable benefit of the Holders of the Securitized Utility Tariff Bonds.

(f) In any Proceedings brought by the Indenture Trustee (and also any Proceedings involving the interpretation of any provision of this Indenture to which the Indenture Trustee shall be a party), the Indenture Trustee shall be held to represent all the Holders of the Securitized Utility Tariff Bonds, and it shall not be necessary to make any Holder a party to any such Proceedings.

SECTION 5.04. Remedies; Priorities.

(a) If an Event of Default (other than an Event of Default under clause (vii) of Section 5.01(a)) shall have occurred and be continuing, the Indenture Trustee may do one or more of the following (subject to Section 5.05):

- (i) institute Proceedings in its own name and as trustee of an express trust for the collection of all amounts then payable on the Securitized Utility Tariff Bonds or under this Indenture with respect thereto, whether by declaration of acceleration or otherwise, and, subject to the limitations on recovery set forth herein, enforce any judgment obtained, and collect from the Issuer or any other obligor moneys adjudged due upon the Securitized Utility Tariff Bonds;
- (ii) institute Proceedings from time to time for the complete or partial foreclosure of this Indenture with respect to the Securitized Utility Tariff Bond Collateral;
- (iii) exercise any remedies of a secured party under the UCC, the Securitization Law or any other applicable law and take any other appropriate action to protect and enforce the rights and remedies of the Indenture Trustee and the Holders of the Securitized Utility Tariff Bonds;

- (iv) at the written direction of the Holders of a majority of the Outstanding Amount of the Securitized Utility Tariff Bonds, sell the Securitized Utility Tariff Bond Collateral or any portion thereof or rights or interest therein, at one or more public or private sales called and conducted in any manner permitted by law, or elect that the Issuer maintain possession of all or a portion of the Securitized Utility Tariff Bond Collateral pursuant to Section 5.05 and continue to apply the Securitized Utility Tariff Bond Charge Collection as if there had been no declaration of acceleration; and
- (v) exercise all rights, remedies, powers, privileges and claims of the Issuer against the Seller, the Administrator, Evergy Missouri West or the Servicer under or in connection with, and pursuant to the terms of, the Sale Agreement, the Administration Agreement or the Servicing Agreement;

provided, however, that the Indenture Trustee may not sell or otherwise liquidate any portion of the Securitized Utility Tariff Bond Collateral following such an Event of Default, other than an Event of Default described in Section 5.01(a)(i), or (ii), unless (1) the Holders of 100 percent of the Outstanding Amount of the Securitized Utility Tariff Bonds consent thereto, (2) the proceeds of such sale or liquidation distributable to the Holders are sufficient to discharge in full all amounts then due and unpaid upon the Securitized Utility Tariff Bonds for principal, premium, if any, and interest after taking into account payment of all amounts due prior thereto pursuant to the priorities set forth in Section 8.02(e) or (3) the Indenture Trustee determines that the Securitized Utility Tariff Bond Collateral will not continue to provide sufficient funds for all payments on the Securitized Utility Tariff Bonds as they would have become due if the Securitized Utility Tariff Bonds had not been declared due and payable, and the Indenture Trustee obtains the written consent of Holders of 66-2/3 percent of the Outstanding Amount of the Securitized Utility Tariff Bonds. In determining such sufficiency or insufficiency with respect to clause (2) and (3), the Indenture Trustee may, but need not, obtain and conclusively rely upon an opinion of an Independent investment banking or accounting firm of national reputation as to the feasibility of such proposed action and as to the sufficiency of the Securitized Utility Tariff Bond Collateral for such purpose.

(b) If an Event of Default under clause (vii) of Section 5.01(a) shall have occurred and be continuing, the Indenture Trustee, for the benefit of the Secured Parties, shall be entitled and empowered to the extent permitted by applicable law, to institute or participate in Proceedings necessary to compel performance of or to enforce the State Pledge and to collect any monetary damages incurred by the Holders or the Indenture Trustee as a result of any such Event of Default, and may prosecute any such Proceeding to final judgment or decree. Such remedy shall be the only remedy that the Indenture Trustee may exercise if the only Event of Default that has occurred and is continuing is an Event of Default under Section 5.01(a)(vii).

(c) If the Indenture Trustee collects any money pursuant to this Article V, it shall pay out such money in accordance with the priorities set forth in Section 8.02(e).

SECTION 5.05. Optional Preservation of the Securitized Utility Tariff Bond Collateral.

If the Securitized Utility Tariff Bonds have been declared to be due and payable under Section 5.02 following an Event of Default and such declaration and its consequences have not been rescinded and annulled, the Indenture Trustee may, but need not, elect to maintain possession of all or a portion of the Securitized Utility Tariff Bond Collateral. It is the desire of the parties hereto and the Holders that there be at all times sufficient funds for the payment of principal of and premium, if any, and interest on the Securitized Utility Tariff Bonds, and the Indenture Trustee shall take such desire into account when determining whether or not to maintain possession of the Securitized Utility Tariff Bond Collateral. In determining whether to maintain possession of the Securitized Utility Tariff Bond Collateral or sell or liquidate the same, the Indenture Trustee may, but need not, obtain and conclusively rely upon an opinion of an Independent investment banking or accounting firm of national reputation as to the feasibility of such proposed action and as to the sufficiency of the Securitized Utility Tariff Bond Collateral for such purpose.

SECTION 5.06. Limitation of Suits.

(a) No Holder of any Securitized Utility Tariff Bond shall have any right to institute any Proceeding, judicial or otherwise, to avail itself of any remedies provided in the Securitization Law or to avail itself of the right to foreclose on the Securitized Utility Tariff Bond Collateral or otherwise enforce the Lien and the security interest on the Securitized Utility Tariff Bond Collateral with respect to this Indenture and the Series Supplement, or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless:

- (i) such Holder previously has given written notice to the Indenture Trustee of a continuing Event of Default;
- (ii) the Holders of not less than a majority of the Outstanding Amount of the Securitized Utility Tariff Bonds have made written request to the Indenture Trustee to institute such Proceeding in respect of such Event of Default in its own name as Indenture Trustee hereunder;
- (iii) such Holder or Holders have offered to the Indenture Trustee indemnity or security satisfactory to it against the costs, expenses, losses and liabilities which may be incurred in complying with such request;
- (iv) the Indenture Trustee for sixty (60) days after its receipt of such notice, request and offer of indemnity has failed to institute such Proceedings; and
- (v) no direction inconsistent with such written request has been given to the Indenture Trustee during such sixty-day period by the Holders of a majority of the Outstanding Amount of the Securitized Utility Tariff Bonds;

it being understood and intended that no one or more Holders shall have any right in any manner whatever by virtue of, or by availing of, any provision of this Indenture to affect, disturb or prejudice the rights of any other Holders or to obtain or to seek to obtain priority or preference over any other Holders or to enforce any right under this Indenture, except in the manner herein provided.

(b) In the event the Indenture Trustee shall receive conflicting or inconsistent requests and indemnity from two or more groups of Holders, each representing less than a majority of the Outstanding Amount of the Securitized Utility Tariff Bonds, the Indenture Trustee in its sole discretion may file a petition with a court of competent jurisdiction to resolve such conflict or determine what action, if any, shall be taken, notwithstanding any other provisions of this Indenture.

SECTION 5.07. Unconditional Rights of Holders To Receive Principal, Premium, if any, and Interest.

Notwithstanding any other provisions in this Indenture, the Holder of any Securitized Utility Tariff Bond shall have the right, which is absolute and unconditional, (a) to receive payment of (i) the interest, if any, on such Securitized Utility Tariff Bond on the due dates thereof expressed in such Securitized Utility Tariff Bond or in this Indenture or (ii) the unpaid principal, if any, of the Securitized Utility Tariff Bonds on the Final Maturity Date therefor and (b) to institute suit for the enforcement of any such payment, and such right shall not be impaired without the consent of such Holder.

SECTION 5.08. Restoration of Rights and Remedies.

If the Indenture Trustee or any Holder has instituted any Proceeding to enforce any right or remedy under this Indenture and such Proceeding has been discontinued or abandoned for any reason or has been determined adversely to the Indenture Trustee or to such Holder, then and in every such case the Issuer, the Indenture Trustee and the Holders shall, subject to any determination in such Proceeding, be restored severally and respectively to their former positions hereunder, and thereafter all rights and remedies of the Indenture Trustee and the Holders shall continue as though no such Proceeding had been instituted.

SECTION 5.09. Rights and Remedies Cumulative.

No right or remedy herein conferred upon or reserved to the Indenture Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

SECTION 5.10. Delay or Omission Not a Waiver.

No delay or omission of the Indenture Trustee or any Holder to exercise any right or remedy accruing upon any Default or Event of Default shall impair any such right or remedy or constitute a waiver of any such Default or Event of Default or an acquiescence therein. Every right and remedy given by this Article V or by law to the Indenture Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Indenture Trustee or by the Holders, as the case may be.

SECTION 5.11. Control by Holders.

The Holders of not less than a majority of the Outstanding Amount of the Securitized Utility Tariff Bonds of an affected Tranche shall have the right to direct the time, method and place of conducting any Proceeding for any remedy available to the Indenture Trustee with respect to the Securitized Utility Tariff Bonds of such Tranche or Tranches or exercising any trust or power conferred on the Indenture Trustee with respect to such Tranche or Tranches; provided that:

(a) such direction shall not be in conflict with any rule of law or with this Indenture and shall not involve the Indenture Trustee in any personal liability or expense;

(b) subject to other conditions specified in Section 5.04, any direction to the Indenture Trustee to sell or liquidate any Securitized Utility Tariff Bond Collateral shall be by the Holders representing the applicable percentage of the Outstanding Amount of the Securitized Utility Tariff Bonds as provided in Section 5.04;

(c) if the conditions set forth in Section 5.05 have been satisfied and the Indenture Trustee elects to retain the Securitized Utility Tariff Bond Collateral pursuant to Section 5.05, then any direction to the Indenture Trustee by Holders representing less than 100 percent of the Outstanding Amount of the Securitized Utility Tariff Bonds to sell or liquidate the Securitized Utility Tariff Bond Collateral shall be of no force and effect; and

(d) the Indenture Trustee may take any other action deemed proper by the Indenture Trustee that is not inconsistent with such direction;

provided, however, that, the Indenture Trustee's duties shall be subject to Section 6.01, and the Indenture Trustee need not take any action that it determines might involve it in liability or might materially adversely affect the rights of any Holders not consenting to such action. Furthermore and without limiting the foregoing, the Indenture Trustee shall not be required to take any action for which it reasonably believes that it will not be indemnified to its satisfaction against any costs, expenses, losses or liabilities.

SECTION 5.12. Waiver of Past Defaults.

(a) Prior to the declaration of the acceleration of the maturity of the Securitized Utility Tariff Bonds as provided in Section 5.02, the Holders representing not less than a majority of the Outstanding Amount of the Securitized Utility Tariff Bonds of an affected Tranche, may waive any past Default or Event of Default and its consequences except a Default (A) in payment of principal of or premium, if any, or interest on any of the Securitized Utility Tariff Bonds or (B) in respect of a covenant or provision hereof which cannot be modified or amended without the consent of the Holder of each Securitized Utility Tariff Bond of all Tranches affected. In the case of any such waiver, the Issuer, the Indenture Trustee and the Holders shall be restored to their former positions and rights hereunder, respectively; but no such waiver shall extend to any subsequent or other Default or Event of Default or impair any right consequent thereto.

(b) Upon any such waiver, such Default shall cease to exist and be deemed to have been cured and not to have occurred, and any Event of Default arising therefrom shall be deemed to have been cured and not to have occurred, for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other Default or Event of Default or impair any right consequent thereto.

SECTION 5.13. Undertaking for Costs.

All parties to this Indenture agree, and each Holder of any Securitized Utility Tariff Bond by such Holder's acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Indenture Trustee for any action taken, suffered or omitted by it as Indenture Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section 5.13 shall not apply to (a) any suit instituted by the Indenture Trustee, (b) any suit instituted by any Holder, or group of Holders, in each case holding in the aggregate more than ten (10) percent of the Outstanding Amount of the Securitized Utility Tariff Bonds or (c) any suit instituted by any Holder for the enforcement of the payment of (i) interest on any Securitized Utility Tariff Bond on or after the due dates expressed in such Securitized Utility Tariff Bond and in this Indenture or (ii) the unpaid principal, if any, of any Securitized Utility Tariff Bond on or after the Final Maturity Date therefor.

SECTION 5.14. Waiver of Stay or Extension Laws.

The Issuer covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, or plead or in any manner whatsoever, claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, that may affect the covenants or the performance of this Indenture; and the Issuer (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and covenants that it will not hinder, delay or impede the execution of any power herein granted to the Indenture Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

SECTION 5.15. Action on Securitized Utility Tariff Bonds.

The Indenture Trustee's right to seek and recover judgment on the Securitized Utility Tariff Bonds or under this Indenture shall not be affected by the seeking, obtaining or application of any other relief under or with respect to this Indenture. Neither the Lien of this Indenture nor any rights or remedies of the Indenture Trustee or the Holders shall be impaired by the recovery of any judgment by the Indenture Trustee against the Issuer or by the levy of any execution under such judgment upon any portion of the Securitized Utility Tariff Bond Collateral or any other assets of the Issuer.

SECTION 5.16. Performance and Enforcement of Certain Obligations.

(a) Promptly following a request from the Indenture Trustee to do so and at the Issuer's expense, the Issuer agrees to take all such lawful action as the Indenture Trustee may request to compel or secure the performance and observance by the Seller and the Servicer, as applicable, of each of their obligations to the Issuer under or in connection with the Sale Agreement and the Servicing Agreement with respect to the Securitized Utility Tariff Property, respectively, in accordance with the terms thereof, and to exercise any and all rights, remedies, powers and

privileges lawfully available to the Issuer under or in connection with the Sale Agreement and the Servicing Agreement, respectively, to the extent and in the manner directed by the Indenture Trustee, including the transmission of notices of default on the part of the Seller or the Servicer thereunder and the institution of legal or administrative actions or proceedings to compel or secure performance by the Seller or the Servicer of each of their obligations under the Sale Agreement and the Servicing Agreement with respect to the Securitized Utility Tariff Property, respectively.

(b) If an Event of Default has occurred, the Indenture Trustee may, and, at the direction (which direction shall be in writing) of the Holders of sixty-six and two-thirds percent (66-2/3%) of the Outstanding Amount of the Securitized Utility Tariff Bonds shall, subject to Article VI, exercise all rights, remedies, powers, privileges and claims of the Issuer against the Seller or the Servicer under or in connection with the Sale Agreement and the Servicing Agreement with respect to the Securitized Utility Tariff Property, respectively, including the right or power to take any action to compel or secure performance or observance by the Seller or the Servicer of each of their obligations to the Issuer thereunder and to give any consent, request, notice, direction, approval, extension or waiver under the Sale Agreement or the Servicing Agreement, respectively, and any right of the Issuer to take such action shall be suspended.

ARTICLE VI

THE INDENTURE TRUSTEE

SECTION 6.01. Duties of Indenture Trustee.

(a) If an Event of Default has occurred and is continuing, the Indenture Trustee shall exercise the rights and powers vested in it by this Indenture and use the same degree of care and skill in their exercise as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(b) Except during the continuance of an Event of Default:

- (i) the Indenture Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture and no implied covenants or obligations shall be read into this Indenture against the Indenture Trustee; and
- (ii) in the absence of bad faith on its part, the Indenture Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Indenture Trustee and conforming on their face to the requirements of this Indenture; but in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Indenture Trustee, the Indenture Trustee shall be under a duty to examine the same to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein).

(c) The Indenture Trustee may not be relieved from liability for its own negligent action, its own bad faith, its own negligent failure to act or its own willful misconduct, except that:

- (i) this paragraph (c) does not limit the effect of paragraph (b) of this Section 6.01;
- (ii) the Indenture Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer of the Indenture Trustee unless it is proved that the Indenture Trustee was negligent in ascertaining the pertinent facts; and
- (iii) the Indenture Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it hereunder.

(d) Every provision of this Indenture that in any way relates to the Indenture Trustee is subject to paragraphs (a), (b) and (c) of this Section 6.01.

(e) The Indenture Trustee shall not be liable for interest on any money received by it except as the Indenture Trustee may agree in writing with the Issuer.

(f) Money held in trust by the Indenture Trustee need not be segregated from other funds held by the Indenture Trustee except to the extent required by law or the terms of this Indenture.

(g) No provision of this Indenture shall require the Indenture Trustee to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties hereunder or in the exercise of any of its rights or powers, if it shall have reasonable grounds to believe that repayments of such funds or indemnity satisfactory to it against such risk or liability is not reasonably assured to it.

(h) Every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Indenture Trustee shall be subject to the provisions of this Section 6.01 and to the provisions of the TIA.

(i) In the event that the Indenture Trustee is also acting as Paying Agent or Securitized Utility Tariff Bond Registrar hereunder, the protections of this Article VI shall also be afforded to the Indenture Trustee in its capacity as Paying Agent or Securitized Utility Tariff Bond Registrar.

(j) Except for the express duties of the Indenture Trustee with respect to the administrative functions set forth in the Basic Documents, the Indenture Trustee shall have no obligation to administer, service or collect Securitized Utility Tariff Property or to maintain, monitor or otherwise supervise the administration, servicing or collection of the Securitized Utility Tariff Property.

(k) Under no circumstance shall the Indenture Trustee be liable for any indebtedness of the Issuer, the Servicer or the Seller evidenced by or arising under the Securitized Utility Tariff Bonds or the Basic Documents. None of the provisions of this Indenture shall in any event require

the Indenture Trustee to perform or be responsible for the performance of any of the Servicer's obligations under the Basic Documents.

(l) Commencing with March 15, 2025, on or before March 15 of each fiscal year ending December 31, the Indenture Trustee shall (i) deliver to the Issuer a report (in form and substance reasonably satisfactory to the Issuer and addressed to the Issuer and signed by an authorized officer of the Indenture Trustee) regarding the Indenture Trustee's assessment of compliance, during the immediately preceding fiscal year ending December 31, with each of the applicable servicing criteria specified on Exhibit C attached hereto as required under Rules 13a-18 and 15d-18 of the Exchange Act and Item 1122 of Regulation AB and (ii) deliver to the Issuer a report of an Independent registered public accounting firm reasonably acceptable to the Issuer that attests to and reports on, in accordance with Rules 1-02(a)(3) and 2-02(g) of Regulation S-X under the Securities Act and the Exchange Act, the assessment of compliance made by the Indenture Trustee and delivered pursuant to clause (i).

(m) The Indenture Trustee shall not be required to take any action it is directed to take under this Indenture if the Indenture Trustee determines in good faith that the action so directed is inconsistent with the Indenture, any other Basic Document or Applicable Law, or would involve the Indenture Trustee in personal liability.

SECTION 6.02. Rights of Indenture Trustee.

(a) The Indenture Trustee may conclusively rely and shall be fully protected in relying on any document (including electronic documents and communications delivered in accordance with the terms of this Indenture) believed by it to be genuine and to have been signed or presented by the proper person. The Indenture Trustee need not investigate any fact or matter stated in such document.

(b) Before the Indenture Trustee acts or refrains from acting, it may require and shall be entitled to receive an Officer's Certificate or an Opinion of Counsel, which counsel may be an employee of or counsel to the Issuer or the Seller and which shall be reasonably satisfactory to the Indenture Trustee, or, in the Indenture Trustee's sole judgment, of external counsel of the Issuer (at no cost or expense to the Indenture Trustee) that such action is required or permitted hereunder. The Indenture Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on such Officer's Certificate or Opinion of Counsel.

(c) The Indenture Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys or a custodian or nominee, and the Indenture Trustee shall not be responsible for any misconduct or negligence on the part of, or for the supervision of, any such agent, attorney, custodian or nominee appointed with due care by it hereunder. The Indenture Trustee shall give prompt written notice to the Rating Agencies of the appointment of any such agent, custodian or nominee to whom it delegates any of its express duties under this Indenture provided, that the Indenture Trustee shall not be obligated to give such notice (i) if the Issuer or the Holders have directed the Indenture Trustee to appoint such agent, custodian or nominee (in which event the Issuer shall give prompt notice to the Rating Agencies of any such direction) or (ii) of the appointment of any agents, custodians or nominees made at any time that an Event of Default of the Issuer has occurred and is continuing.

(d) The Indenture Trustee shall not be liable for any action it takes or omits to take in good faith which it believes to be authorized or within its rights or powers; provided, however that the Indenture Trustee's conduct does not constitute willful misconduct, negligence or bad faith.

(e) The Indenture Trustee may consult with counsel, and the advice or Opinion of Counsel with respect to legal matters relating to this Indenture and the Securitized Utility Tariff Bonds shall be full and complete authorization and protection from liability in respect to any action taken, omitted or suffered by it hereunder in good faith and in accordance with the advice or opinion of such counsel.

(f) The Indenture Trustee shall be under no obligation to (i) take any action or exercise any of the rights or powers vested in it by this Indenture or any other Basic Document or (ii) institute, conduct or defend any litigation hereunder or thereunder or in relation hereto or thereto or to investigate any matter, at the request, order or direction of any of the Bondholders pursuant to the provisions of this Indenture and the Series Supplement or otherwise, unless it shall have received security or indemnity satisfactory to it against the costs, expenses and liabilities which may be incurred.

(g) In no event shall the Indenture Trustee be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of or caused by, directly or indirectly, forces beyond its control, including, without limitation, governmental action, strikes, work stoppages, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes, pandemics or acts of God, and interruptions, loss or malfunctions of utilities, communications or computer systems and services; it being understood that the Indenture Trustee shall use reasonable efforts which are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances.

(h) Any request or direction of the Issuer mentioned herein shall be sufficiently evidenced by an Issuer Request or Issuer Order. Whenever in the administration of this Indenture the Indenture Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Indenture Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, conclusively rely upon an Officer's Certificate.

(i) The Indenture Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document.

(j) In no event shall the Indenture Trustee be responsible or liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Indenture Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(k) The Indenture Trustee shall not be deemed to have notice of any Default or Event of Default unless it has received written notice of any event which is in fact such a default is received by a Responsible Officer of the Indenture Trustee at the Corporate Trust Office of the

Indenture Trustee, and such notice references the Securitized Utility Tariff Bonds and this Indenture.

(l) The rights, privileges, protections, immunities and benefits given to the Indenture Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Indenture Trustee in each of its capacities hereunder, and each agent, custodian and other Person employed to act hereunder.

(m) Beyond the exercise of reasonable care in the custody thereof, the Indenture Trustee will have no duty as to any Securitized Utility Tariff Bond Collateral in its possession or control or in the possession or control of any agent or bailee or any income thereon or as to preservation of rights against prior parties or any other rights pertaining thereto. The Indenture Trustee will be deemed to have exercised reasonable care in the custody of the Securitized Utility Tariff Bond Collateral in its possession if the Securitized Utility Tariff Bond Collateral is accorded treatment substantially equal to that which it accords its own property, and the Indenture Trustee will not be liable or responsible for any loss or diminution in the value of any of the Securitized Utility Tariff Bond Collateral by reason of the act or omission of any carrier, forwarding agency or other agent or bailee selected by the Indenture Trustee in good faith.

(n) The Indenture Trustee will not be responsible for the existence, genuineness or value of any of the Securitized Utility Tariff Bond Collateral or for the validity, sufficiency, perfection, priority or enforceability of the Liens in any of the Securitized Utility Tariff Bond Collateral, except to the extent such action or omission constitutes negligence or willful misconduct on the part of the Indenture Trustee. The Indenture Trustee shall not be responsible for the validity of the title of any grantor to the collateral, for insuring the Securitized Utility Tariff Bond Collateral or for the payment of taxes, charges, assessments or liens upon the Securitized Utility Tariff Bond Collateral or otherwise as to the maintenance of the Securitized Utility Tariff Bond Collateral.

(o) In the event that the Indenture Trustee is required to acquire title to an asset for any reason, or take any managerial action of any kind in regard thereto, in order to carry out any fiduciary or trust obligation for the benefit of another, which in the Indenture Trustee's sole discretion may cause the Indenture Trustee, as applicable, to be considered an "owner or operator" under any environmental laws or otherwise cause the Indenture Trustee to incur, or be exposed to, any environmental liability or any liability under any other federal, state or local law, the Indenture Trustee reserves the right, instead of taking such action, either to resign as Indenture Trustee or to arrange for the transfer of the title or control of the asset to a court appointed receiver. The Indenture Trustee will not be liable to any person for any environmental claims or any environmental liabilities or contribution actions under any federal, state or local law, rule or regulation by reason of the Indenture Trustee's actions and conduct as authorized, empowered and directed hereunder or relating to any kind of discharge or release or threatened discharge or release of any hazardous materials into the environment.

SECTION 6.03. Individual Rights of Indenture Trustee.

The Indenture Trustee in its individual or any other capacity may become the owner or pledgee of Securitized Utility Tariff Bonds and may otherwise deal with the Issuer or its Affiliates

with the same rights it would have if it were not Indenture Trustee. Any Paying Agent, Securitized Utility Tariff Bond Registrar, co-registrar or co-paying agent or agent appointed under Section 3.02 may do the same with like rights. However, the Indenture Trustee must comply with Sections 6.11 and 6.12.

SECTION 6.04. Indenture Trustee's Disclaimer.

(a) The Indenture Trustee shall not be responsible for and makes no representation (other than as set forth in Section 6.13) as to the validity or adequacy of this Indenture or the Securitized Utility Tariff Bonds, it shall not be accountable for the Issuer's use of the proceeds from the Securitized Utility Tariff Bonds, and it shall not be responsible for any statement of the Issuer in the Indenture or in any document issued in connection with the sale of the Securitized Utility Tariff Bonds or in the Securitized Utility Tariff Bonds other than the Indenture Trustee's certificate of authentication. The Indenture Trustee shall not be responsible for the form, character, genuineness, sufficiency, value or validity of any of the Securitized Utility Tariff Bond Collateral (or for the perfection or priority of the Liens thereon), or for or in respect of the Securitized Utility Tariff Bonds (other than the certificate of authentication for the Securitized Utility Tariff Bonds) or the Basic Documents and the Indenture Trustee shall in no event assume or incur any liability, duty or obligation to any Holder, other than as expressly provided in this Indenture. The Indenture Trustee shall not be liable for the default or misconduct of the Issuer, the Seller, or the Servicer under the Basic Documents or otherwise, and the Indenture Trustee shall have no obligation or liability to perform the obligations of such Persons.

(b) The Indenture Trustee shall not be responsible for (i) the validity of the title of the Issuer to the Securitized Utility Tariff Bond Collateral, (ii) insuring the Securitized Utility Tariff Bond Collateral or (iii) the payment of taxes, charges, assessments or Liens upon the Securitized Utility Tariff Bond Collateral or otherwise as to the maintenance of the Securitized Utility Tariff Bond Collateral. The Indenture Trustee shall have no duty to ascertain or inquire as to the performance or observance of any of the terms of this Indenture or any of the other Basic Documents. The Indenture Trustee shall not be responsible for filing any financing or continuation statements or recording any documents or instruments in any public office at any time or times or otherwise perfecting or maintaining the perfection of any security interest in the Securitized Utility Tariff Bond Collateral.

SECTION 6.05. Notice of Defaults.

If a Default occurs and is continuing and if a Responsible Officer of the Indenture Trustee has been notified in writing of such Default, the Indenture Trustee shall deliver to each Rating Agency and each Bondholder notice of the Default within ten (10) Business Days after actual notice of such Default was received by a Responsible Officer of the Indenture Trustee (provided that the Indenture Trustee shall give the Rating Agencies prompt notice of any payment default in respect of the Securitized Utility Tariff Bonds). Except in the case of a Default in payment of principal of and premium, if any, or interest on any Securitized Utility Tariff Bond, the Indenture Trustee may withhold the notice if a Responsible Officer in good faith determines that withholding the notice is in the interests of Holders. Except for an Event of Default under Sections 5.01(a)(i) or (ii) that occur at a time when the Indenture Trustee is acting as the Paying Agent, and except as

provided in the first sentence of this Section 6.05, in no event shall the Indenture Trustee be deemed to have knowledge of a Default.

SECTION 6.06. Reports by Indenture Trustee to Holders.

(a) So long as Securitized Utility Tariff Bonds are Outstanding and the Indenture Trustee is the Securitized Utility Tariff Bond Registrar and Paying Agent, upon the written request of any Holder or the Issuer, within the prescribed period of time for tax reporting purposes after the end of each calendar year, it shall deliver to each relevant current or former Holder such information in its possession as may be required to enable such Holder to prepare its federal income and any applicable local or State tax returns. If the Securitized Utility Tariff Bond Registrar and Paying Agent is other than the Indenture Trustee, such Securitized Utility Tariff Bond Registrar and Paying Agent, within the prescribed period of time for tax reporting purposes after the end of each calendar year, shall deliver to each relevant current or former Holder such information in its possession as may be required to enable such Holder to prepare its federal income and any applicable local or State tax returns.

(b) On or prior to each Payment Date or Special Payment Date therefor, the Indenture Trustee will deliver to each Holder of the Securitized Utility Tariff Bonds on such Payment Date or Special Payment Date, a statement as provided and prepared by the Servicer which will include (to the extent applicable) the following information (and any other information so specified in the Series Supplement) as to the Securitized Utility Tariff Bonds with respect to such Payment Date or Special Payment Date or the period since the previous Payment Date, as applicable:

- (i) the amount of the payment to Holders allocable to principal, if any;
- (ii) the amount of the payment to Holders allocable to interest;
- (iii) the aggregate Outstanding Amount of the Securitized Utility Tariff Bonds, before and after giving effect to any payments allocated to principal reported under clause (i) above;
- (iv) the difference, if any, between the amount specified in clause (iii) above and the Outstanding Amount specified in the related Expected Sinking Fund Schedule;
- (v) any other transfers and payments to be made on such Payment Date or Special Payment Date, including amounts paid to the Indenture Trustee and to the Servicer; and
- (vi) the amounts on deposit in the Capital Subaccount and the Excess Funds Subaccount, after giving effect to the foregoing payments.

(c) The Issuer shall send a copy of each of the Certificate of Compliance delivered to it pursuant to Section 3.03 of the Servicing Agreement and the Annual Accountant's Report delivered to it pursuant to Section 3.04 of the Servicing Agreement to the Rating Agencies, the Indenture Trustee and to the Servicer for posting on the 17g-5 Website in accordance with Rule

17g-5 under the Exchange Act. A copy of such certificate and report may be obtained by any Holder by a request in writing to the Indenture Trustee.

SECTION 6.07. Compensation and Indemnity.

(a) The Issuer shall pay to the Indenture Trustee from time to time reasonable compensation for its services. The Indenture Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Issuer shall reimburse the Indenture Trustee for all reasonable out-of-pocket expenses incurred or made by it in connection with the Securitized Utility Tariff Bonds, including costs of collection, in addition to the compensation for its services. Such expenses shall include the reasonable compensation and expenses, disbursements and advances of the Indenture Trustee's agents, counsel, accountants and experts.

(b) The Issuer shall indemnify the Indenture Trustee and its officers, directors, employees and agents against any and all cost, damage, loss, liability or expense (including attorneys' fees and expenses) incurred by it in connection with the administration of this trust and the performance of its duties hereunder, including the cost and expense of enforcing this Indenture (including this Section) and defending itself against any claim or liability in connection with the exercise or performance of such duties. The Indenture Trustee shall notify the Issuer as soon as is reasonably practicable of any claim for which it may seek indemnity. Failure by the Indenture Trustee to so notify the Issuer shall not relieve the Issuer of its obligations hereunder. The Issuer shall defend the claim and the Indenture Trustee may have separate counsel and the Issuer shall pay the fees and expenses of such counsel.

(c) Notwithstanding any other provision of this Indenture, the Issuer need not reimburse any expense or indemnify against any loss, liability or expense incurred by the Indenture Trustee through the Indenture Trustee's own willful misconduct, negligence or bad faith.

(d) The Issuer's payment obligations to the Indenture Trustee pursuant to this Section shall survive the discharge of this Indenture, resignation or removal of the Indenture Trustee. When the Indenture Trustee incurs expenses after the occurrence of a Default specified in Section 5.01(a)(v) or (vi) with respect to the Issuer, the expenses are intended to constitute expenses of administration under the Bankruptcy Code or any other applicable federal or State bankruptcy, insolvency or similar law.

SECTION 6.08. Replacement of Indenture Trustee and Securities Intermediary.

(a) The Indenture Trustee (or any other Eligible Institution in any capacity hereunder) may resign at any time upon thirty (30) days' prior written notice to the Issuer subject to clause (c) below. The Holders of a majority of the Outstanding Amount of the Securitized Utility Tariff Bonds may remove the Indenture Trustee (or any other Eligible Institution in any capacity hereunder) upon not less than thirty (30) days' prior written notice by so notifying the Indenture Trustee (or such other Eligible Institution, as applicable) and may appoint a successor Indenture Trustee (or successor Eligible Institution in the applicable capacity). Subject to clause (c) below, the Issuer shall remove any Person who maintains the Collection Account or any other account established under this Indenture and fails to constitute an Eligible Institution with thirty (30) days' prior notice.

Any removal or resignation of the Indenture Trustee shall also constitute a removal or resignation of the Securities Intermediary.

(b) If the Indenture Trustee gives notice of resignation or is removed or if a vacancy exists in the office of Indenture Trustee for any reason (the Indenture Trustee in such event being referred to herein as the retiring Indenture Trustee), the Issuer shall promptly appoint a successor Indenture Trustee and Securities Intermediary. If any Person (other than the Indenture Trustee) acting in any capacity hereunder as an Eligible Institution is removed, fails to constitute an Eligible Institution or if a vacancy exists in any such capacity for any reason, the Issuer shall promptly appoint a successor to such capacity that constitutes an Eligible Institution.

(c) A successor Indenture Trustee (or any other successor Eligible Institution) shall deliver a written acceptance of its appointment as the Indenture Trustee and as the Securities Intermediary (or any such other capacity) to the retiring Indenture Trustee (or any such other capacity) and to the Issuer. No resignation or removal of the Indenture Trustee (or any such other Person) pursuant to this Section 6.08 shall become effective until acceptance of the appointment by a successor Indenture Trustee having the qualifications set forth in Section 6.11 (or such other successor constituting an Eligible Institution). Notice of any such appointment shall be promptly given to each Rating Agency by the successor Indenture Trustee. The successor Indenture Trustee shall send a notice of its succession (or the succession of any other Eligible Institution) to Holders. The retiring Indenture Trustee shall promptly transfer all property held by it as Indenture Trustee to the successor Indenture Trustee. The retiring Eligible Institution shall promptly transfer all property held by it in its capacity hereunder to the successor Eligible Institution.

(d) If a successor Indenture Trustee (or other successor Eligible Institution) does not take office within sixty (60) days after the retiring Indenture Trustee (or other retiring Eligible

Institution) resigns or is removed, the retiring Indenture Trustee (or other retiring Eligible Institution), the Issuer or the Holders of a majority in Outstanding Amount of the Securitized Utility Tariff Bonds may petition any court of competent jurisdiction for the appointment of a successor Indenture Trustee (or other successor Eligible Institution).

(e) If the Indenture Trustee fails to comply with Section 6.11, any Holder may petition any court of competent jurisdiction for the removal of the Indenture Trustee and the appointment of a successor Indenture Trustee.

(f) Notwithstanding the replacement of the Indenture Trustee pursuant to this Section 6.08, the Issuer's obligations under Section 6.07 shall continue for the benefit of the retiring Indenture Trustee.

SECTION 6.09. Successor Indenture Trustee by Merger.

Notice of any such event shall be promptly given to each Rating Agency by the successor Indenture Trustee.

(b) In case at the time such successor or successors by merger, conversion, consolidation or transfer shall succeed to the trusts created by this Indenture any of the Securitized Utility Tariff Bonds shall have been authenticated but not delivered, any such successor to the Indenture Trustee may adopt the certificate of authentication of any predecessor trustee, and deliver the Securitized Utility Tariff Bonds so authenticated; and in case at that time any of the Securitized Utility Tariff Bonds shall not have been authenticated, any successor to the Indenture Trustee may authenticate the Securitized Utility Tariff Bonds either in the name of any predecessor hereunder or in the name of the successor to the Indenture Trustee; and in all such cases such certificates shall have the full force which it is anywhere in the Securitized Utility Tariff Bonds or in this Indenture provided that the certificate of the Indenture Trustee shall have.

SECTION 6.10. Appointment of Co-Trustee or Separate Trustee.

No co-trustee or separate trustee hereunder shall be required to meet the terms of eligibility as a successor trustee under Section 6.11 and no notice to

Holders of the appointment of any co-trustee or separate trustee shall be required under Section 6.08. Notice of any such appointment shall be promptly given to each Rating Agency by the Indenture Trustee.

(b) Every separate trustee and co-trustee shall, to the extent permitted by law, be appointed and act subject to the following provisions and conditions:

- (i) all rights, powers, duties and obligations conferred or imposed upon the Indenture Trustee shall be conferred or imposed upon and exercised or performed by the Indenture Trustee and such separate trustee or co-trustee jointly (it being understood that such separate trustee or co-trustee is not authorized to act separately without the Indenture Trustee joining in such act), except to the extent that under any law of any jurisdiction in which any particular act or acts are to be performed the Indenture Trustee shall be incompetent or unqualified to perform such act or acts, in which event such rights, powers, duties and obligations (including the holding of title to the Securitized Utility Tariff Bond Collateral or any portion thereof in any such jurisdiction) shall be exercised and performed singly by such separate trustee or co-trustee, but solely at the direction of the Indenture Trustee;
- (ii) no trustee hereunder shall be personally liable by reason of any act or omission of any other trustee hereunder; and

Every instrument appointing any separate trustee or co-trustee shall refer to this Indenture and the conditions of this Article VI. Each separate trustee and co-trustee, upon its acceptance of the trusts conferred, shall be vested with the estates or property specified in its instrument of appointment, either jointly with the Indenture Trustee or separately, as may be provided therein, subject to all the provisions of this Indenture, specifically including every provision of this Indenture relating to the conduct of, affecting the liability of, or affording protection to, the Indenture Trustee. Every such instrument shall be filed with the Indenture Trustee.

The Collection Account will consist of three subaccounts: a general subaccount (the "General Subaccount"), an excess funds subaccount (the "Excess Funds Subaccount") and a capital subaccount (the "Capital Subaccount" and, together with the General Subaccount and the Excess Funds Subaccount, the "Subaccounts"). Each Subaccount shall have a separate subaccount (each, a "Cash Subaccount") where cash allocated to the related Subaccount will be held. Only cash shall be allocated to a Cash Subaccount and no other Securitized Utility Tariff Bond Collateral shall be allocated to a Cash Subaccount. References to any Subaccount shall be deemed to include the related Cash Subaccount. For administrative purposes, the Subaccounts may be established by the Indenture Trustee as separate accounts. Such separate accounts will be recognized individually as a Subaccount and collectively as the "Collection Account". Prior to or concurrently with the issuance of Securitized Utility Tariff Bonds, the Member shall deposit into the Capital Subaccount an amount equal to the Required Capital Level. All amounts in the Collection Account not allocated to any other subaccount shall be allocated to the General Subaccount. Any cash transferred to, or arising under, a Subaccount will be held in the related Cash Subaccount. Prior to the Initial Payment Date, all amounts in the Collection Account (other than funds deposited into the Capital Subaccount, up to the Required Capital Level and any Capital Subaccount Investment Earnings) shall be allocated to the General Subaccount. All references to the Collection Account shall be deemed to include reference to all subaccounts contained therein. Withdrawals from and deposits to each of the foregoing subaccounts of the Collection Account shall be made as set forth in Sections 8.02(d) and (e). The Collection Account shall at all times be maintained as an Eligible Account, under the sole dominion and exclusive control of the Indenture Trustee, through the Securities Intermediary, and only the Indenture Trustee shall have access to the Collection Account for the purpose of making deposits in and withdrawals from the Collection Account in accordance with this Indenture. Funds in the Collection Account shall not be commingled with any other moneys. All moneys deposited from time to time in the Collection Account, including amounts not required to pay costs of issuance of Securitized Utility Tariff Bonds transferred by the Issuer to the Indenture Trustee, all deposits therein pursuant to this Indenture, and all investments made in Eligible Investments as directed in writing by the Issuer with such moneys, including all income or other gain from such investments other than Capital Subaccount Investment Earnings, shall be held by the Indenture Trustee in the Collection Account as part of the Securitized Utility Tariff Bond Collateral as herein provided. The Securities Intermediary shall have no liability in respect of losses incurred as a result of the liquidation of any Eligible Investment prior to its stated maturity or its date of redemption or the failure of the Issuer or the Servicer to provide timely written investment direction.

(b) The Securities Intermediary hereby confirms that (i) the Collection Account (other than each Cash Subaccount) is, or at inception will be established as, a "securities account" as such term is defined in Section 8-501(a) of the UCC, (ii) it is a "securities intermediary" (as such term is defined in Section 8-102(a) (14) of the UCC) and is acting in such capacity with respect to such accounts, (iii) the Indenture Trustee for the benefit of the Secured Parties is the sole "entitlement holder" (as such term is defined in Section 8-102(a)(7) of the UCC) with respect to such accounts and no other Person shall have the right to give "entitlement orders" (as such term is defined in Section 8-102(a)(8)) with respect to such Collection Account and (iv) the Securities Intermediary agrees to comply with "entitlement orders" originated by the Indenture Trustee with respect to the Collection Account without further consent of the Issuer or any other Person. The Securities

Intermediary hereby further agrees that each item of property (whether investment property, financial asset, security, instrument or cash) received by it will be credited to the Collection Account (and that all cash will be credited to the related Cash Subaccount). Such property, other than cash, shall be treated by it as a Financial Asset. The Indenture Trustee shall cause the Securities Intermediary to hold any Securitized Utility Tariff Bond Collateral consisting of money in the applicable Cash Subaccount and the Securities Intermediary hereby confirms that each Cash Subaccount is a “deposit account” within the meaning of Section 9-102(a)(29) of the UCC. The Securities Intermediary further confirms that for purposes of perfecting the security interest in such deposit account, it shall (i) act as the “bank” within the meaning of Section 9-102(a)(8) of the UCC and (ii) comply with instructions originated by the Indenture Trustee directing disposition of the funds in the Cash Subaccount without further consent of the Issuer or any other Person. Notwithstanding anything to the contrary, for purposes of the UCC, New York State shall be deemed to be “securities intermediary jurisdiction” within the meaning of Section 8-110(e) of the UCC of the Securities Intermediary and “bank’s jurisdiction” within the meaning of Section 9-304(a) of the UCC of the Securities Intermediary acting as the “bank” and the Collection Account (as well as the securities entitlements related thereto) shall be governed by the laws of the State of New York.

(c) The Indenture Trustee shall have sole dominion and exclusive control over all moneys in the Collection Account through the Securities Intermediary and shall apply such amounts therein as provided in this Section 8.02. The Indenture Trustee shall also pay from the Collection Account any amounts requested in writing to be paid by or to the Servicer pursuant to Section 6.11(c) of the Servicing Agreement.

(d) SUTC Collections shall be deposited in the General Subaccount as provided in Section 6.11 of the Servicing Agreement. All deposits to and withdrawals from the Collection Account, all allocations to the subaccounts of the Collection Account and any amounts to be paid to the Servicer under Section 8.02(c) shall be made by the Indenture Trustee in accordance with the written instructions provided by the Servicer in the Monthly Servicer’s Certificate, the Servicer’s Certificate or upon other written notice provided by the Servicer pursuant to Section 6.11(a) of the Servicing Agreement, as applicable.

(e) On each Payment Date (or on any other date as directed by the Servicer (i) with respect to Operating Expenses referred to in clause (iv) below payable prior to the next Payment Date or (ii) to pay Operating Expenses related to the issuance of the Bonds), the Indenture Trustee shall apply all amounts on deposit in the Collection Account, including all Investment Earnings thereon, to pay the following amounts, solely in accordance with the Servicer’s Certificate, in the following priority:

- (i) all amounts owed by the Issuer to the Indenture Trustee (including legal fees and expenses and outstanding indemnity amounts) shall be paid to the Indenture Trustee (subject to Section 6.07) in an amount not to exceed annually the amount set forth in the Series Supplement (the “Indenture Trustee Cap”); provided, however, that the Indenture Trustee Cap shall be disregarded and inapplicable upon the acceleration of the Securitized Utility Tariff Bonds following the occurrence of an Event of Default;

- (ii) the Servicing Fee with respect to such Payment Date and all unpaid Servicing Fees for prior Payment Dates shall be paid to the Servicer;
- (iii) the Administration Fee for such Payment Date shall be paid to the Administrator and an allocable share of the Independent Manager Fee for such Payment Date shall be paid to the Independent Managers;
- (iv) all other ordinary periodic Operating Expenses for such Payment Date relating to the Securitized Utility Tariff Bonds not described above shall be paid to the parties to which such Operating Expenses are owed;
- (v) Periodic Interest for such Payment Date, including any overdue Periodic Interest (together with, to the extent lawful, interest on such overdue Periodic Interest at the applicable Securitized Utility Tariff Bond Interest Rate), with respect to the Securitized Utility Tariff Bonds shall be paid to the Holders of Securitized Utility Tariff Bonds;
- (vi) principal due and payable on the Securitized Utility Tariff Bonds as a result of an Event of Default or on the Final Maturity Date of the Securitized Utility Tariff Bonds shall be paid to the Holders of Securitized Utility Tariff Bonds;
- (vii) Periodic Principal for such Payment Date, including any overdue Periodic Principal or payments due upon maturity or acceleration, which shall be paid pro rata among the Securitized Utility Tariff Bonds if there is a deficiency;
- (viii) any other unpaid fees, expenses and indemnity amounts owed to the Indenture Trustee;
- (ix) any other unpaid Operating Expenses relating to the Securitized Utility Tariff Bonds and any remaining amounts owed pursuant to the Basic Documents;
- (x) the amount, if any, by which the Required Capital Level exceeds the amount in the Capital Subaccount as of such Payment Date shall be allocated to the Capital Subaccount;
- (xi) provided that no Event of Default has occurred and is continuing, release to Evergy Missouri West an amount representing a return on capital of its Capital Contribution calculated at an annual rate per annum equal to the cost of capital on the Securitized Utility Tariff Bonds;
- (xii) the balance, if any, shall be allocated to the Excess Funds Subaccount for distribution on subsequent Payment Dates; and
- (xiii) after principal of and premium, if any, and interest on all the Securitized Utility Tariff Bonds, and all of the other foregoing amounts, have been paid

in full, including, without limitation, amounts due and payable to the Indenture Trustee under Section 6.07 or otherwise, the balance (including all amounts then held in the Capital Subaccount and the Excess Funds Subaccount), if any, shall be paid to Evergy Missouri West, free from the Lien of this Indenture and the Series Supplement and credited to Customers through normal ratemaking processes.

(f) All payments to the Holders of the Securitized Utility Tariff Bonds pursuant to clauses (v), (vi) and (vii) above shall be made to such Holders pro rata based on the respective amounts of interest and/or principal owed, unless, in the case of Securitized Utility Tariff Bonds comprised of two or more Tranches, the Series Supplement provides otherwise. Payments in respect of principal of and premium, if any, and interest on any Tranche of Securitized Utility Tariff Bonds will be made on a pro rata basis among all the Holders of such Tranche. In the case of an Event of Default, then, in accordance with Section 5.04(c), moneys will be applied pursuant to clauses (v) and (vi), in such order, on a pro rata basis, based upon the interest or the principal owed.

(g) The amounts paid during any calendar year pursuant to clauses (i), (ii), (iii), (iv) and (viii) may not exceed the amounts approved in the Series Supplement.

(h) If on any Payment Date funds on deposit in the General Subaccount are insufficient to make the payments contemplated by clauses (i) through (ix) of Section 8.02(e) above, the Indenture Trustee shall (I) first, draw from amounts on deposit in the Excess Funds Subaccount and (II) second, draw from amounts on deposit in the Capital Subaccount, in each case, up to the amount of such shortfall in order to make the payments contemplated by clauses (i) through (ix) of Section 8.02(e). In addition, if on any Payment Date funds on deposit in the General Subaccount are insufficient to make the allocations contemplated by clause (x) above, the Indenture Trustee shall draw from amounts on deposit in the Excess Funds Subaccount to make such allocations.

SECTION 8.03. General Provisions Regarding the Collection Account.

(a) So long as no Default or Event of Default shall have occurred and be continuing, all or a portion of the funds in the Collection Account shall be invested in Eligible Investments and reinvested by the Indenture Trustee upon Issuer Order; provided, however, that (i) such Eligible Investments shall not mature or be redeemed later than the Business Day prior to the next Payment Date or Special Payment Date, if applicable, for the Securitized Utility Tariff Bonds and (ii) such Eligible Investments shall not be sold, liquidated or otherwise disposed of at a loss prior to the maturity or the date of redemption thereof. All income or other gain from investments of moneys deposited in the Collection Account shall be deposited by the Indenture Trustee in such Collection Account, and any loss resulting from such investments shall be charged to such Collection Account. The Issuer will not direct the Indenture Trustee to make any investment of any funds or to sell any investment held in the Collection Account unless the security interest Granted and perfected in such account will continue to be perfected in such investment or the proceeds of such sale, in either case without any further action by any Person, and, in connection with any direction to the Indenture Trustee to make any such investment or sale, if requested by the Indenture Trustee, the Issuer shall deliver to the Indenture Trustee an Opinion of Counsel of external counsel of the Issuer (at the Issuer's cost and expense) to such effect. In no event shall

the Indenture Trustee be liable for the selection of Eligible Investments or for investment losses incurred thereon. The Indenture Trustee shall have no liability in respect of losses incurred as a result of the liquidation of any Eligible Investment prior to its stated maturity or its date of redemption or the failure of the Issuer or the Servicer to provide timely written investment direction. The Indenture Trustee shall have no obligation to invest or reinvest any amounts held hereunder in the absence of written investment direction pursuant to an Issuer Order, in which case such amounts shall remain uninvested.

(b) Subject to Section 6.01(c), the Indenture Trustee shall not in any way be held liable by reason of any insufficiency in the Collection Account resulting from any loss on any Eligible Investment included therein except for losses attributable to the Indenture Trustee's failure to make payments on such Eligible Investments issued by the Indenture Trustee, in its commercial capacity as principal obligor and not as trustee, in accordance with their terms.

(c) If (i) the Issuer shall have failed to give written investment directions for any funds on deposit in the Collection Account to the Indenture Trustee by 11:00 a.m. Eastern Time (or such other time as may be agreed by the Issuer and Indenture Trustee) on any Business Day; or (ii) a Default or Event of Default shall have occurred and be continuing with respect to the Securitized Utility Tariff Bonds but the Securitized Utility Tariff Bonds shall not have been declared due and payable pursuant to Section 5.02, then the Indenture Trustee shall, to the fullest extent practicable, invest and reinvest funds in such Collection Account in the money market fund (described under clause (d) of the definition of "Eligible Investments") specified in the most recent written investment directions delivered by the Issuer to the Indenture Trustee with respect to such type of Eligible Investments; provided that if the Issuer has never delivered written investment directions to the Indenture Trustee or if the money market fund specified in the most recent written investment directions no longer exists, the Indenture Trustee shall not invest or reinvest such funds in any investments.

(d) The parties hereto acknowledge that the Servicer may, pursuant to the Servicing Agreement, select Eligible Investments on behalf of the Issuer.

SECTION 8.04. Release of Securitized Utility Tariff Bond Collateral.

(a) So long as the Issuer is not in default hereunder and no Default hereunder would occur as a result of such action, the Issuer, through the Servicer, may collect, sell or otherwise dispose of written-off receivables, at any time and from time to time in the ordinary course of business, without any notice to, or release or consent by, the Indenture Trustee, but only as and to the extent permitted by the Basic Documents; provided, however, that any and all proceeds of such dispositions shall become Securitized Utility Tariff Bond Collateral and be deposited to the General Subaccount immediately upon receipt thereof by the Issuer or any other Person, including the Servicer. Without limiting the foregoing, the Servicer, may, at any time and from time to time without any notice to, or release or consent by, the Indenture Trustee, sell or otherwise dispose of any Securitized Utility Tariff Bond Collateral previously written-off as a defaulted or uncollectible account in accordance with the terms of the Servicing Agreement and the requirements of the proviso in the immediately preceding sentence.

(b) The Indenture Trustee may, and when required by the provisions of this Indenture shall, execute instruments to release property from the Lien of this Indenture, or convey the Indenture Trustee's interest in the same, in a manner and under circumstances that are not inconsistent with the provisions of this Indenture. No party relying upon an instrument executed by the Indenture Trustee as provided in this Article VIII shall be bound to ascertain the Indenture Trustee's authority, inquire into the satisfaction of any conditions precedent or see to the application of any moneys. The Indenture Trustee shall release property from the Lien of this Indenture pursuant to this Section 8.04(b) only upon receipt of an Issuer Request accompanied by an Officer's Certificate, an Opinion of Counsel of external counsel of the Issuer (at the Issuer's cost and expense) and (if required by the TIA) Independent Certificates in accordance with TIA §§ 314(c) and 314(d)(1) meeting the applicable requirements of Section 10.01.

(c) The Indenture Trustee shall, at such time as there are no Securitized Utility Tariff Bonds Outstanding and all sums payable to the Indenture Trustee pursuant to Section 6.07 or otherwise have been paid, release any remaining portion of the Securitized Utility Tariff Bond Collateral that secured the Securitized Utility Tariff Bonds from the Lien of this Indenture, release to the Issuer or any other Person entitled thereto any funds or investments then on deposit in or credit to the Collection Account.

SECTION 8.05. Opinion of Counsel.

The Indenture Trustee shall receive at least seven (7) days' notice when requested by the Issuer to take any action pursuant to Section 8.04, accompanied by copies of any instruments involved, and the Indenture Trustee shall also require, as a condition to such action, an Opinion of Counsel of external counsel of the Issuer, in form and substance satisfactory to the Indenture Trustee, stating the legal effect of any such action, outlining the steps required to complete the same, and concluding that all conditions precedent to the taking of such action have been complied with and such action will not materially and adversely impair the perfection or priority of the remaining security for the Securitized Utility Tariff Bonds or the rights of the Holders in contravention of the provisions of this Indenture and the Series Supplement; provided, however, that such Opinion of Counsel shall not be required to express an opinion as to the fair value of the Securitized Utility Tariff Bond Collateral. Counsel rendering any such opinion may rely, without independent investigation, on the accuracy and validity of any certificate or other instrument delivered to the Indenture Trustee in connection with any such action.

SECTION 8.06. Reports by Independent Registered Public Accountants.

As of the Closing Date, the Issuer shall appoint a firm of Independent registered public accountants of recognized national reputation for purposes of preparing and delivering the reports or certificates of such accountants required by this Indenture and the Series Supplement. In the event such firm requires the Indenture Trustee to agree to the procedures performed by such firm, the Issuer shall direct the Indenture Trustee in writing to so agree; it being understood and agreed that the Indenture Trustee will deliver such letter of agreement in conclusive reliance upon the direction of the Issuer, and the Indenture Trustee makes no independent inquiry or investigation to, and shall have no obligation or liability in respect of, the sufficiency, validity or correctness of such procedures. Upon any resignation by, or termination by the Issuer of, such firm the Issuer shall provide written notice thereof to the Indenture Trustee and shall promptly appoint a successor

thereto that shall also be a firm of Independent registered public accountants of recognized national reputation. If the Issuer shall fail to appoint a successor to a firm of Independent registered public accountants that has resigned or been terminated within fifteen (15) days after such resignation or termination, the Indenture Trustee shall promptly notify the Issuer of such failure in writing. If the Issuer shall not have appointed a successor within ten (10) days thereafter the Indenture Trustee shall promptly appoint a successor firm of Independent registered public accountants of recognized national reputation; provided that the Indenture Trustee shall have no liability with respect to such appointment. The fees of such Independent registered public accountants and its successor shall be payable by the Issuer as an Operating Expense.

ARTICLE IX

- (i) to correct or amplify the description of any property, including, without limitation, the Securitized Utility Tariff Bond Collateral, at any time subject to the Lien of this Indenture, or better to assure, convey and confirm to the Indenture Trustee any property subject or required to be subjected to the Lien of this Indenture and the Series Supplement, or to subject to the Lien of this Indenture and the Series Supplement additional property;
- (ii) to evidence the succession, in compliance with the applicable provisions hereof, of another person to the Issuer, and the assumption by any such successor of the covenants of the Issuer herein and in the Securitized Utility Tariff Bonds;

Issuer, adversely affect in any material respect the interests of the Holders of the Securitized Utility Tariff Bonds and (B) the Rating Agency Condition shall have been satisfied with respect thereto;

- (vi) to evidence and provide for the acceptance of the appointment hereunder by a successor trustee with respect to the Securitized Utility Tariff Bonds and to add to or change any of the provisions of this Indenture as shall be necessary to facilitate the administration of the trusts hereunder by more than one trustee, pursuant to the requirements of Article VI;
- (vii) to modify, eliminate or add to the provisions of this Indenture to such extent as shall be necessary to effect the qualification of this Indenture under the TIA or under any similar or successor federal statute hereafter enacted and to add to this Indenture such other provisions as may be expressly required by the TIA;

The Indenture Trustee is hereby authorized to join in the execution of any such supplemental indenture and to make any further appropriate agreements and stipulations that may be therein contained.

(b) The Issuer and the Indenture Trustee, when authorized by an Issuer Order, may, also without the consent of any of the Holders of the Securitized Utility Tariff Bonds, enter into an indenture or indentures supplemental hereto for the purpose of adding any provisions to, or changing in any manner or eliminating any of the provisions of, this Indenture or of modifying in any manner the rights of the Holders of the Securitized Utility Tariff Bonds under this Indenture; provided, however, that (i) such action shall not, as evidenced by an Opinion of Counsel of nationally recognized counsel of the Issuer experienced in structured finance transactions, adversely affect in any material respect the interests of the Holders and (ii) the Rating Agency Condition shall have been satisfied with respect thereto.

SECTION 9.02. Supplemental Indentures with Consent of Holders.

(a) The Issuer and the Indenture Trustee, when authorized by an Issuer Order, also may, with prior notice to the Rating Agencies and with the consent of the Holders of not less than a majority of the Outstanding Amount of the Securitized Utility Tariff Bonds of each Tranche to be adversely affected, by Act of such Holders delivered to the Issuer and the Indenture Trustee, enter into an indenture or indentures supplemental hereto for the purpose of adding any provisions to, or changing in any manner or eliminating any of the provisions of, this Indenture or of modifying in any manner the rights of the Holders of the Securitized Utility Tariff Bonds under this Indenture; provided, however, that no such supplemental indenture shall, without the consent of the Holder of each Outstanding Securitized Utility Tariff Bond of each Tranche affected thereby:

- (i) change the date of payment of any installment of principal of or premium, if any, or interest on any Securitized Utility Tariff Bond of such Tranche, or reduce the principal amount thereof, the interest rate thereon or premium, if any, with respect thereto, change the provisions of this Indenture and the Series Supplement relating to the application of collections on, or the proceeds of the sale of, the Securitized Utility Tariff Bond Collateral to payment of principal of or premium, if any, or interest on the Securitized Utility Tariff Bonds, or change any place of payment where, or the coin or currency in which, any Securitized Utility Tariff Bond or the interest thereon is payable;
- (ii) reduce the percentage of the Outstanding Amount of the Securitized Utility Tariff Bonds or of a Tranche thereof, the consent of the Holders of which is required for any such supplemental indenture, or the consent of the Holders of which is required for any waiver of compliance with certain provisions of this Indenture or certain defaults hereunder and their consequences provided for in this Indenture or modify certain aspects of the definition of the term “outstanding”;
- (iii) reduce the percentage of the Outstanding Amount of the Securitized Utility Tariff Bonds required to direct the Indenture Trustee to direct the Issuer to sell or liquidate the Securitized Utility Tariff Bond Collateral pursuant to Section 5.04;

- (vi) decrease the Required Capital Level;
- (vii) permit the creation of any Lien ranking prior to or on a parity with the Lien of this Indenture with respect to any part of the Securitized Utility Tariff Bond Collateral or, except as otherwise permitted or contemplated herein, terminate the Lien of this Indenture on any property at any time subject hereto or deprive the Holder of any Securitized Utility Tariff Bond of the security provided by the Lien of this Indenture;
- (viii) cause any material adverse federal income tax consequence to the Seller, the Issuer, the Managers, the Indenture Trustee or the then existing Holders; or
- (ix) impair the right to institute suit for the enforcement of the provisions of this Indenture regarding payment or application of funds.

(b) It shall not be necessary for any Act of Holders under this Section 9.02 to approve the particular form of any proposed supplemental indenture, but it shall be sufficient if such Act shall approve the substance thereof.

(c) Promptly after the execution by the Issuer and the Indenture Trustee of any supplemental indenture pursuant to this Section 9.02, the Issuer shall send to the Rating Agencies a copy of such supplemental indenture and to the Holders of the Securitized Utility Tariff Bonds to which such supplemental indenture relates either a copy of such supplemental indenture or a notice setting forth in general terms the substance of such supplemental indenture. Any failure of the Issuer to send such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such supplemental indenture.

SECTION 9.03. Reserved.

SECTION 9.04. Execution of Supplemental Indentures.

In executing any supplemental indenture permitted by this Article IX or the modifications thereby of the trust created by this Indenture, the Indenture Trustee shall be entitled to receive, and subject to Sections 6.01 and 6.02, shall be fully protected in relying upon, an Officer's Certificate and Opinion of Counsel stating that the execution of such supplemental indenture is authorized or permitted by this Indenture and all conditions precedent have been satisfied. The Indenture Trustee may, but shall not be obligated to, enter into any such supplemental indenture that affects the Indenture Trustee's own rights, duties, liabilities or immunities under this Indenture or otherwise.

SECTION 9.05. Effect of Supplemental Indenture.

Upon the execution of any supplemental indenture pursuant to the provisions hereof, this Indenture shall be and be deemed to be modified and amended in accordance therewith with

respect to each Tranche of Securitized Utility Tariff Bonds affected thereby, and the respective rights, limitations of rights, obligations, duties, liabilities and immunities under this Indenture of the Indenture Trustee, the Issuer and the Holders shall thereafter be determined, exercised and enforced hereunder subject in all respects to such modifications and amendments, and all the terms and conditions of any such supplemental indenture shall be and be deemed to be part of the terms and conditions of this Indenture for any and all purposes.

SECTION 9.06. Conformity with Trust Indenture Act.

Every amendment of this Indenture and every supplemental indenture executed pursuant to this Article IX shall conform to the requirements of the TIA as then in effect so long as this Indenture shall then be qualified under the TIA.

SECTION 9.07. Reference in Securitized Utility Tariff Bonds to Supplemental Indentures.

Securitized Utility Tariff Bonds authenticated and delivered after the execution of any supplemental indenture pursuant to this Article IX may bear a notation as to any matter provided for in such supplemental indenture. If the Issuer shall so determine, new Securitized Utility Tariff Bonds so modified as to conform, in the opinion of the Issuer, to any such supplemental indenture may be prepared and executed by the Issuer and authenticated and delivered by the Indenture Trustee in exchange for Outstanding Securitized Utility Tariff Bonds.

ARTICLE X

MISCELLANEOUS

SECTION 10.01. Compliance Certificates and Opinions, etc.

(a) Upon any application or request by the Issuer to the Indenture Trustee to take any action under any provision of this Indenture, the Issuer shall furnish to the Indenture Trustee (i) an Officer's Certificate stating that all conditions precedent, if any, provided for in this Indenture relating to the proposed action have been complied with, (ii) an Opinion of Counsel stating that in the opinion of such counsel all such conditions precedent, if any, have been complied with and (iii) (if required by the TIA) an Independent Certificate from a firm of registered public accountants meeting the applicable requirements of this Section 10.01, except that, in the case of any such application or request as to which the furnishing of such documents is specifically required by any provision of this Indenture, no additional certificate or opinion need be furnished.

(b) Every certificate or opinion with respect to compliance with a condition or covenant provided for in this Indenture shall include:

- (i) a statement that each signatory of such certificate or opinion has read or has caused to be read such covenant or condition and the definitions herein relating thereto;

- (ii) a brief statement as to the nature and scope of the examination or investigation upon which the statements or opinions contained in such certificate or opinion are based;
- (iii) a statement that, in the opinion of each such signatory, such signatory has made such examination or investigation as is necessary to enable such signatory to express an informed opinion as to whether or not such covenant or condition has been complied with; and
- (iv) a statement as to whether, in the opinion of each such signatory, such condition or covenant has been complied with.

(c) (i) Prior to the deposit of any Securitized Utility Tariff Bond Collateral or other property or securities with the Indenture Trustee that is to be made the basis for the release of any property or securities subject to the Lien of this Indenture, the Issuer shall, in addition to any obligation imposed in Section 10.01(a) or elsewhere in this Indenture, furnish to the Indenture Trustee an Officer's Certificate certifying or stating the opinion of each person signing such certificate as to the fair value (within ninety (90) days of such deposit) to the Issuer of the Securitized Utility Tariff Bond Collateral or other property or securities to be so deposited.

- (ii) Whenever the Issuer is required to furnish to the Indenture Trustee an Officer's Certificate certifying or stating the opinion of any signer thereof as to the matters described in clause (c) above, the Issuer shall also deliver to the Indenture Trustee an Independent Certificate as to the same matters, if the fair value to the Issuer of the securities to be so deposited and of all other such securities made the basis of any such withdrawal or release since the commencement of the then-current fiscal year of the Issuer, as set forth in the certificates delivered pursuant to clause (c) above and this clause (ii), is ten percent or more of the Outstanding Amount of the Securitized Utility Tariff Bonds, but such a certificate need not be furnished with respect to any securities so deposited, if the fair value thereof to the Issuer as set forth in the related Officer's Certificate is less than the lesser of (A) \$25,000 or (B) one percent of the Outstanding Amount of the Securitized Utility Tariff Bonds.
- (iii) Whenever any property or securities are to be released from the Lien of this Indenture other than pursuant to Section 8.02(e), the Issuer shall also furnish to the Indenture Trustee an Officer's Certificate certifying or stating the opinion of each person signing such certificate as to the fair value (within ninety (90) days of such release) of the property or securities proposed to be released and stating that in the opinion of such person the proposed release will not impair the security under this Indenture in contravention of the provisions hereof.
- (iv) Whenever the Issuer is required to furnish to the Indenture Trustee an Officer's Certificate certifying or stating the opinion of any signatory thereof as to the matters described in clause (iii) above, the Issuer shall also

furnish to the Indenture Trustee an Independent Certificate as to the same matters if the fair value of the property or securities with respect thereto, or securities released from the Lien of this Indenture (other than pursuant to Section 8.02(e)) since the commencement of the then-current calendar year, as set forth in the certificates required by clause (iii) above and this clause (iv), equals 10 percent or more of the Outstanding Amount of the Securitized Utility Tariff Bonds, but such certificate need not be furnished in the case of any release of property or securities if the fair value thereof as set forth in the related Officer's Certificate is less than the lesser of (A) \$25,000 or (B) one percent of the then Outstanding Amount of the Securitized Utility Tariff Bonds.

SECTION 10.02. Form of Documents Delivered to Indenture Trustee.

(a) In any case where several matters are required to be certified by, or covered by an opinion of, any specified Person, it is not necessary that all such matters be certified by, or covered by the opinion of, only one such Person, or that they be so certified or covered by only one document, but one such Person may certify or give an opinion with respect to some matters and one or more other such Persons as to other matters, and any such Person may certify or give an opinion as to such matters in one or several documents.

(b) Any certificate or opinion of a Responsible Officer of the Issuer may be based, insofar as it relates to legal matters, upon a certificate or opinion of, or representations by, counsel, unless such officer knows, or in the exercise of reasonable care should know, that the certificate or opinion or representations with respect to the matters upon which his or her certificate or opinion is based are erroneous. Any Opinion of Counsel may be based, insofar as it relates to factual matters (including financial and capital markets), upon a certificate or opinion of, or representations by, an officer or officers of the Servicer or the Issuer and other documents necessary and advisable in the judgment of counsel delivering such Opinion of Counsel.

(c) Whenever in this Indenture, in connection with any application or certificate or report to the Indenture Trustee, it is provided that the Issuer shall deliver any document as a condition of the granting of such application, or as evidence of the Issuer's compliance with any term hereof, it is intended that the truth and accuracy, at the time of the granting of such application or at the effective date of such certificate or report (as the case may be), of the facts and opinions stated in such document shall in such case be conditions precedent to the right of the Issuer to have such application granted or to the sufficiency of such certificate or report. The foregoing shall not, however, be construed to affect the Indenture Trustee's right to rely conclusively upon the truth and accuracy of any statement or opinion contained in any such document as provided in Article VI.

(d) Where any Person is required to make, give or execute two or more applications, requests, consents, certificates, statements, opinions or other instruments under this Indenture, they may, but need not, be consolidated and form one instrument.

SECTION 10.03. Acts of Holders.

(a) Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or taken by Holders may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Holders in person or by agents duly appointed in writing; and except as herein otherwise expressly provided such action shall become effective when such instrument or instruments are delivered to the Indenture Trustee, and, where it is hereby expressly required, to the Issuer. Such instrument or instruments (and the action embodied therein and evidenced thereby) are herein sometimes referred to as the “Act” of the Holders signing such instrument or instruments. Proof of execution of any such instrument or of a writing appointing any such agent shall be sufficient for any purpose of this Indenture and (subject to Section 6.01) conclusive in favor of the Indenture Trustee and the Issuer, if made in the manner provided in this Section 10.03.

(b) The fact and date of the execution by any Person of any such instrument or writing may be proved in any manner that the Indenture Trustee deems sufficient.

(c) The ownership of Securitized Utility Tariff Bonds shall be proved by the Securitized Utility Tariff Bond Register.

(d) Any request, demand, authorization, direction, notice, consent, waiver or other action by the Holder of any Securitized Utility Tariff Bonds shall bind the Holder of every Securitized Utility Tariff Bond issued upon the registration thereof or in exchange therefor or in lieu thereof, in respect of anything done, omitted or suffered to be done by the Indenture Trustee or the Issuer in reliance thereon, whether or not notation of such action is made upon such Securitized Utility Tariff Bond .

SECTION 10.04. Notices, etc., to Indenture Trustee, Issuer and Rating Agencies.

(a) Any request, demand, authorization, direction, notice, consent, waiver or Act of Holders or other documents provided or permitted by this Indenture to be made upon, given or furnished to or filed with:

- (i) the Indenture Trustee by any Holder or by the Issuer shall be sufficient for every purpose hereunder if made, given, furnished or filed in writing by facsimile or other electronic communication, first-class mail or overnight delivery service to or with the Indenture Trustee at the Corporate Trust Office;
- (ii) the Issuer by the Indenture Trustee or by any Holder shall be sufficient for every purpose hereunder if in writing and mailed, first-class, postage prepaid, to the Issuer addressed to: Evergy Missouri West Storm Funding I, LLC, 818 S. Kansas Avenue, Topeka, Kansas 66612, Attention: Heather A. Humphrey, Telephone: (816) 556-2200, or at any other address previously

furnished in writing to the Indenture Trustee by the Issuer. The Issuer shall promptly transmit any notice received by it from the Holders to the Indenture Trustee; or

- (iii) the MPSC by the Seller, the Issuer or the Indenture Trustee shall be sufficient for every purpose hereunder if in writing and mailed, first-class, postage prepaid, to the MPSC addressed to: Missouri Public Service Commission at P.O. Box 360; 200 Madison Street; Jefferson City, Missouri 65101-0360, Attention: Secretary and Chief RLJ.

(b) Notices required to be given to the Rating Agencies by the Issuer or the Indenture Trustee shall be in writing, facsimile, personally delivered or mailed by certified mail, return receipt requested to:

- (i) in the case of Moody's, to: Moody's Investors Service, Inc., ABS/RMBS Monitoring Department, 24th Floor, 7 World Trade Center, 250 Greenwich Street, New York, New York 10007, Email: ServicerReports@moodys.com (all such notices to be delivered to Moody's in writing by email);
- (ii) in the case of Standard & Poor's, to S&P Global Ratings, a division of S&P Global Inc., Structured Credit Surveillance, 55 Water Street, New York, New York 10041, Telephone: (212) 438-8991, Email: servicer_reports@spglobal.com (all such notices to be delivered to Standard & Poor's in writing by email); and
- (iii) as to each of the foregoing, at such other address as shall be designated by written notice to the other parties.

Any notice, report or other communication given hereunder may be in writing and addressed as follows or to the extent receipt is confirmed telephonically sent by Electronic Means to the address provided above.

The Indenture Trustee shall have the right to accept and act upon instructions, including funds transfer instructions ("Instructions") given pursuant to this Indenture and the Basic Documents and delivered using Electronic Means; provided, however, that the Issuer shall provide to the Indenture Trustee an incumbency certificate listing officers with the authority to provide such Instructions ("Authorized Officers") and containing specimen signatures of such Authorized Officers, which incumbency certificate shall be amended by the Issuer whenever a person is to be added or deleted from the listing. If the Issuer elects to give the Indenture Trustee using Electronic Means and the Indenture Trustee in its discretion elects to act upon such Instructions, the Indenture Trustee's understanding of such Instructions shall be deemed controlling. The Indenture Trustee shall not be liable for any losses, costs or expenses arising directly or indirectly from the Indenture Trustee's reliance upon and compliance with such Instructions notwithstanding such directions conflict or are inconsistent with a subsequent written instruction. The Issuer agrees (i) to assume all risks arising out of the use of Electronic Means to submit Instructions to the Indenture Trustee, including without limitation the risk of the Indenture Trustee acting on unauthorized Instructions,

and the risk or interception and misuse by third parties; and (ii) to notify the Indenture Trustee immediately upon learning of any compromise or unauthorized use of the security procedures.

SECTION 10.05. Notices to Holders; Waiver.

(a) Where this Indenture provides for notice to Holders of any event, such notice shall be sufficiently given (unless otherwise herein expressly provided) if in writing and mailed, first-class, postage prepaid to each Holder affected by such event, at such Holder's address as it appears on the Securitized Utility Tariff Bond Register, not later than the latest date, and not earlier than the earliest date, prescribed for the giving of such notice. In any case where notice to Holders is given by mail, neither the failure to mail such notice nor any defect in any notice so mailed to any particular Holder shall affect the sufficiency of such notice with respect to other Holders, and any notice that is mailed in the manner herein provided shall conclusively be presumed to have been duly given.

(b) Where this Indenture provides for notice in any manner, such notice may be waived in writing by any Person entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Holders shall be filed with the Indenture Trustee but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such a waiver.

(c) In case, by reason of the suspension of regular mail service as a result of a strike, work stoppage or similar activity, it shall be impractical to mail notice of any event of Holders when such notice is required to be given pursuant to any provision of this Indenture, then any manner of giving such notice as shall be satisfactory to the Indenture Trustee shall be deemed to be a sufficient giving of such notice.

(d) Where this Indenture provides for notice to the Rating Agencies, failure to give such notice shall not affect any other rights or obligations created hereunder, and shall not under any circumstance constitute a Default or Event of Default.

SECTION 10.06. Rule 17g-5 Compliance.

Subject to Section 6.05 and Article VII, the Issuer hereby appoints the Servicer, and the Servicer, as an independent contractor, hereby accepts such appointment, to perform the Servicer’s obligations pursuant to this Agreement on behalf of and for the benefit of the Issuer or any assignee thereof in accordance with the terms of this Agreement and applicable law. Anything to the contrary notwithstanding, the duties of the Servicer set forth in this Servicing Agreement shall be qualified and limited in their entirety by any MPSC Regulations, the Securitization Law, the Financing Order and the U.S. federal securities laws and the rules and regulations promulgated thereunder, including Regulation AB, as in effect at the time such duties are to be performed. Without limiting the generality of this Section 3.01(a), in furtherance of the foregoing, the Servicer hereby agrees that it shall also have, and shall comply with, the duties and responsibilities relating to data acquisition, usage and bill calculation, billing, customer service functions, collections, payment processing and remittance set forth in Annex I hereto, as it may be amended from time to time. (c) Opinions of Counsel. The Servicer shall deliver to the Issuer and the Indenture Trustee:

(i) promptly after the execution and delivery of this Agreement and of each amendment hereto, an Opinion of Counsel from external counsel of the Issuer either (A) to the effect that, in the opinion of such counsel, all filings, including filings with the MPSC and the Missouri Secretary of State and all filings pursuant to the UCC, that are necessary under the UCC and the Securitization Law to perfect or maintain, as applicable, the Liens of the Indenture Trustee in the Securitized Utility Tariff Property have been authorized, executed and filed, and reciting the details of such filings or referring to prior Opinions of Counsel in which such details are given, or (B) to the effect that, in the opinion of such counsel, no such action shall be necessary to preserve, protect and perfect such Liens; and

Each Opinion of Counsel referred to in clause (i) or (ii) above shall specify any action necessary (as of the date of such opinion) to be taken in the following year to perfect or maintain, as applicable, such interest or Lien.

SECTION 3.02. Servicing and Maintenance Standards.

On behalf of the Issuer, the Servicer shall (a) manage, service, administer, bill, collect and calculate Securitized Utility Tariff Charges in accordance with the Securitization Law and post collections in respect of the Securitized Utility Tariff Property with reasonable care and in material compliance with applicable Requirements of Law, including all applicable MPSC Regulations and guidelines, using the same degree of care and diligence that the Servicer exercises with respect to similar assets for its own account and, if applicable, for others; (b) follow customary standards, policies and procedures for the industry in Missouri in performing its duties as Servicer; (c) use all reasonable efforts, consistent with its customary servicing procedures, to enforce, and maintain rights in respect of, the Securitized Utility Tariff Property and to bill and collect the Securitized Utility Tariff Charges; (d) comply with all Requirements of Law, including all applicable MPSC Regulations and guidelines, applicable to and binding on it relating to the Securitized Utility Tariff Property; (e) file all MPSC notices described in the Securitization Law and file and maintain the effectiveness of UCC financing statements with respect to the property transferred under the Sale Agreement, and (f) take such other action on behalf of the Issuer to ensure that the Lien of the Indenture Trustee on the Securitized Utility Tariff Collateral remains perfected and of first priority. The Servicer shall follow such customary and usual practices and procedures as it shall deem necessary or advisable in its servicing of all or any portion of the Securitized Utility Tariff Property, which, in the Servicer's judgment, may include the taking of legal action, at the Issuer's expense but subject to the priority of payments set forth in Section 8.02(e) of the Indenture.

SECTION 3.03. Annual Reports on Compliance with Regulation AB.

(a) The Servicer shall deliver to the Issuer, the Indenture Trustee and the Rating Agencies, on or before the earlier of (A) March 31 of each year or (B) with respect to each calendar year during which the Depositor's annual report on Form 10-K is required to be filed in accordance with the Exchange Act and the rules and regulations thereunder, the date on which the annual report on Form 10-K is required to be filed in accordance with the Exchange Act and the rules and regulations thereunder, a certificate from a Responsible Officer of the Servicer (each such certificate, a "Servicer's Regulation AB Certificate") (i) containing, and certifying as to, the statements of compliance required by Item 1123 (or any successor or similar items or rule) of Regulation AB, as then in effect and (ii) containing, and certifying as to, the statements and assessment of compliance required by Item 1122(a) (or any successor or similar items or rule) of Regulation AB, as then in effect. The parties acknowledge that the Indenture Trustee's certifications shall be limited to the Item 1122 certifications described in Exhibit C attached to the Indenture.

(c) The initial Servicer, in its capacity as Depositor, shall post on its website and file with or furnish to the SEC, in periodic reports and other reports as are required from

(i) Notification of True-Up Adjustments. Whenever the Servicer submits a true-up adjustment filing to the MPSC, the Servicer shall send a copy of such submission or notice (together with a copy of all notices and documents which, in the Servicer's reasonable judgment, are material to the adjustments effected by such filing) to the Issuer, the Indenture Trustee and the Rating Agencies concurrently therewith. If, for any reason any revised Securitized Utility Tariff Charges are not implemented and effective on the applicable date set forth herein, the Servicer shall notify the Issuer, the Indenture Trustee and each Rating Agency by the end of the second Servicer Business Day after such applicable date.

(ii) Semi-Annual Servicer's Certificate. Not later than five (5) Servicer Business Days prior to each Payment Date or Special Payment Date, the Servicer shall deliver a written report substantially in the form of Exhibit B attached hereto (the "Semi-Annual Servicer's Certificate") to the Issuer, the Indenture Trustee and the Rating Agencies which shall include all of the following information (to the extent applicable and including any other information so specified in the Series Supplement) as to the Securitized Utility Tariff Bonds with respect to such Payment Date or Special Payment Date or the period since the previous Payment Date, as applicable:

- (a) the amount of the payment to Holder allocable to principal, if any;
- (b) the amount of the payment to Holders allocable to interest;
- (c) the aggregate Outstanding Amount of the Securitized Utility Tariff Bonds, before and after giving effect to any payments allocated to principal reported under clause (a) above;
- (d) the difference, if any, between the amount specified in clause (c) above and the Outstanding Amount specified in the Expected Amortization Schedule;
- (e) any other transfers and payments to be made on such Payment Date or Special Payment Date, including amounts paid to the Indenture Trustee and to the Servicer; and

(f) the amounts on deposit in the Capital Subaccount and the Excess Funds Subaccount, after giving effect to the foregoing payments.

(iii) Reports to Customers.

(a) After each revised Securitized Utility Tariff Charge has gone into effect pursuant to a True-Up Adjustment, the Servicer shall, to the extent and in the manner and time frame required by applicable MPSC Regulations, if any, cause to be prepared and delivered to Customers any required notices announcing such revised Securitized Utility Tariff Charges.

(b) The Servicer shall comply with the requirements of the Financing Order with respect to the identification of Securitized Utility Tariff Charges on Bills. As provided in the Financing Order, Securitized Utility Tariff Charges shall be identified as a separate line item on Bills which include both the rate and the amount of the Securitized Utility Tariff Charge.

(iv) Reconciliation Certificates. The Servicer shall provide to the Indenture Trustee within sixty (60) days of each Payment Date, a Reconciliation Certificate in the form of Exhibit D hereto, in accordance with Section 6.11(c) of this Agreement.

SECTION 4.02. Limitation of Liability.

(a) The Issuer and the Servicer expressly agree and acknowledge that:

(i) In connection with any True-Up Adjustment, the Servicer is acting solely in its capacity as the servicing agent hereunder.

(ii) Neither the Servicer nor the Issuer nor the Indenture Trustee is responsible in any manner for, and shall have no liability whatsoever as a result of, any action, decision, ruling or other determination made or not made, or any delay (other than any delay resulting from the Servicer's failure to make any filings required by Section 4.01 in a timely and correct manner or any breach by the Servicer of its duties under this Agreement), by the MPSC in any way related to the Securitized Utility Tariff Property or in connection with any True-Up Adjustment, the subject of any filings under Section 4.01, any proposed True-Up Adjustment, or the approval of any revised Securitized Utility Tariff Charges and the scheduled adjustments thereto.

(iii) Except to the extent the Servicer is liable under Section 6.02, the Servicer shall have no liability whatsoever relating to the calculation of any revised Securitized Utility Tariff Charges and the scheduled adjustments thereto, including as a result of any inaccuracy of any of the assumptions made in such calculation regarding expected energy usage volume, the Average Days Sales Outstanding, or system-wide write-offs, so long as the Servicer has acted in good faith and has not acted in a grossly negligent manner in connection therewith, nor shall the Servicer have any liability whatsoever as a result of any Person,

including the Bondholders, not receiving any payment, amount or return anticipated or expected or in respect of any Securitized Utility Tariff Bond generally, except only to the extent that the same is caused by the Servicer's gross negligence, willful misconduct or bad faith.

(b) Notwithstanding the foregoing, this Section 4.02 shall not relieve the Servicer of liability for any misrepresentation by the Servicer under Section 6.01 or for any breach by the Servicer of its other obligations under this Agreement.

ARTICLE V THE SECURITIZED UTILITY TARIFF PROPERTY

SECTION 5.01. Custody of Securitized Utility Tariff Property Records.

To assure uniform quality in servicing the Securitized Utility Tariff Property and to reduce administrative costs, the Issuer hereby revocably appoints the Servicer, and the Servicer hereby accepts such appointment, to act as the agent of the Issuer as custodian of any and all documents and records that the Servicer shall keep on file, in accordance with its customary procedures, relating to the Securitized Utility Tariff Property, including copies of the Financing Order, Issuance Advice Letter and true-up adjustment filings, relating thereto and all documents filed with the MPSC in connection with any True-Up Adjustment and computational records relating thereto (collectively, the "Securitized Utility Tariff Property Records"), which are hereby constructively delivered to the Indenture Trustee, as pledgee of the Issuer with respect to all Securitized Utility Tariff Property.

SECTION 5.02. Duties of Servicer as Custodian.

(a) Safekeeping. The Servicer shall hold the Securitized Utility Tariff Property Records on behalf of the Issuer and maintain such accurate and complete accounts, records and computer systems pertaining to the Securitized Utility Tariff Property Records as shall enable the Issuer and the Indenture Trustee, as applicable, to comply with this Agreement, the Sale Agreement and the Indenture. In performing its duties as custodian, the Servicer shall act with reasonable care, using that degree of care and diligence that the Servicer exercises with respect to comparable assets that the Servicer services for itself or, if applicable, for others. The Servicer shall promptly report to the Issuer, the Indenture Trustee and the Rating Agencies any failure on its part to hold the Securitized Utility Tariff Property Records and maintain its accounts, records and computer systems as herein provided and promptly take appropriate action to remedy any such failure. Nothing herein shall be deemed to require an initial review or any periodic review by the Issuer or the Indenture Trustee of the Securitized Utility Tariff Property Records. The Servicer's duties to hold the Securitized Utility Tariff Property Records set forth in this Section 5.02, to the extent the Securitized Utility Tariff Property Records have not been previously transferred to a successor Servicer pursuant to Article VII, shall terminate one year and one day after the earlier of the date on which (i) the Servicer is succeeded by a successor Servicer in accordance with Article VII and (ii) no Securitized Utility Tariff Bonds are Outstanding.

(b) Maintenance of and Access to Records. The Servicer shall maintain the Securitized Utility Tariff Property Records at 1200 Main Street, Kansas City, Missouri 64105 or at such other office as shall be specified to the Issuer and the Indenture Trustee by written notice at least thirty (30) days prior to any change in location. The Servicer shall make available for inspection, audit and copying to the Issuer and the Indenture Trustee or their respective duly authorized representatives, attorneys or auditors the Securitized Utility Tariff Property Records at such times during normal business hours as the Issuer or the Indenture Trustee shall reasonably request and which do not unreasonably interfere with the Servicer's normal operations. Nothing in this Section 5.02(b) shall affect the obligation of the Servicer to observe any applicable law (including any MPSC Regulation) prohibiting disclosure of information regarding the Customers, and the failure of the Servicer to provide access to such information as a result of such obligation shall not constitute a breach of this Section 5.02(b).

(c) Release of Documents. Upon instruction from the Indenture Trustee in accordance with the Indenture, the Servicer shall release any Securitized Utility Tariff Property Records to the Indenture Trustee, the Indenture Trustee's agent or the Indenture Trustee's designee, as the case may be, at such place or places as the Indenture Trustee may designate, as soon as practicable. Nothing in this Section 5.02(c) shall affect the obligation of the Servicer to observe any applicable law (including any MPSC Regulation) prohibiting disclosure of information regarding the Customers, and the failure of the Servicer to provide access to such information as a result of such obligation shall not constitute a breach of this Section 5.02(c).

(d) Defending Securitized Utility Tariff Property Against Claims. The Servicer agrees to take such legal or administrative actions, including defending against or instituting and pursuing legal actions and appearing or testifying at hearings or similar proceedings, as may be reasonably necessary (i) to attempt to block or overturn any attempts to cause a repeal, modification or supplement to the Securitization Law or the Financing Order or the rights of holders of Securitized Utility Tariff Property by legislative enactment, voter initiative, constitutional amendment or other means that would be materially adverse to Bondholders and (ii) to compel performance by the MPSC or the State of Missouri of any of their obligations or duties under the Securitization Law, the Financing Order and any true-up adjustment. The costs of any such action shall be payable from Securitized Utility Tariff Charge Collections as an Operating Expense in accordance with the priorities set forth in Section 8.02(d) of the Indenture. The Servicer shall have no obligations under this paragraph if it is not being reimbursed on a current basis for its costs and expenses in taking such actions, and shall not be required to advance its own funds to satisfy its obligations hereunder).

(e) Seeking to Prevent Expansions of Exemptions. The Servicer agrees to take such legal or administrative actions, including defending against or instituting and pursuing legal actions and appearing or testifying at hearings or similar proceedings, as may be reasonably necessary to attempt to prevent the granting by the State of Missouri or the MPSC, after the Closing Date, of any material exemptions from the obligation to pay Securitized Utility Tariff Charges that are not expressly provided for in the Securitization Law and that violate the State Pledge or any other obligations of the State of Missouri or the MPSC under the Securitization Law or the Financing Order, including any failure of the MPSC to require any municipal entity which acquires any portion of the service territory of Evergy Missouri West to impose, collect and remit the Securitized Utility Tariff Charges. The Servicer shall have no obligations under

this paragraph if it is not being reimbursed on a current basis for its costs and expenses in taking such actions, and shall not be required to advance its own funds to satisfy its obligations hereunder.

SECTION 5.03. Custodian's Indemnification.

The Servicer as custodian shall indemnify the Issuer, any Independent Manager and the Indenture Trustee (for itself and for the benefit of the Holders) and each of their respective officers, directors, employees and agents for, and defend and hold harmless each such Person from and against, any and all liabilities, obligations, losses, damages, payments and claims, and reasonable costs or expenses, of any kind whatsoever (collectively, "Indemnified Losses") that may be imposed on, incurred by or asserted against each such Person as the result of any grossly negligent act or omission in any way relating to the maintenance and custody by the Servicer, as custodian, of the Securitized Utility Tariff Property Records; provided, however, that the Servicer shall not be liable for any portion of any such amount resulting from the willful misconduct, bad faith or negligence of the Issuer, any Independent Manager or the Indenture Trustee, as the case may be.

Indemnification under this Section 5.03 shall survive resignation or removal of the Indenture Trustee or any Independent Manager and shall include reasonable out-of-pocket fees and expenses of investigation and litigation (including reasonable attorney's fees and expenses and reasonable fees, out-of-pocket expenses and costs incurred in connection with any action, claim or suit brought to enforce the Indenture Trustee's right to indemnification).

SECTION 5.04. Effective Period and Termination.

The Servicer's appointment as custodian shall become effective as of the Closing Date and shall continue in full force and effect until terminated pursuant to this Section 5.04. If the Servicer shall resign as Servicer in accordance with Section 6.05 of this Agreement or if all of the rights and obligations of the Servicer shall have been terminated under Section 7.01, the appointment of the Servicer as custodian shall be terminated effective as of the date on which the termination or resignation of the Servicer is effective. Additionally, if not sooner terminated as provided above, the Servicer's obligations as custodian shall terminate one year and one day after the date on which no Securitized Utility Tariff Bonds are Outstanding.

ARTICLE VI
THE SERVICER

SECTION 6.01. Representations and Warranties of Servicer.

The Servicer makes the following representations and warranties, as of the Closing Date, and as of such other dates as expressly provided in this Section 6.01, on which the Issuer and the Indenture Trustee are deemed to have relied in entering into this Agreement relating to the servicing of the Securitized Utility Tariff Property. The representations and warranties shall survive the execution and delivery of this Agreement, the sale of any Securitized Utility Tariff Property and the pledge thereof to the Indenture Trustee pursuant to the Indenture.

(a) Organization and Good Standing. The Servicer is duly organized and validly existing and is in good standing under the laws of the State of Delaware, with the requisite corporate or other power and authority to own its properties and to conduct its business as such properties are currently owned and such business is presently conducted by it and to service the Securitized Utility Tariff Property and hold the Securitized Utility Tariff Property Records, and to execute, deliver and carry out the terms of this Agreement, and had at all relevant times, and has, the requisite power, authority and legal right to service the Securitized Utility Tariff Property and to hold the Securitized Utility Tariff Property Records as custodian.

(b) Due Qualification. The Servicer is duly qualified to do business and is in good standing, and has obtained all necessary licenses and approvals, in all jurisdictions in which the ownership or lease of property or the conduct of its business (including the servicing of the Securitized Utility Tariff Property as required by this Agreement) shall require such qualifications, licenses or approvals (except where the failure to so qualify would not be reasonably likely to have a material adverse effect on the Servicer's business, operations, assets, revenues or properties or to its servicing of the Securitized Utility Tariff Property).

(c) Power and Authority. The execution, delivery and performance of this Agreement has been duly authorized by all necessary action on the part of the Servicer under its organizational or governing documents and laws.

(d) Binding Obligation. This Agreement constitutes a legal, valid and binding obligation of the Servicer enforceable against the Servicer in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium, fraudulent transfer and other laws relating to or affecting creditors' rights generally from time to time in effect and to general principles of equity (including, without limitation, concepts of materiality, reasonableness, good faith and fair dealing), regardless of whether considered in a proceeding in equity or at law.

(e) No Violation. The consummation by the Servicer of the transactions contemplated by this Agreement and the fulfillment by the Servicer of the terms hereof shall not conflict with, result in any breach of any of the terms and provisions of, nor constitute (with or without notice or lapse of time) a material default under, the articles of incorporation or bylaws of the Servicer, or any indenture, material agreement or other instrument to which the Servicer is a party or by which it or any of its property is bound; nor result in the creation or imposition of any Lien upon any of its properties pursuant to the terms of any such indenture, agreement or other instrument other than the Basic Documents or any lien created pursuant to the Securitization Law; nor violate any existing law or any order, rule or regulation applicable to the Servicer of any court or of any Governmental Authority having jurisdiction over the Servicer or its properties.

(f) No Proceedings. There are no proceedings pending and, to the Servicer's knowledge, there are no proceedings threatened and, to the Servicer's knowledge, there are no investigations pending or threatened, before any Governmental Authority having jurisdiction over the Servicer or its properties involving or relating to the Servicer or the Issuer or, to the Servicer's knowledge, any other Person: (i) asserting the invalidity of this Agreement or any of the other Basic Documents, (ii) seeking to prevent the issuance of the Securitized Utility Tariff Bonds or the consummation of any of the transactions contemplated by this Agreement or any of

the other Basic Documents, (iii) seeking any determination or ruling that could reasonably be expected to materially and adversely affect the performance by the Servicer of its obligations under, or the validity or enforceability of, this Agreement, any of the other Basic Documents or the Securitized Utility Tariff Bonds or (iv) seeking to adversely affect the federal income tax or state income or franchise tax classification of the Securitized Utility Tariff Bonds as debt.

(g) Approvals. No approval, authorization, consent, order or other action of, or filing with, any court, Federal or state regulatory body, administrative agency or other governmental instrumentality is required in connection with the execution and delivery by the Servicer of this Agreement, the performance by the Servicer of the transactions contemplated hereby or the fulfillment by the Servicer of the terms hereof, except those that have been obtained or made and those that the Servicer is required to make in the future pursuant to Article IV hereof.

(h) Reports and Certificates. Each report or certificate delivered in connection with the Issuance Advice Letter or True-Up Adjustments will constitute a representation and warranty by the Servicer that each such report or certificate, as the case may be, is true and correct in all material respects; provided, however, that to the extent any such report or certificate is based in part upon or contains assumptions, forecasts or other predictions of future events, the representation and warranty of the Servicer with respect thereto will be limited to the representation and warranty that such assumptions, forecasts or other predictions of future events are reasonable based upon historical performance (and facts known to the Servicer on the date such report or certificate is delivered).

SECTION 6.02. Indemnities of Servicer; Release of Claims.

(a) The Servicer shall be liable in accordance herewith only to the extent of the obligations specifically undertaken by the Servicer under this Agreement.

(b) The Servicer shall indemnify the Issuer, the Indenture Trustee (for itself and for the benefit of the Holders) and the Independent Manager and each of their respective trustees, officers, directors, employees and agents (each, an “Indemnified Person”), for, and defend and hold harmless each such Person from and against, any and all Indemnified Losses imposed on, incurred by or asserted against any such Person as a result of (i) the Servicer’s willful misconduct, bad faith or gross negligence in the performance of, or reckless disregard of, its obligations and duties or observance of its covenants under this Agreement or (ii) the Servicer’s material breach of any of its representations or warranties that results in a Servicer Default under this Agreement, except to the extent of Indemnified Losses either resulting from the willful misconduct, bad faith or gross negligence of such Person seeking indemnification hereunder or resulting from a material breach of a representation or warranty made by such Person seeking indemnification hereunder in any of the Basic Documents that gives rise to the Servicer’s breach.

(c) For purposes of Section 6.02(b), in the event of the termination of the rights and obligations of Evergy Missouri West (or any successor thereto pursuant to Section 6.03) as Servicer pursuant to Section 7.01, or a resignation by such Servicer pursuant to this

Agreement, such Servicer shall be deemed to be the Servicer pending appointment of a successor Servicer pursuant to Section 7.02.

(d) Indemnification under this Section 6.02 shall survive any repeal of, modification of, or supplement to, or judicial invalidation of, the Securitization Law or the Financing Order and shall survive the resignation or removal of the Indenture Trustee or any Independent Manager or the termination of this Agreement and shall include reasonable out-of-pocket fees and expenses of investigation and litigation (including reasonable attorney's fees and expenses and the reasonable fees, out-of-pocket expenses and costs incurred in connection with any action, claim or suit brought to enforce the Indenture Trustee's right to indemnification).

(e) Except to the extent expressly provided in this Agreement or the other Basic Documents (including the Servicer's claims with respect to the Servicing Fee, reimbursement for any Excess Remittance, reimbursement for costs incurred pursuant to Section 5.02(d) and the payment of the purchase price of Securitized Utility Tariff Property), the Servicer hereby releases and discharges the Issuer, any Independent Manager and the Indenture Trustee, and each of their respective officers, directors and agents (collectively, the "Released Parties") from any and all actions, claims and demands whatsoever, whenever arising, which the Servicer, in its capacity as Servicer or otherwise, shall or may have against any such Person relating to the Securitized Utility Tariff Property or the Servicer's activities with respect thereto other than any actions, claims and demands arising out of the willful misconduct, bad faith or gross negligence of the Released Parties.

(f) Promptly after receipt by an Indemnified Person of notice (or, in the case of the Indenture Trustee, receipt of notice by a Responsible Officer only) of the commencement of any action, proceeding or investigation, such Indemnified Person shall, if a claim in respect thereof is to be made against the Servicer under this Section 6.02, notify the Servicer in writing of the commencement thereof. Failure by an Indemnified Person to so notify the Servicer shall relieve the Servicer from the obligation to indemnify and hold harmless such Indemnified Person under this Section 6.02 only to the extent that the Servicer suffers actual prejudice as a result of such failure. With respect to any action, proceeding or investigation brought by a third party for which indemnification may be sought under this Section 6.02, the Servicer shall be entitled to conduct and control, at its expense and with counsel of its choosing that is reasonably satisfactory to such Indemnified Person, the defense of any such action, proceeding or investigation (in which case the Servicer shall not thereafter be responsible for the fees and expenses of any separate counsel retained by the Indemnified Person except as set forth below); provided that the Indemnified Person shall have the right to participate in such action, proceeding or investigation through counsel chosen by it and at its own expense. Notwithstanding the Servicer's election to assume the defense of any action, proceeding or investigation, the Indemnified Person shall have the right to employ separate counsel (including local counsel), and the Servicer shall bear the reasonable fees, costs and expenses of such separate counsel if (i) the defendants in any such action include both the Indemnified Person and the Servicer and the Indemnified Person shall have reasonably concluded that there may be legal defenses available to it that are different from or additional to those available to the Servicer, (ii) the Servicer shall not have employed counsel reasonably satisfactory to the Indemnified Person to represent the Indemnified Person within a reasonable time after notice of the institution of such action, (iii) the Servicer shall authorize the Indemnified Person to employ separate counsel

at the expense of the Servicer or (iv) in the case of the Indenture Trustee, such action exposes the Indenture Trustee to a material risk of criminal liability or forfeiture or a Servicer Default has occurred and is continuing. Notwithstanding the foregoing, the Servicer shall not be obligated to pay for the fees, costs and expenses of more than one separate counsel for the Indemnified Persons other than one local counsel, if appropriate. The Servicer will not, without the prior written consent of the Indemnified Person, settle or compromise or consent to the entry of any judgment with respect to any pending or threatened claim, action, suit or proceeding in respect of which indemnification may be sought under this Section 6.02 (whether or not the Indemnified Person is an actual or potential party to such claim or action) unless such settlement, compromise or consent includes an unconditional release of the Indemnified Person from all liability arising out of such claim, action, suit or proceeding.

SECTION 6.03. Merger or Consolidation of, or Assumption of the Obligations of, Servicer.

Any Person (a) into which the Servicer may be merged or consolidated and that succeeds to all or substantially all of the electric distribution business of the Servicer, (b) that results from the division of the Servicer into two or more entities and succeeds to all or substantially all of the electric distribution business of the Servicer, (c) that may result from any merger or consolidation to which the Servicer shall be a party and succeeds to all or substantially all of the electric distribution business of the Servicer, or (d) that may otherwise succeed to all or substantially all of the electric distribution business of the Servicer, shall be the successor to the Servicer under this Agreement; provided, however, that (i) such successor must execute an agreement of assumption to perform every obligation of the Servicer hereunder, (ii) immediately after giving effect to such transaction, no Servicer Default and no event that, after notice or lapse of time, or both, would become a Servicer Default shall have occurred and be continuing, (iii) the Servicer shall have delivered to the Issuer, the Indenture Trustee and the Rating Agencies an Officers' Certificate and an Opinion of Counsel each stating that such consolidation, merger or succession and such agreement of assumption complies with this Section 6.03 and that all conditions precedent provided for in this Agreement relating to such transaction have been complied with and (iv) prior written notice shall have been delivered to the Rating Agencies. Notwithstanding anything herein to the contrary, the execution of the foregoing agreement of assumption and compliance with clauses (i) and (ii) above shall be conditions to the consummation of the transactions referred to in clauses (a), (b), (c) and (d) above. If all the conditions to any such assumption are met, then the prior Servicer will automatically be released from all of its obligations under this Agreement, other than those that specifically survive a termination of this Agreement.

SECTION 6.04. Limitation on Liability of Servicer and Others.

Neither the Servicer nor any of the directors or officers or employees or agents of the Servicer shall be liable to the Issuer, the Indenture Trustee, the Bondholders or any other Person, except as provided under this Agreement, for any action taken or for refraining from the taking of any action pursuant to this Agreement or for good faith errors in judgment; provided, however, that this provision shall not protect the Servicer or any such person against any liability that would otherwise be imposed by reason of willful misconduct, bad faith or gross negligence in the performance of duties or by reason of reckless disregard of obligations and duties under

this Agreement. The Servicer and any director, officer, employee or agent of the Servicer may rely in good faith on the advice of counsel or on any document of any kind, prima facie properly executed and submitted by any Person, respecting any matters arising under this Agreement.

Except as provided in this Agreement, the Servicer shall not be under any obligation to appear in, prosecute or defend any legal action that shall not be related to or incidental to its duties to service the Securitized Utility Tariff Property in accordance with this Agreement, and that in its opinion may involve it in any expense or liability; provided, however, that the Servicer may, in respect of any Proceeding, undertake any action that it is not specifically identified in this Agreement as a duty of the Servicer but that the Servicer reasonably determines is necessary or desirable in order to protect the rights and duties of the Issuer or the Indenture Trustee under this Agreement and the interests of the Holders and Customers under this Agreement. The Servicer's costs and expenses incurred in connection with any such proceeding shall be payable from Securitized Utility Tariff Charge Collections as an Operating Expense (and shall not be deemed to constitute a portion of the Servicing Fee) in accordance with the Indenture. The Servicer shall have no obligations under this paragraph if it is not being reimbursed on a current basis for its costs and expenses in taking such actions, and shall not be required to advance its own funds to satisfy its obligations hereunder.

SECTION 6.05. Evergy Missouri West Not to Resign as Servicer.

Subject to the provisions of Section 6.03, Evergy Missouri West shall not resign from the obligations and duties hereby imposed on it as Servicer under this Agreement except upon either (a) a determination by Evergy Missouri West that the performance of its duties under this Agreement shall no longer be permissible under applicable law or (b) satisfaction of the following: (i) the Rating Agency Condition shall have been satisfied and (ii) the MPSC shall have approved such resignation. Notice of any such determination permitting the resignation of Evergy Missouri West pursuant to clause (a) shall be communicated to the Issuer, the Indenture Trustee and the Rating Agencies at the earliest practicable time (and, if such communication is not in writing, shall be confirmed in writing at the earliest practicable time) and any such determination shall be evidenced by an Opinion of Counsel to such effect delivered to the Issuer and the Indenture Trustee, with a copy to the MPSC, concurrently with or promptly after such notice. No such resignation shall become effective until a successor Servicer shall have assumed the responsibilities and obligations of Evergy Missouri West in accordance with Section 7.02. No such resignation shall become effective until a successor Servicer shall have assumed the responsibilities and obligations of Evergy Missouri West in accordance with Section 7.02.

SECTION 6.06. Servicing Compensation.

(a) In consideration for its services hereunder, until the Retirement of the Securitized Utility Tariff Bonds, the Servicer shall receive an annual fee (the "Servicing Fee") in an amount equal to (i) 0.05% of the initial principal amount of the Securitized Utility Tariff Bonds for so long as Evergy Missouri West or an Affiliate of Evergy Missouri West is the Servicer or (ii) if Evergy Missouri West or any of its Affiliates is not the Servicer, an amount agreed upon by the Successor Servicer and the Indenture Trustee acting at the direction of the Holders of a majority of the Securitized Utility Tariff Bonds, provided that such fee shall not exceed 0.60% of the initial principal amount of the Securitized Utility Tariff Bonds unless such

higher rate is approved by the MPSC, plus, in either case, reasonable out-of-pocket administrative expenses to cover the Servicer's incremental costs and expenses in servicing the Securitized Utility Tariff Bond. The Servicing Fee owing shall be calculated based on the initial principal amount of the Securitized Utility Tariff Bonds and shall be paid semi-annually with half of the Servicing Fee being paid on each Payment Date (provided that the first payment may be adjusted for a longer or shorter first Payment Period). The Servicer also shall be entitled to retain as additional compensation (i) any interest earnings on Securitized Utility Tariff Charge Payments received by the Servicer and invested by the Servicer during each Collection Period prior to remittance to the Collection Account and (ii) all late payment charges, if any, collected from Customers; provided, however, that if the Servicer has failed to remit the Daily Remittance to the General Subaccount of any Collection Account on the Servicer Business Day that such payment is to be made pursuant to Section 6.11 on more than three (3) occasions during the period that the Securitized Utility Tariff Bonds are outstanding, then thereafter the Servicer will be required to pay to the Indenture Trustee interest on each Daily Remittance accrued at the Federal Funds Rate from the Servicer Business Day on which such Daily Remittance was required to be made to the date that such Daily Remittance is actually made.

(b) The Servicing Fee set forth in Section 6.06(a) shall be paid to the Servicer by the Indenture Trustee, on each Payment Date in accordance with the priorities set forth in Section 8.02(e) of the Indenture, by wire transfer of immediately available funds from the Collection Account to an account designated by the Servicer. Any portion of the Servicing Fee not paid on any such date should be added to the Servicing Fee payable on the subsequent Payment Date. In no event shall the Indenture Trustee be liable for the payment of any Servicing Fee or other amounts specified in this Section 6.06; provided that this Section 6.06 does not relieve the Indenture Trustee of any duties it has to allocate funds for payment for such fees under Section 8.02 of the Indenture.

(c) The foregoing Servicing Fees constitute a fair and reasonable price for the obligations to be performed by the Servicer. Such Servicing Fee shall be determined without regard to the income of the Issuer, shall not be deemed to constitute distributions to the recipient of any profit, loss or capital of the Issuer and shall be considered an Operating Expense of the Issuer subject to the limitations on such expenses set forth in the Financing Order.

SECTION 6.07. Compliance with Applicable Law.

The Servicer covenants and agrees, in servicing the Securitized Utility Tariff Property, to comply in all material respects with all laws applicable to, and binding upon, the Servicer and relating to the Securitized Utility Tariff Property the noncompliance with which would have a material adverse effect on the value of the Securitized Utility Tariff Property; provided, however, that the foregoing is not intended to, and shall not, impose any liability on the Servicer for noncompliance with any Requirement of Law that the Servicer is contesting in good faith in accordance with its customary standards and procedures.

SECTION 6.08. Access to Certain Records and Information Regarding Securitized Utility Tariff Property.

The Servicer shall provide to the Indenture Trustee access to the Securitized Utility Tariff Property Records as is reasonably required for the Indenture Trustee to perform its duties and obligations under the Indenture and the other Basic Documents, and shall provide access to such records to the Holders as required by applicable law. Access shall be afforded without charge, but only upon reasonable request and during normal business hours at the respective offices of the Servicer. Nothing in this Section 6.08 shall affect the obligation of the Servicer to observe any applicable law (including any MPSC Regulation) prohibiting disclosure of information regarding the Customers, and the failure of the Servicer to provide access to such information as a result of such obligation shall not constitute a breach of this Section 6.08.

SECTION 6.09. Appointments.

The Servicer may at any time appoint any Person to perform all or any portion of its obligations as Servicer hereunder; provided, however, that, unless such Person is an Affiliate of Evergy Missouri West, the Rating Agency Condition shall have been satisfied in connection therewith; provided further that the Servicer shall remain obligated and be liable under this Agreement for the servicing and administering of the Securitized Utility Tariff Property in accordance with the provisions hereof without diminution of such obligation and liability by virtue of the appointment of such Person and to the same extent and under the same terms and conditions as if the Servicer alone were servicing and administering the Securitized Utility Tariff Property. The fees and expenses of any such Person shall be as agreed between the Servicer and such Person from time to time and none of the Issuer, the Indenture Trustee, the Holders or any other Person shall have any responsibility therefor or right or claim thereto. Any such appointment shall not constitute a Servicer resignation under Section 6.05.

SECTION 6.10. No Servicer Advances.

The Servicer shall not make any advances of interest on or principal of the Securitized Utility Tariff Bonds.

SECTION 6.11. Remittances.

(a) On each Servicer Business Day, after the Billing Commencement Date, the Servicer shall remit to the General Subaccount of the Collection Account the total Estimated Securitized Utility Tariff Charge Collections estimated to have been received by the Servicer from or on behalf of Customers on such Servicer Business Day in respect of all previously billed Securitized Utility Tariff Charges (the “Daily Remittance”), which Daily Remittance shall be calculated according to the procedures set forth in Annex I and shall be remitted as soon as reasonably practicable but in no event later than the second Servicer Business Day after such payments are estimated to have been received. Prior to each remittance to the General Subaccount of the Collection Account pursuant to this Section 6.11, the Servicer shall provide written notice to the Indenture Trustee of each such remittance (including the exact dollar amount to be remitted). The Servicer shall also, promptly upon receipt, remit to the Collection Account any other proceeds of the Securitized Utility Tariff Bond Collateral which it may receive from time to time.

(b) The Servicer agrees and acknowledges that it holds all Securitized Utility Tariff Charge Payments collected by it and any other proceeds for the Securitized Utility Tariff Bond Collateral received by it for the benefit of the Indenture Trustee and the Holders and that all such amounts will be remitted by the Servicer in accordance with this Section 6.11 without any surcharge, fee, offset, charge or other deduction except (i) as set forth in clause (c) below and (ii) for late fees permitted by Section 6.06. The Servicer further agrees not to make any claim to reduce its obligation to remit all Securitized Utility Tariff Charge Payments collected by it in accordance with this Agreement except (i) as set forth in clause (c) below and (ii) for late fees permitted by Section 6.06.

(c) Not less often than semi-annually (except in the case of the first reconciliation after the first Payment Date, which may be longer than six months), the Servicer will compare Actual Securitized Utility Tariff Charge Collections to the Estimated Securitized Utility Tariff Charge Collections that have been remitted to the Indenture Trustee. Such reconciliation will be conducted within sixty (60) days of each Payment Date and reflected in a Reconciliation Certificate delivered to the Indenture Trustee in the form attached hereto as Exhibit D. The Servicer shall calculate the amount of any Remittance Shortfall or Excess Remittance for the immediately preceding Reconciliation Period, and (A) if a Remittance Shortfall exists, the Servicer shall make a supplemental remittance, to the General Subaccount of the Collection Account within ten (10) days, or (B) if an Excess Remittance exists, the Servicer will reduce the Daily Remittance(s) over the next month following the date of the Reconciliation Certificate to the Indenture Trustee. If there is a Remittance Shortfall, the amount which the Servicer remits to the General Subaccount of the Collection Account on the relevant date set forth above shall be increased by the amount of such Remittance Shortfall, such increase coming from the Servicer's own funds.

(d) The Servicer acknowledges and agrees that the Issuer is the owner of and has the legal right to all Securitized Utility Tariff Charges received by the Servicer, and that the daily and reconciliation calculations and remittances permitted by this Servicing Agreement, which are based upon estimates of the Securitized Utility Tariff Charges received by the Servicer, is made for convenience and cost effectiveness given the current billing system of the Servicer. The Servicer agrees that in the event any Servicer Default hereunder, the Servicer, upon demand of the Indenture Trustee (acting at the written direction of the Holders), will promptly, but not later than 60 days follow such request, provide to the Indenture Trustee a reconciliation of actual Securitized Utility Tariff Charges received by the Servicer and the Securitized Utility Tariff Charges remitted by the Servicer.

(e) Unless otherwise directed to do so by the Issuer, the Servicer shall be responsible for selecting Eligible Investments in which the funds in each Collection Account shall be invested pursuant to Section 8.03 of the Indenture.

ARTICLE VII DEFAULT

SECTION 7.01. Servicer Default.

If any one or more of the following events (each, a “Servicer Default”) shall occur and be continuing:

(a) any failure by the Servicer to remit to the Collection Account on behalf of the Issuer any required remittance that shall continue unremedied for a period of five (5) Business Days after written notice of such failure is received by the Servicer from the Issuer or the Indenture Trustee or after discovery of such failure by an officer of the Servicer; or

(b) any failure on the part of the Servicer or, so long as the Servicer is Evergy Missouri West or an Affiliate thereof, any failure on the part of Evergy Missouri West, as the case may be, duly to observe or to perform in any material respect any covenants or agreements of the Servicer or Evergy Missouri West, as the case may be, set forth in this Agreement (other than as provided in clause (a) of this Section 7.01) or any other Basic Document to which it is a party, which failure shall (i) materially and adversely affect the rights of the Holders and (ii) continue unremedied for a period of sixty (60) days after the date on which (A) written notice of such failure, requiring the same to be remedied, shall have been given to the Servicer or Evergy Missouri West, as the case may be, by the Issuer (with a copy to the Indenture Trustee) or to the Servicer or Evergy Missouri West, as the case may be, by the Indenture Trustee (acting at the written direction of the Holders) or (B) such failure is discovered by an officer of the Servicer; or

(c) any failure by the Servicer duly to perform its obligations under Section 4.01(b) of this Agreement in the time and manner set forth therein, which failure continues unremedied for a period of five (5) Business Days; or

(d) any representation or warranty made by the Servicer in this Agreement or any Basic Document shall prove to have been incorrect in a material respect when made, which has a material adverse effect on the Holders and which material adverse effect continues unremedied for a period of sixty (60) days after the date on which written notice thereof, requiring the same to be remedied, shall have been delivered to the Servicer (with a copy to the Indenture Trustee) by the Issuer or the Indenture Trustee (acting at the written direction of the Holders) after such failure is discovered by an officer of the Servicer; or

(e) an Insolvency Event occurs with respect to the Servicer or Evergy Missouri West;

then, and in each and every case, so long as the Servicer Default shall not have been remedied, either the Indenture Trustee, or the Holders of Securitized Utility Tariff Bonds evidencing not less than a majority of the Outstanding Amount of the Securitized Utility Tariff Bonds, by notice then given in writing to the Servicer (and to the Indenture Trustee if given by the Bondholders) (a “Termination Notice”) may terminate all the rights and obligations of the Servicer, subject to compliance with Section 7.02. In addition, upon a Servicer Default described in Section 7.01(a), each of the following shall be entitled to apply to the MPSC for sequestration and payment of revenues arising with respect to the Securitized Utility Tariff Property: (i) the Holders of any Securitized Utility Tariff Bonds and any Indenture Trustee or representative thereof as beneficiaries of any statutory or other Lien permitted by the Securitization Law; (ii) the Issuer or its assignees; or (iii) pledgees or transferees, including transferees under Section 393.1700.5(1)(c) of the Securitization Law, of the Securitized Utility Tariff Property. On or

after the receipt by the Servicer of a Termination Notice, all authority and power of the Servicer under this Agreement, whether with respect to the Securitized Utility Tariff Bonds, the Securitized Utility Tariff Property, the Securitized Utility Tariff Charges or otherwise, shall, without further action, pass to and be vested in such successor Servicer as may be appointed under Section 7.02; and, without limitation, the Indenture Trustee is hereby authorized and empowered to execute and deliver, on behalf of the predecessor Servicer, as attorney-in-fact or otherwise, any and all documents and other instruments, and to do or accomplish all other acts or things necessary or appropriate to effect the purposes of such Termination Notice, whether to complete the transfer of the Securitized Utility Tariff Property Records and related documents, or otherwise. The predecessor Servicer shall cooperate with the successor Servicer, the Issuer and the Indenture Trustee in effecting the termination of the responsibilities and rights of the predecessor Servicer under this Agreement, including the transfer to the successor Servicer for administration by it of all Securitized Utility Tariff Property Records and all cash amounts that shall at the time be held by the predecessor Servicer for remittance, or shall thereafter be received by it with respect to the Securitized Utility Tariff Property or the Securitized Utility Tariff Charges. As soon as practicable after receipt by the Servicer of such Termination Notice, the Servicer shall deliver the Securitized Utility Tariff Property Records to the successor Servicer. In case a successor Servicer is appointed as a result of a Servicer Default, all reasonable costs and expenses (including reasonable attorney's fees and expenses) incurred in connection with transferring the Securitized Utility Tariff Property Records to the successor Servicer and amending this Agreement to reflect such succession as Servicer pursuant to this Section 7.01 shall be paid by the predecessor Servicer upon presentation of reasonable documentation of such costs and expenses. Termination of Evergy Missouri West as Servicer shall not terminate Evergy Missouri West's rights or obligations under the Sale Agreement (except rights thereunder deriving from its rights as the Servicer hereunder).

SECTION 7.02. Appointment of Successor.

(a) Upon the Servicer's receipt of a Termination Notice pursuant to Section 7.01 or the Servicer's resignation or removal in accordance with the terms of this Agreement, the predecessor Servicer shall continue to perform its functions as Servicer under this Agreement, and shall be entitled to receive the requisite portion of the Servicing Fee, until a successor Servicer shall have assumed in writing the obligations of the Servicer hereunder as described below. In the event of the Servicer's termination, removal or resignation hereunder, the Issuer shall appoint a successor Servicer with the Indenture Trustee's prior written consent thereto (acting at the written direction and the consent, which shall not be unreasonably withheld, of the Holders of a majority of the Securitized Utility Tariff Bonds) and the written approval of the MPSC, and the successor Servicer shall accept its appointment by a written assumption in form acceptable to the Issuer and the Indenture Trustee. If within 30 days after the delivery of the Termination Notice, the Issuer shall not have obtained such a new Servicer, the Indenture Trustee may petition the MPSC or a court of competent jurisdiction to appoint a successor Servicer under this Agreement. A Person shall qualify as a successor Servicer only if (i) such Person is permitted under MPSC Regulations to perform the duties of the Servicer, (ii) the Rating Agency Condition shall have been satisfied and (iii) such Person enters into a servicing agreement with the Issuer having substantially the same provisions as this Agreement. In no event shall the Indenture Trustee be liable for its or the Issuer's appointment of a successor Servicer. The Indenture Trustee's expenses incurred under this Section 7.02(a) shall be at the

sole expense of the Issuer and payable from the Collection Account as provided in Section 8.02 of the Indenture.

(b) Upon appointment, the successor Servicer shall be the successor in all respects to the predecessor Servicer and shall be subject to all the responsibilities, duties and liabilities arising thereafter relating thereto placed on the predecessor Servicer and shall be entitled to the Servicing Fee and all the rights granted to the predecessor Servicer by the terms and provisions of this Agreement.

SECTION 7.03. Waiver of Past Defaults.

The Holders of Securitized Utility Tariff Bonds evidencing not less than a majority of the Outstanding Amount of the Securitized Utility Tariff Bonds may, on behalf of all Bondholders, direct the Indenture Trustee to waive in writing any default by the Servicer in the performance of its obligations hereunder and its consequences, except a default in making any required remittances to the Indenture Trustee for deposit into the Collection Account in accordance with this Agreement. Upon any such waiver of a past default, such default shall cease to exist, and any Servicer Default arising therefrom shall be deemed to have been remedied for every purpose of this Agreement. No such waiver shall extend to any subsequent or other default or impair any right consequent thereto.

SECTION 7.04. Notice of Servicer Default.

The Servicer shall deliver to the Issuer, the Indenture Trustee, the MPSC and the Rating Agencies, promptly after having obtained knowledge thereof, but in no event later than five (5) Business Days thereafter, written notice of any event which with the giving of notice or lapse of time, or both, would become a Servicer Default under Section 7.01.

ARTICLE VIII
MISCELLANEOUS PROVISIONS

SECTION 8.01. Amendment.

(a) This Agreement may be amended in writing by the Servicer and the Issuer with five Business Days' prior written notice given to the Rating Agencies, Indenture Trustee, and Bondholders evidencing not less than a majority of the outstanding amount of the Securitized Utility Tariff Bonds, (i) to cure any ambiguity, to correct or supplement any provisions in this Agreement, (ii) to add additional Securitized Utility Tariff Property under this Agreement or (iii) for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions in this Agreement or of modifying in any manner the rights of the Bondholders; provided, however, that any such amendment pursuant to clause (iii) shall not, as evidenced by an Officer's Certificate delivered to the Issuer and the Indenture Trustee, adversely affect in any material respect the interests of any Bondholder. For purposes of this paragraph (a), any amendment that increases the Servicing Fee payable to a successor Servicer shall not be treated as adversely affecting the interests of any Bondholder so long as the Servicing Fee is within the range approved in the Financing Order.

(b) This Agreement may also be amended in writing from time to time by the Servicer and the Issuer with prior written notice given to the Rating Agencies and the prior written consent of the Indenture Trustee and the prior written consent of the Holders of Securitized Utility Tariff Bonds evidencing not less than a majority of the Outstanding Amount of the Securitized Utility Tariff Bonds affected by any such amendment, for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Agreement or of modifying in any manner the rights of the Bondholders; provided, however, that no such amendment shall (i) increase or reduce in any manner the amount of, or accelerate or delay the timing of, Securitized Utility Tariff Charge Collections or (ii) reduce the aforesaid percentage of the Outstanding Amount of Securitized Utility Tariff Bonds, the Holders of which are required to consent to any such amendment, without the consent of the Holders of all the outstanding Securitized Utility Tariff Bonds.

Promptly after the execution of any such amendment and the requisite consents, the Issuer shall furnish written notification of the substance of such amendment to the Indenture Trustee and each of the Rating Agencies.

It shall not be necessary for the consent of Bondholders pursuant to this Section 8.01(b) to approve the particular form of any proposed amendment or consent, but it shall be sufficient if such consent shall approve the substance thereof.

(c) Prior to the execution of any amendment to this Agreement, the Issuer and the Indenture Trustee shall be entitled to receive and conclusively rely upon an Opinion of Counsel of external counsel stating that such amendment is authorized or permitted by this Agreement and that all conditions precedent have been satisfied and upon the Opinion of Counsel from external counsel referred to in Section 3.01(c)(i). The Issuer and the Indenture Trustee may, but shall not be obligated to, enter into any such amendment which affects their own rights, duties, indemnities or immunities under this Agreement or otherwise.

(d) Notwithstanding Sections 8.01(a) or 8.01(b), or anything to the contrary in this Agreement, the Servicer and the Issuer may amend Annex I to this Agreement in writing with prior written notice given to the Indenture Trustee, the MPSC and the Rating Agencies, but without the consent of the Indenture Trustee, the MPSC, any Rating Agency or any Bondholder, solely to address changes to the Servicer's method of calculating Securitized Utility Tariff Charge Payments received as a result of changes to the Servicer's current computerized customer information system or to address the manner of presenting Securitized Utility Tariff Charges on the Bills of Customers; provided that any such amendment shall not have or cause a material adverse effect on the Bondholders.

SECTION 8.02. Maintenance of Accounts and Records.

(a) The Servicer shall maintain accounts and records as to the Securitized Utility Tariff Property accurately and in accordance with its standard accounting procedures and in sufficient detail to permit reconciliation between Securitized Utility Tariff Charge Payments received by the Servicer and Securitized Utility Tariff Charge Collections from time to time deposited into the Collection Account.

(b) The Servicer shall permit the Indenture Trustee and its agents at any time during normal business hours, upon reasonable notice to the Servicer and to the extent it does not unreasonably interfere with the Servicer's normal operations, to inspect, audit and make copies of and abstracts from the Servicer's records regarding the Securitized Utility Tariff Property and the Securitized Utility Tariff Charges. Nothing in this Section 8.02(b) shall affect the obligation of the Servicer to observe any applicable law (including any MPSC Regulation) prohibiting disclosure of information regarding the Customers, and the failure of the Servicer to provide access to such information as a result of such obligation shall not constitute a breach of this Section 8.02(b).

SECTION 8.03. Notices.

Unless otherwise specifically provided herein, all notices, directions, consents and waivers required under the terms and provisions of, this Agreement shall be in writing and shall be effective (i) upon receipt when sent through the mails, registered or certified mail, return receipt requested, postage prepaid, with such receipt to be effective the date of delivery indicated on the return receipt, (ii) upon receipt when sent by an overnight courier, (iii) on the date personally delivered to an authorized officer of the party to which sent or (iv) on the date transmitted by facsimile or other electronic transmission with a confirmation of receipt in all cases, addressed as follows:

SECTION 8.06. Severability.

Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remainder of such provision (if any) or the remaining provisions hereof (unless such a construction shall be unreasonable), and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

SECTION 8.07. Separate Counterparts.

This Agreement may be executed by the parties hereto in separate counterparts, each of which when so executed and delivered shall be an original, but all such counterparts shall together constitute but one and the same instrument. The words “execution,” “signed,” “delivery,” and words of like import in or relating to this Agreement or any document to be signed in connection with this Agreement shall be deemed to include electronic signatures, deliveries or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, and the parties hereto consent to conduct the transactions contemplated hereunder by electronic means.

SECTION 8.08. Headings.

The headings of the various Articles and Sections herein are for convenience of reference only and shall not define or limit any of the terms or provisions hereof.

SECTION 8.09. Governing Law.

This Agreement shall be governed by, and construed and interpreted in accordance with, the laws of the State of Missouri, without reference to its conflict of law provisions, and the

obligations, rights and remedies of the parties hereunder shall be determined in accordance with such laws.

SECTION 8.10. Assignment to Indenture Trustee.

(a) The Servicer hereby acknowledges and consents to any mortgage, pledge, assignment and grant of a security interest by the Issuer to the Indenture Trustee for the benefit of the Secured Parties pursuant to the Indenture of any or all of the Issuer's rights hereunder and (b) in no event shall the Indenture Trustee have any liability for the representations, warranties, covenants, agreements or other obligations of the Issuer hereunder or in any of the certificates delivered pursuant hereto, as to all of which any recourse shall be had solely to the assets of the Issuer subject to the availability of funds therefor under Section 8.02 of the Indenture.

SECTION 8.11. Nonpetition Covenants.

Notwithstanding any prior termination of this Agreement or the Indenture, but subject to the MPSC's right to order the sequestration and payment of revenues arising with respect to the Securitized Utility Tariff Property notwithstanding any bankruptcy, reorganization or other insolvency proceedings with respect to the debtor, pledgor or transferor of the Securitized Utility Tariff Property pursuant to Section 393.1700.5.(2)(b) of the Securitization Law, the Servicer shall not, prior to the date that is one year and one day after the termination of the Indenture, acquiesce, petition or otherwise invoke or cause the Issuer to invoke the process of any court or governmental authority for the purpose of commencing or sustaining a case against the Issuer under any Federal or state bankruptcy, insolvency or similar law or appointing a receiver, liquidator, assignee, trustee, custodian, sequestrator or other similar official of the Issuer or any substantial part of the property of the Issuer or ordering the winding up or liquidation of the affairs of the Issuer.

(c) Cost of Metering. The Issuer shall not be obligated to pay any costs associated with the routine metering duties set forth in this Section 2, including the costs of installing, replacing and maintaining meters, nor shall the Issuer be entitled to any credit against the Servicing Fee for any cost savings realized by the Servicer as a result of new metering and/or billing technologies.

SECTION 3. USAGE AND BILL CALCULATION.

The Servicer (a) shall obtain a calculation of each Customer's usage (which may be based on data obtained from such Customer's meter read or on usage estimates determined in accordance with the Servicer Policies and Practices and applicable MPSC Regulations) at least once each billing period and shall determine therefrom each Customer's individual Securitized Utility Tariff Charge to be included on such Customer's Bill.

SECTION 4. BILLING.

The Servicer shall implement the Securitized Utility Tariff Charges as of the Billing Commencement Date and shall thereafter bill each Customer, for the respective Customer's outstanding current and past due Securitized Utility Tariff Charges accruing through the date on which the Securitized Utility Tariff Charges may no longer be billed under the Tariff, all in accordance with the following:

(a) Frequency of Bills; Billing Practices. In accordance with the Servicer's then-existing Servicer Policies and Practices for its own charges, as such Servicer Policies and Practices may be modified from time to time, the Servicer shall generate and issue a Bill to each Customer, for such Customers' Securitized Utility Tariff Charges once every applicable billing period, at the same time, with the same frequency and on the same Bill as that containing the Servicer's own charges to such Customers. In the event that the Servicer makes any material modification to its Servicer Policies and Practices for its own charges, it shall notify the Issuer, the Indenture Trustee, the MPSC and the Rating Agencies as soon as practicable, and in no event later than 60 Business Days after such modification goes into effect; provided, however, that the Servicer may not make any modification that will materially adversely affect the Bondholders.

(b) Format.

(i) The Servicer shall conform to such requirements regarding the format, structure and text of Bills delivered to Customers as this Agreement, the Financing Order, the Securitization Law and applicable MPSC Regulations shall from time to time prescribe. (ii) The Servicer may in its own discretion waive any late payment charge or any other fee or charge relating to delinquent payments, if any, and may waive, vary or modify any terms of payment of any amounts payable by a Customer, in each case if such waiver or action: (A) would be in accordance with the Servicer's customary practices or those of any successor Servicer with respect to comparable assets that it services for itself and for others; (B) would not materially adversely affect the rights of the Holders as evidenced by an Officer's Certificate of the Issuer; and (C) would comply with applicable law; provided, however, that notwithstanding anything in the Agreement or this Annex I to the contrary, the Servicer is authorized to write off any Billed Securitized Utility Tariffs, in accordance with its Servicer Policies and Practices.

(iii) The Servicer shall accept payment from Customers in respect of Billed Securitized Utility Tariffs in such forms and methods and at such times and places as it accepts for payment of its own charges.

(b) Payment Processing; Allocation; Priority of Payments.

(i) The Servicer shall post all payments received to Customer accounts as promptly as practicable, and, in any event, substantially all payments shall be posted no later than three (3) Business Days after receipt.

(ii) Subject to clause (iii) below, the Servicer shall apply payments received to each Customer's account in proportion to the charges contained on the outstanding Bill to such Customer.

(iii) If any amounts collected by the Servicer represent partial payments of the total Bill to a Customer, first dollars collected of such payments shall be attributed to past due balances, if any, and the remainder shall be allocated ratably among the Securitized Utility Tariff Charges and other amounts due for that given prior or current period bill in proportion to their percentage of the overall bill.

(iv) The Servicer shall hold all over-payments for the benefit of the Issuer and Evergy Missouri West and shall apply such funds to future Bill charges in accordance with clauses (ii) and (iii) as such charges become due.

(c) Accounts; Records.

The Servicer shall maintain accounts and records as to the Securitized Utility Tariff Property accurately and in accordance with its standard accounting procedures and in sufficient detail (i) to permit reconciliation between payments or recoveries with respect to the Securitized Utility Tariff Property and the amounts from time to time remitted to the Collection Account in respect of the Securitized Utility Tariff Property and (ii) to permit the Securitized Utility Tariff Charge Collections held by the Servicer to be accounted for separately from the funds with which they may be commingled, so that the dollar amounts of Securitized Utility

Tariff Charge Collections commingled with the Servicer's funds may be properly identified and traced.

(d) Investment of Securitized Utility Tariff Charge Payments Received.

Prior to each Daily Remittance, the Servicer may invest Securitized Utility Tariff Charge Payments received at its own risk and (except as required by applicable MPSC Regulations) for its own benefit. So long as the Servicer complies with its obligations under Section 6(c), neither such investments nor such funds shall be required to be segregated from the other investment and funds of the Servicer.

(e) Calculation of Daily Remittance.

(i) For purposes of calculating the Daily Remittance, the Servicer shall, on each Servicer Business Day, estimate Securitized Utility Tariff Charge Collections based on the daily billed amounts and the Average Days Sales Outstanding, which resulting estimate shall constitute the amount of Estimated Securitized Utility Tariff Charge Collections for such Servicer Business Day. Pursuant to Section 6.11(c) of the Agreement, not less than semi-annually (except in the case of the First Payment Period, which may be longer than six months), but in no event more than sixty (60) days after each Payment Date, the Servicer shall calculate the amount of Actual Securitized Utility Tariff Charge Collections for the immediately preceding Reconciliation Period as compared to the Estimated Securitized Utility Tariff Charge Collections forwarded to the Collection Account in respect of such Reconciliation Period. Such calculation will be provided to the Indenture Trustee in a Reconciliation Certificate in substantially the form appended to the Agreement as Exhibit D.

(ii) All calculations of collections, each update of the Average Days Sales Outstanding and any changes in procedures used to calculate the Estimated Securitized Utility Tariff Charge Collections pursuant to this Section 6(e) shall be made in good faith.

(f) Remittances.

(i) The Issuer shall cause to be established the Collection Account in the name of the Indenture Trustee in accordance with the Indenture.

(ii) The Servicer shall make remittances to the Collection Account in accordance with Section 6.11 of the Agreement.

(iii) In the event of any change of account or change of institution affecting any Collection Account, the Issuer shall provide written notice thereof to the Servicer and the Rating Agencies not later than five (5) Business Days from the effective date of such change.

The opinion of outside tax counsel described above may, if the Seller so chooses, be conditioned on the receipt by the Seller of one or more letter rulings from the Internal Revenue

Service (unless the Internal Revenue Service has announced that it will not rule on the issues described in this paragraph) and in rendering such opinion outside tax counsel shall be entitled to rely on the rulings contained in such ruling letters and to rely on the representations made, and information supplied, to the Internal Revenue Service in connection with such letter rulings;

The Seller is not aware (after due inquiry) of any judgment or tax lien filings against either the Seller or the Issuer. At the Closing Date, immediately prior to the sale of the Securitized Utility Tariff Property hereunder, the Seller is the original and the sole owner of the Securitized Utility Tariff Property free and clear of all Liens and rights of any other Person, and no offsets, defenses or counterclaims exist or have been asserted with respect thereto.

(c) Transfer Filings. On the Closing Date, immediately upon the sale under this Agreement, the Securitized Utility Tariff Property transferred on the Closing Date shall be

validly transferred and sold to the Issuer, the Issuer shall own all such Securitized Utility Tariff Property, free and clear of all Liens, except for the Lien arising under Section 393.1700.5.(2)(b) of the Securitization Law, the Financing Order and the Issuance Advice Letter, and all filings and action to be made or taken by the Seller (including filings with the Secretary of State of Missouri under the Securitization Law) necessary in any jurisdiction to give the Issuer a perfected ownership interest (subject to any Lien created by the Issuer or by the Securitization Law in favor of the Holder under the basic documents or the Securitization Law) in the Securitized Utility Tariff Property shall have been made.

(d) Financing Order, Issuance Advice Letter and Tariff; Other Approvals. Under the laws of the State of Missouri (including the Securitization Law) and the United States in effect on the Closing Date: (i) the Financing Order and the Issuance Advice Letter pursuant to which the rights and the interests of the Seller have been created, including the right to impose, bill, charge, collect and receive the Securitized Utility Tariff Charges and the interest in and to the Securitized Utility Tariff Property, has become final and non-appealable and is in full force and effect, and the Seller has validly and irrevocably consented to the terms of the Financing Order, (ii) as of the Closing Date, the Securitized Utility Tariff Bonds are entitled to the protection provided under Section 393.1700.11 of the Securitization Law, (iii) the process by which the Financing Order was approved and the Financing Order, the Issuance Advice Letter and the Securitized Utility Tariff Charge Rider SUTC comply with all applicable laws and regulations and the Seller has provided the certification to the MPSC required by the Issuance Advice Letter, (iv) the Issuance Advice Letter and the Securitized Utility Tariff Charge Rider SUTC have been filed in accordance with the Financing Order, (v) no other approval, authorization, consent, order or other action of, or filing with any governmental authority is required on the part of the Seller in connection with the creation of the Securitized Utility Tariff Property, except those that have been obtained or made, and (vi) under the “contract clause” of the U.S. Constitution and the “contract clause” of the Missouri Constitution, Holders of the Securitized Utility Tariff Bonds could, absent a demonstration by the State of Missouri that such action is necessary to further a significant and legitimate public purpose, successfully challenge the constitutionality of any legislative action that impairs or reduces the value of the Securitized Utility Tariff Property or the Securitized Utility Tariff Charges so as to impair (a) the terms of the Indenture or the Securitized Utility Tariff Bonds or (b) the rights and remedies of the bondholders determined by such court to limit, alter, impair or reduce the value of the Securitized Utility Tariff Property or the Securitized Utility Tariff Charges prior to the time that the Securitized Utility Tariff Bonds are fully paid and discharged.

(e) State Action. Under the Securitization Law, the State of Missouri and its agencies, including the MPSC, have pledged for the benefit and protection of the bondholders, the owners of the securitized utility tariff property, other financing parties and the Issuer, that it will not alter the provisions of the Securitization Law, take or permit any action that would impair the value of the Securitized Utility Tariff Property transferred on such date, or, except as permitted by Section 393.1700.2(3)(c)e of the Securitization Law, reduce, alter or impair the Securitized Utility Tariff Charges relating to the Securitized Utility Tariff Property until any and all principal, interest, premium, financing costs and other fees, expenses, or charges incurred and contracts to be performed in connection with the Securitized Utility Tariff Bonds relating to the Securitized Utility Tariff Property have been paid and performed in full.

(f) Assumptions. On the Closing Date, based upon the information available to the Seller on such date, the assumptions used in calculating the Securitized Utility Tariff Charges are reasonable and are made in good faith. Notwithstanding the foregoing, the Seller makes no representation or warranty, express or implied, that amounts actually collected arising from those Securitized Utility Tariff Charges will in fact be sufficient to meet the payment obligations on the related Securitized Utility Tariff Bonds or that the assumptions used in calculating such Securitized Utility Tariff Charges will in fact be realized.

(g) Creation of Securitized Utility Tariff Property. Upon the filing of the Issuance Advice Letter with respect to the Securitized Utility Tariff Property pursuant to the Financing Order: (i) the related rights and interests of the Seller under the Financing Order, including the right to impose, bill, charge, collect and receive the Securitized Utility Tariff Charges established pursuant to the Financing Order, will become Securitized Utility Tariff Property, (ii) the Securitized Utility Tariff Property will constitute an existing present intangible property right vested in the Holders, (iii) the Securitized Utility Tariff Property will include the right, title and interest of the Seller to the Tariff imposing the Securitized Utility Tariff Charges, and the right to obtain periodic true-up adjustments of the Securitized Utility Tariff Charges and all revenues, collections, claims, rights to payments, payments, money or proceeds of or arising from the rights and interests specified in the Financing Order, (iv) the owner of the Securitized Utility Tariff Property will be legally entitled to bill Securitized Utility Tariff Charges and collect payments in respect of the Securitized Utility Tariff Charges in the aggregate amount sufficient to pay or fund, in accordance with the Indenture, the principal of the Securitized Utility Tariff Bonds to pay the fees and expenses of servicing the Securitized Utility Tariff Bonds, and to replenish the Capital Subaccount to the required capital level until the Securitized Utility Tariff Bonds are paid in full, and (v) the Securitized Utility Tariff Property will not be subject to any Lien, except for the lien arising under Section 393.1700.5.(2)(b) of the Securitization Law, the Financing Order and the Issuance Advice Letter.

(h) Nature of Representations and Warranties. The representations and warranties set forth in this Section 3.08, insofar as they involve conclusions of law, are made not on the basis that the Seller purports to be a legal expert or to be rendering legal advice, but rather to reflect the parties' good faith understanding of the legal basis on which the parties are entering into this Agreement and the other Basic Documents and the basis on which the Holders are purchasing the Securitized Utility Tariff Bonds, and to reflect the parties' agreement that, if such understanding turns out to be incorrect or inaccurate, the Seller will be obligated to indemnify the Issuer and its permitted assigns (to the extent required by and in accordance with Section 5.01), and that the Issuer and its permitted assigns will be entitled to enforce any rights and remedies under the Basic Documents, on account of such inaccuracy to the same extent as if the Seller had breached any other representations or warranties hereunder.

(i) Taxes. Under existing law as of the Closing Date, Holders will not be responsible for, nor will payments to Holders be reduced by, any sales tax, gross receipts tax, general corporation tax, single business tax, personal property tax, privilege tax, franchise or license tax, or other tax imposed on the Seller or the Issuer as a result of the sale and assignment of the Securitized Utility Tariff Property by the Seller to the Issuer, the acquisition of the Securitized Utility Tariff Property by the Issuer or the issuance and sale by the Issuer of the Securitized Utility Tariff Bonds, other than withholding of taxes applicable to Securitized Utility Tariff Bond

payments and any taxes imposed as a result of a failure of the Issuer or the Seller to properly withhold or remit taxes imposed with respect to payments on any Securitized Utility Tariff Bond.

(j) Prospectus. As of the date hereof, the information describing the Seller under the caption “The Depositor, Seller, Initial Servicer and Sponsor” in the prospectus dated February 14, 2024 relating to the Bonds is true and correct in all material respects.

(k) No Court Order. There is no order by any court providing for the revocation, alteration, limitation or other impairment of the Securitization Law, the Financing Order, the Issuance Advice Letter, the Securitized Utility Tariff Property or the Securitized Utility Tariff Charges or any rights arising under any of them or that seeks to enjoin the performance of any obligations under the Financing Order.

(l) Survival of Representations and Warranties. The representations and warranties set forth in this Section 3.08 shall survive the execution and delivery of this Agreement and may not be waived by any party hereto except pursuant to a written agreement executed in accordance with Article VI and as to which the Rating Agency Condition has been satisfied.

SECTION 3.09. Change in Law.

The representations and warranties in this Agreement speak as of the Closing Date. Any change in the law by legislative enactment, constitutional amendment or voter initiative that renders untrue any of the representations or warranties in this Agreement will not constitute a breach under this Agreement.

SECTION 3.10. Limitations on Representations and Warranties.

Without prejudice to any of the other rights of the parties, the Seller will not be in breach of any representation or warranty, as a result of a change in law by means of any legislative enactment, constitutional amendment or voter initiative. THE SELLER MAKES NO REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, THAT BILLED SECURITIZED UTILITY TARIFF COLLECTIONS WILL BE ACTUALLY COLLECTED FROM CONSUMERS.

The Seller also agrees to take those legal or administrative actions, including defending against or instituting and pursuing legal actions and appearing or testifying at hearings or similar

proceedings, in each case, that may be reasonably necessary (i) to protect the Issuer and Secured Parties from claims, state actions or other actions or proceedings of third parties which, if successfully pursued, would result in a breach of any representation or warranty of the Seller set forth in Article III, and the costs of any such actions or proceedings will be paid by the Seller and (ii) to block or overturn any attempts to cause a repeal of, modification of or supplement to the Securitization Law, the Financing Order, the Issuance Advice Letter or the rights of Holders by legislative enactment or constitutional amendment that would be materially adverse to the Issuer or the Secured Parties or which would otherwise cause an impairment of the rights of the Issuer or the Secured Parties. The costs of any such actions or proceedings will be payable by the Seller.

Notwithstanding any prior termination of this Agreement or the Indenture, the Seller shall not, prior to the date which is one year and one day after the termination of the Indenture and payment in full of the Securitized Utility Tariff Bonds or any other amounts owed under the Indenture, petition or otherwise invoke or cause the Issuer to invoke the process of any Government Authority for the purpose of commencing or sustaining an involuntary case against the Issuer under any federal or state bankruptcy, insolvency or similar law, appointing a receiver, liquidator, assignee, trustee, custodian, sequestrator or other similar official of the Issuer or any substantial part of the property of the Issuer, or ordering the winding up or liquidation of the affairs of the Issuer.

SECTION 4.09. Taxes.

So long as any of the Securitized Utility Tariff Bonds are Outstanding, the Seller shall, and shall cause each of its subsidiaries to, pay all material taxes, assessments and governmental charges imposed upon it or any of its properties or assets or with respect to any of its franchises, business, income or property before any penalty accrues thereon if the failure to pay any such taxes, assessments and governmental charges would, after any applicable grace periods, notices or other similar requirements, result in a Lien on the Securitized Utility Tariff Property; provided that no such tax need be paid if the Seller or one of its Affiliates is contesting the same in good faith by appropriate proceedings promptly instituted and diligently conducted and if the Seller or such Affiliate has established appropriate reserves as shall be required in conformity with generally accepted accounting principles.

SECTION 4.10. Notice of Breach to Rating Agencies, Etc.

Promptly after obtaining knowledge thereof, in the event of a breach in any material respect (without regard to any materiality qualifier contained in such representation, warranty or covenant) of any of the Seller's representations, warranties or covenants contained herein, the Seller shall promptly notify the Issuer, the Indenture Trustee, the MPSC and the Rating Agencies of such breach. For the avoidance of doubt, any breach which would adversely affect scheduled payments on the Securitized Utility Tariff Bonds will be deemed to be a material breach for purposes of this Section 4.10.

SECTION 4.11. Use of Proceeds.

The Seller shall use the proceeds of the sale of the Securitized Utility Tariff Property in accordance with the Financing Order and the Securitization Law.

SECTION 4.12. Further Assurances.

Upon the request of the Issuer, the Seller shall execute and deliver such further instruments and do such further acts as may be reasonably necessary to carry out more effectually the provisions and purposes of this Agreement.

ARTICLE V
THE SELLER

SECTION 5.01. Liability of Seller; Indemnities.

(a) The Seller shall be liable in accordance herewith only to the extent of the obligations specifically undertaken by the Seller under this Agreement.

(b) The Seller shall indemnify, defend and hold harmless the Issuer and the Indenture Trustee (for itself, for the benefit of the Holders) and each of the Issuer's and the Indenture Trustee's respective officers, directors, employees and agents and defend and hold harmless each such person from and against (i) any and all amounts of principal of and interest on the Securitized Utility Tariff Bonds not paid when due or when scheduled to be paid in accordance with their terms, (ii) any other amounts payable to any Person in connection with the Securitized Utility Tariff Bonds or in connection with the Securitized Utility Tariff Property, including but not limited to Indenture Trustee's fees and expenses, that are not paid when due or when scheduled to be paid pursuant to the Indenture, (iii) the amount of any other deposits to the Collection Account required to have been made in accordance with the terms of the Basic Documents and retained in the Capital Subaccount, or in the Excess Funds Subaccount or released to the Issuer free of the lien of the Indenture, which are not made when so required, (iv) any reasonable costs and expenses incurred by such Person that are not recoverable pursuant to the Indenture and (v) any taxes payable by Holders resulting in a breach of Section 3.08(i), in each case to the extent resulting from the Seller's breach of any of its representations, warranties or covenants contained in this Agreement, except to the extent of losses either resulting from the willful misconduct, bad faith or gross negligence of such indemnified Persons or resulting from a breach of representation or warranty made by such indemnified Persons in the Indenture or any other document that gives rise to the Seller's breach. Indemnification under this paragraph shall survive the resignation or removal of the Indenture Trustee.

(c) Notwithstanding Section 5.01(b) above, the Seller shall not be liable for any loss, damages, liability, obligation, claim, action, suit or payment resulting solely from a downgrade in the ratings on the Securitized Utility Tariff Bonds or for any consequential damages, including any loss of market value of the Securitized Utility Tariff Bonds resulting from any default or any downgrade of the ratings of the Securitized Utility Tariff Bonds.

(d) The indemnities described in this Section will survive the termination of this Agreement and include reasonable fees and expenses of investigation and litigation, including

reasonable attorneys' fees and expenses. The Seller shall be liable in accordance herewith only to the extent of the obligations specifically undertaken by the Seller under this Agreement.

SECTION 5.02. Merger, Conversion or Consolidation of, or Assumption of the Obligations of, Seller.

Any Person (a) into which the Seller may be merged, converted or consolidated and that succeeds to all or substantially all of the electric distribution business of the Seller, (b) that results from the division of the Seller into two or more Persons and succeeds to all or substantially all of the electric transmission and distribution business of the Seller, (c) that results from any merger or consolidation to which the Seller shall be a party and that succeeds to all or substantially all of the electric transmission and distribution business of the Seller, (d) that succeeds to the properties and assets of the Seller substantially as a whole, or succeeds to all or substantially all of the electric transmission and distribution business of the Seller, or (e) that otherwise succeeds to all or substantially all of the electric transmission and distribution business of the Seller, shall be the successor to the Seller under this Agreement without further act on the part of any of the parties to this Agreement; provided, further, that (i) immediately after giving effect to any transaction referred to above, no representation or warranty made by the Seller pursuant to Article III shall have been breached and, to the extent the Seller is the Servicer, no Servicer Default under the Servicing Agreement, and no event, that after notice or lapse of time, or both, would become a Servicer Default under the Servicing Agreement will have occurred and be continuing, (ii) the successor to the Seller must execute an agreement of assumption to perform every obligation of the Seller under this Agreement, (iii) the Rating Agencies shall have received prior written notice of such transaction, and (iv) the Seller shall have delivered to the Issuer and the Indenture Trustee an Officer's Certificate and an Opinion of Counsel each stating that such consolidation, merger or succession and such agreement of assumption comply with this Section and that all conditions precedent, if any, provided for in this Agreement relating to such transaction have been complied with.

SECTION 5.03. Limitation on Liability of Seller and Others.

The Seller and any director, officer, employee or agent of the Seller may rely in good faith on the advice of counsel or on any document of any kind, prima facie properly executed and submitted by any Person, respecting any matters arising hereunder. Subject to Section 4.07, the Seller shall not be under any obligation to appear in, prosecute or defend any legal action that is not incidental to its obligations under this Agreement, and that in its opinion may involve it in any expense or liability.

ARTICLE VI
MISCELLANEOUS PROVISIONS

SECTION 6.01. Amendment.

This Agreement may be amended in writing by the Seller and the Issuer with ten (10) Business Days' prior written notice to the Rating Agencies, but without the consent of any of the Holders (i) to cure any ambiguity, to correct or supplement any provisions in this Agreement or

for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions in this Agreement or of modifying in any manner the rights of the Holders; provided, however, that such action shall not, as evidenced by an Officer's Certificate delivered to the Issuer and the Indenture Trustee, adversely affect in any material respect the interests of any Holder or (ii) to conform the provisions hereof to the description of this Agreement in the Prospectus. Promptly after execution of any such amendment or consent, the Issuer shall furnish copies of such amendment or consent to each of the Rating Agencies.

In addition, this Agreement may be amended in writing by the Seller and the Issuer with (i) the prior written consent of the Indenture Trustee, (ii) the satisfaction of the Rating Agency Condition, and (iii) if any amendment would adversely affect in any material respect the interest of any Holder of the Securitized Utility Tariff Bonds, the consent of a majority of the Holders of each affected Tranche of Securitized Utility Tariff Bonds. In determining whether a majority of Holders have consented, Securitized Utility Tariff Bonds owned by the Issuer, Seller or any Affiliate of the Issuer or Seller shall be disregarded, except that, in determining whether the Indenture Trustee shall be protected in relying upon any such consent, the Indenture Trustee shall only be required to disregard any Securitized Utility Tariff Bonds it actually knows to be so owned. Promptly after the execution of any such amendment or consent, the Issuer shall furnish copies of such amendment or consent to each of the Rating Agencies.

It shall not be necessary for the consent of Holders pursuant to this Section to approve the particular form of any proposed amendment or consent, but it shall be sufficient if such consent shall approve the substance thereof.

Prior to the execution of any amendment to this Agreement, the Issuer and the Indenture Trustee shall be entitled to receive and rely upon an Opinion of Counsel from external counsel of the Seller stating that the execution of such amendment is authorized or permitted by this Agreement and that all conditions precedent have been satisfied and the Opinion of Counsel referred to in Section 3.01(c)(i) of the Servicing Agreement. The Issuer and the Indenture Trustee may, but shall not be obligated to, enter into any such amendment which affects the Indenture Trustee's own rights, duties or immunities under this Agreement or otherwise.

SECTION 6.02. Notices.

All demands, notices and communications upon or to the Seller, the Issuer, the Indenture Trustee or the Rating Agencies under this Agreement shall be sufficiently given for all purposes hereunder if in writing, and delivered personally, sent by documented delivery service or, to the extent receipt is confirmed telephonically, sent by electronic transmission:

SECTION 6.03. Assignment.

Notwithstanding anything to the contrary contained herein, except as provided in Section 5.02, this Agreement may not be assigned by the Seller.

SECTION 6.04. Limitations on Rights of Third Parties.

The provisions of this Agreement are solely for the benefit of the Seller, the Issuer, the Indenture Trustee (for the benefit of the Secured Parties) and the other Persons expressly referred to herein, and such Persons shall have the right to enforce the relevant provisions of this Agreement. Nothing in this Agreement, whether express or implied, shall be construed to give to any other Person any legal or equitable right, remedy or claim in the Securitized Utility Tariff Property or under or in respect of this Agreement or any covenants, conditions or provisions contained herein.

SECTION 6.05. Severability.

Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remainder of such provision (if any) or the remaining provisions hereof (unless such construction shall be unreasonable), and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

SECTION 6.06. Separate Counterparts.

This Agreement may be executed by the parties hereto in separate counterparts, each of which when so executed and delivered shall be an original, but all such counterparts shall together constitute but one and the same instrument. The words "execution," "signed," "delivery," and words of like import in or relating to this Agreement or any document to be signed in connection with this Agreement shall be deemed to include electronic signatures,

deliveries or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, and the parties hereto consent to conduct the transactions contemplated hereunder by electronic means.

SECTION 6.07. Headings.

The headings of the various Articles and Sections herein are for convenience of reference only and shall not define or limit any of the terms or provisions hereof.

SECTION 6.08. Governing Law.

THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH THE LAWS OF THE STATE OF MISSOURI, WITHOUT REFERENCE TO ITS CONFLICT OF LAW PROVISIONS, AND THE OBLIGATIONS, RIGHTS AND REMEDIES OF THE PARTIES HEREUNDER SHALL BE DETERMINED IN ACCORDANCE WITH SUCH LAWS.

SECTION 6.09. Assignment to Indenture Trustee.

The Seller hereby acknowledges and consents to any mortgage, pledge, assignment and grant of a security interest by the Issuer to the Indenture Trustee pursuant to the Indenture for the benefit of the Secured Parties of all right, title and interest of the Issuer in, to and under this Agreement, the Securitized Utility Tariff Property and the proceeds thereof and the assignment of any or all of the Issuer's rights hereunder to the Indenture Trustee for the benefit of the Secured Parties. For the avoidance of doubt, the Indenture Trustee is a third-party beneficiary of this Agreement and is entitled to the rights and benefits hereunder and may enforce the provisions hereof as if it were a party hereto.

SECTION 6.10. Limitation of Liability.

It is expressly understood and agreed by the parties hereto that this Agreement is executed and delivered by the Indenture Trustee, not individually or personally but solely as Indenture Trustee on behalf of the Secured Parties, in the exercise of the powers and authority conferred and vested in it. The Indenture Trustee in acting hereunder is entitled to all rights, benefits, protections, immunities and indemnities accorded to it under the Indenture.

SECTION 6.11. Waivers.

Any term or provision of this Agreement may be waived, or the time for its performance may be extended, by the party or parties entitled to the benefit thereof; provided, however, that no such waiver delivered by the Issuer shall be effective unless the Indenture Trustee (acting at the written direction of the Holders of a majority of the Securitized Utility Tariff Bonds) has given its prior written consent thereto. Any such waiver shall be validly and sufficiently authorized for the purposes of this Agreement if, as to any party, it is authorized in writing by an authorized representative of such party. The failure of any party hereto to enforce at any time any provision of this Agreement shall not be construed to be a waiver of such provision, nor in any way to affect the validity of this Agreement or any part hereof or the right of any party

thereafter to enforce each and every such provision. No waiver of any breach of this Agreement shall be held to constitute a waiver of any other or subsequent breach.

AGREEMENT

NOW, THEREFORE, in consideration of the mutual covenants contained herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

SECTION 1. Duties of the Administrator – Management Services. The Administrator hereby agrees to provide the following corporate management services to the Issuer and to cause third parties to provide professional services required for or contemplated by such services in accordance with the provisions of this Administration Agreement:

(a) furnish the Issuer with ordinary clerical, bookkeeping and other corporate administrative services necessary and appropriate for the Issuer, including, without limitation, the following services:

(i) maintain at the Premises (as defined below) general accounting records of the Issuer (the “Account Records”), subject to year-end audit, in accordance with generally accepted accounting principles, separate and apart from its own accounting records, prepare or cause to be prepared such quarterly and annual financial statements as may be necessary or appropriate and arrange for year-end audits of the Issuer’s financial statements by the Issuer’s independent accountants;

(ii) prepare and, after execution by the Issuer, file with the SEC and any applicable state agencies documents required to be filed by the Issuer with the SEC and any applicable state agencies, including, without limitation, periodic reports required to be filed under the Securities Exchange Act of 1934, as amended;

(iii) prepare for execution by the Issuer and cause to be filed such income, franchise or other tax returns of the Issuer as shall be required to be filed by applicable law (the “Tax Returns”) and cause to be paid on behalf of the Issuer from the Issuer’s funds any taxes required to be paid by the Issuer under applicable law;

(iv) prepare or cause to be prepared for execution by the Issuer’s Managers minutes of the meetings of the Issuer’s Managers and such other documents deemed appropriate by the Issuer to maintain the separate limited liability company existence and good standing of the Issuer (the “Company Minutes”) or otherwise required under the Related Agreements (together with the Account Records, the Tax Returns, the Company Minutes, the LLC Agreement, and the Certificate of Formation, the “Issuer Documents”); and any other documents deliverable by the Issuer thereunder or in connection therewith; and

(b) take such actions on behalf of the Issuer, as are necessary or desirable for the Issuer to keep in full effect its existence, rights and franchises as a limited liability company

under the laws of the state of Delaware and obtain and preserve its qualification to do business in each jurisdiction in which it becomes necessary to be so qualified;

(c) take such actions on the behalf of the Issuer as are necessary for the issuance and delivery of the Securitized Utility Tariff Bonds;

(d) provide for the performance by the Issuer of its obligations under each of the Related Agreements, and prepare, or cause to be prepared, all documents, reports, filings, instruments, notices, certificates and opinions that it shall be the duty of the Issuer to prepare, file or deliver pursuant to the Related Agreements;

(e) to the full extent allowable under applicable law, enforce each of the rights of the Issuer under the Related Agreements, at the direction of the Indenture Trustee (acting at the direction of Holders of a majority of the Outstanding Amount of the Securitized Utility Tariff Bonds);

(f) provide for the defense, at the direction of the Issuer's Managers, of any action, suit or proceeding brought against the Issuer or affecting the Issuer or any of its assets;

(g) provide office space (the "Premises") for the Issuer and such reasonable ancillary services as are necessary to carry out the obligations of the Administrator hereunder, including telecopying, duplicating and word processing services;

(h) undertake such other administrative services as may be appropriate, necessary or requested by the Issuer; and

(i) provide such other services as are incidental to the foregoing or as the Issuer and the Administrator may agree.

In providing the services under this Section 1 and as otherwise provided under this Administration Agreement, the Administrator will not knowingly take any actions on behalf of the Issuer which (i) the Issuer is prohibited from taking under the Related Agreements, or (ii) would cause the Issuer to be in violation of any federal, state or local law or the LLC Agreement.

In performing its duties hereunder, the Administrator shall use the same degree of care and diligence that the Administrator exercises with respect to performing such duties for its own account and, if applicable, for others.

SECTION 2. Compensation. As compensation for the performance of the Administrator's obligations under this Administration Agreement (including the compensation of Persons serving as Manager(s), other than the Independent Manager(s), and officers of the Issuer, but, for the avoidance of doubt, excluding the performance by Evergy Missouri West of its obligations in its capacity as Servicer), the Administrator shall be entitled to \$50,000 annually (the "Administration Fee"), payable by the Issuer in installments of \$25,000 on each Payment Date, provided that the first payment may be adjusted for a longer or shorter first Payment Period. In addition, the Administrator shall be entitled to be reimbursed by the Issuer for all costs and expenses of services performed by unaffiliated third parties and actually incurred by the Administrator in connection with the performance of its obligations under this

Administration Agreement in accordance with Section 3 (but, for the avoidance of doubt, excluding any such costs and expenses incurred by Evergy Missouri West in its capacity as Servicer), to the extent that such costs and expenses are supported by invoices or other customary documentation and are reasonably allocated to the Issuer (“Reimbursable Expenses”).

SECTION 3. Third Party Services. Any services required for or contemplated by the performance of the above-referenced services by the Administrator to be provided by unaffiliated third parties (including independent auditors' fees and counsel fees) may, if provided for or otherwise contemplated by the Financing Order and if the Issuer deems it necessary or desirable, be arranged by the Issuer or by the Administrator at the direction (which may be general or specific) of the Issuer. Costs and expenses associated with the contracting for such third-party professional services may be paid directly by the Issuer or paid by the Administrator and reimbursed by the Issuer in accordance with Section 2, or otherwise as the Administrator and the Issuer may mutually arrange.

SECTION 4. Additional Information to be Furnished to the Issuer. The Administrator shall furnish to the Issuer from time to time such additional information regarding the Securitized Utility Tariff Bond Collateral as the Issuer shall reasonably request.

SECTION 5. Independence of the Administrator. For all purposes of this Administration Agreement, the Administrator shall be an independent contractor and shall not be subject to the supervision of the Issuer with respect to the manner in which it accomplishes the performance of its obligations hereunder. Unless expressly authorized by the Issuer, the Administrator shall have no authority, and shall not hold itself out as having the authority, to act for or represent the Issuer in any way and shall not otherwise be deemed an agent of the Issuer.

SECTION 6. No Joint Venture. Nothing contained in this Administration Agreement (a) shall constitute the Administrator and the Issuer as partners or co-members of any partnership, joint venture, association, syndicate, unincorporated business or other separate entity, (b) shall be construed to impose any liability as such on either of them or (c) shall be deemed to confer on either of them any express, implied or apparent authority to incur any obligation or liability on behalf of the other.

SECTION 7. Other Activities of Administrator. Nothing herein shall prevent the Administrator or any of its members, managers, officers, employees, subsidiaries or affiliates from engaging in other businesses or, in its sole discretion, from acting in a similar capacity as an Administrator for any other person or entity even though such person or entity may engage in business activities similar to those of the Issuer.

SECTION 8. Term of Agreement; Resignation and Removal of Administrator.

(a) This Administration Agreement shall continue in force until the payment in full of the Securitized Utility Tariff Bonds and any other amount which may become due and payable under the Indenture, upon which event this Administration Agreement shall automatically terminate.

(b) The Administrator may resign on not less than 30 days' written notice to the Issuer. The Administrator may be removed by written notice from the Issuer to the

Administrator. Such resignation or removal shall not take effect until a successor has been appointed by the Issuer and has accepted the duties of Administrator.

(c) The appointment of any successor Administrator shall be effective only after satisfaction of the Rating Agency Condition with respect to the proposed appointment.

SECTION 9. Action upon Termination, Resignation or Removal. Promptly upon the effective date of termination of this Administration Agreement pursuant to Section 8(a) or the resignation of the Administrator or the removal of the Administrator pursuant to Section 8, the Administrator shall be entitled to be paid a pro-rated portion of the annual fee described in Section 2 hereof through the date of termination and all Reimbursable Expenses incurred by it through the date of such termination, resignation or removal. The Administrator shall forthwith upon such termination pursuant to Section 8(a) deliver to the Issuer all property and documents of or relating to the Securitized Utility Tariff Bond Collateral then in the custody of the Administrator. In the event of the resignation of the Administrator or the removal of the Administrator pursuant to Section 8, the Administrator shall cooperate with the Issuer and take all reasonable steps requested to assist the Issuer in making an orderly transfer of the duties of the Administrator.

SECTION 10. Administrator's Liability. The Administrator shall render the services called for hereunder in good faith, taking into consideration the best interests of the Company. In no event shall the Administrator ever be liable to the Company under this Agreement or in connection with services provided hereunder for any punitive, incidental, consequential, or indirect damages in tort, contract, or otherwise.

SECTION 11. Notices. Any notice, report or other communication given hereunder shall be in writing and addressed as follows:

(a) This Administration Agreement may be amended from time to time by a written amendment duly executed and delivered by each of the Issuer and the Administrator with ten Business Days' prior written notice given to the Rating Agencies, (i) to cure any ambiguity, to correct or supplement any provisions in this Administration Agreement or for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions in this Administration Agreement or of modifying in any manner the rights of the Holders; provided, however, that the Issuer and the Indenture Trustee shall receive an Officer's Certificate stating that the execution of such amendment shall not adversely affect in any material respect the interests of any Holder and that all conditions precedent have been satisfied or (ii) to conform the provisions hereof to the description of this Administration Agreement in the Prospectus.

(b) In addition, this Administration Agreement may be amended from time to time by a written amendment duly executed and delivered by each of the Issuer and the Administrator with the prior written consent of the Indenture Trustee, the satisfaction of the Rating Agency Condition; provided that any such amendment may not adversely affect the interest of any Holder in any material respect without the consent of the Holders of a majority of the outstanding principal amount of the Securitized Utility Tariff Bonds. Promptly after the execution of any such amendment or consent, the Issuer shall furnish copies of such amendment or consent to each of the Rating Agencies.

SECTION 13. Successors and Assigns. This Administration Agreement may not be assigned by the Administrator unless such assignment is previously consented to in writing by the Issuer and the Indenture Trustee and subject to the satisfaction of the Rating Agency Condition in connection therewith. Any assignment with such consent and satisfaction, if accepted by the assignee, shall bind the assignee hereunder in the same manner as the Administrator is bound hereunder. Notwithstanding the foregoing, this Administration Agreement may be assigned by the Administrator without the consent of the Issuer or the Indenture Trustee and without satisfaction of the Rating Agency Condition to a corporation or other organization that is a successor (by merger, reorganization, consolidation or purchase of assets) to the Administrator, including without limitation any permitted successor; provided that such successor or organization executes and delivers to the Issuer an Agreement in which such corporation or other organization agrees to be bound hereunder by the terms of said assignment in the same manner as the Administrator is bound hereunder. Subject to the foregoing, this Administration Agreement shall bind any successors or assigns of the parties hereto. Upon satisfaction of all of the conditions of this Section 13, the preceding Administrator shall automatically and without further notice be released from all of its obligations hereunder.

SECTION 14. Governing Law. This Administration Agreement shall be governed by, and construed and interpreted in accordance with the laws of the State of Missouri, without reference to its conflict of law provisions, and the obligations, rights and remedies of the parties hereunder shall be determined in accordance with such laws.

SECTION 15. Headings. The Section headings hereof have been inserted for convenience of reference only and shall not be construed to affect the meaning, construction or effect of this Administration Agreement.

SECTION 16. Counterparts. This Administration Agreement may be executed in counterparts, each of which when so executed shall be an original, but all of which together shall constitute but one and the same Administration Agreement. The words “execution,” “signed,” “delivery,” and words of like import in or relating to this Agreement or any document to be signed in connection with this Agreement shall be deemed to include electronic signatures, deliveries or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, and the parties hereto consent to conduct the transactions contemplated hereunder by electronic means.

SECTION 17. Severability. Any provision of this Administration Agreement that is prohibited or unenforceable in any jurisdiction shall be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

SECTION 18. Nonpetition Covenant. Notwithstanding any prior termination of this Administration Agreement, the Administrator covenants that it shall not, prior to the date which is one year and one day after payment in full of the Securitized Utility Tariff Bonds, acquiesce, petition or otherwise invoke or cause the Issuer to invoke the process of any court or government authority for the purpose of commencing or sustaining an involuntary case against the Issuer under any federal or state bankruptcy, insolvency or similar law or appointing a receiver, liquidator, assignee, trustee, custodian, sequestrator or other similar official of the Issuer or any substantial part of its property, or ordering the winding up or liquidation of the affairs of the Issuer.

SECTION 19. Assignment to Indenture Trustee. The Administrator hereby acknowledges and consents to any mortgage, pledge, assignment and grant of a security interest by the Issuer to the Indenture Trustee for the benefit of the Secured Parties pursuant to the Indenture of any or all of the Issuer’s rights hereunder and the assignment of any or all of the Issuer’s rights hereunder to the Indenture Trustee for the benefit of the Secured Parties. For the avoidance of doubt, the Indenture Trustee is a third-party beneficiary of this Agreement and is entitled to the rights and benefits hereunder and may enforce the provisions hereof as if it were a party hereto.
