Missouri Public Service Commission

**Re: Summit Natural Gas of Missouri, Inc.
Case No. GT-2025-0271; Tracking No. JG-2025-0144**

Dear Judge Dippell:

On April 3, 2025, SNGMO filed an application and tariff sheets to extend its Equipment Rebate Program (ERP) Pilot to December 31, 2027, with the tariff sheets bearing an effective date of May 3, 2025. The tariff sheets were assigned Tracking No. JG-2025-0144. Subsequently, the Commission issued its *Order Shortening Time for Responses* wherein it directed SNGMO to respond to the Staff Recommendation by April 28, 2025.

SNGMO has initiated discussions with Staff concerning the Staff Recommendation to better understand its concerns and to determine whether there are adjustments that can be made to SNGMO's proposal that would address those concerns. It is not likely that the discussions will have run their course by April 28, 2025.

In order to facilitate an extension of its response date, SNGMO is hereby extending the proposed effective date on its ERP tariff sheets (Tracking No. JG-2025-0144) until June 7, 2025.

Please bring this filing to the attention of the Commission and the appropriate Commission personnel.

Sincerely,

Dean L. Cooper
