Issue Date: March 11, 2020

Effective Date: March 11, 2020

Summit Natural Gas of Missouri, Inc. (SNGMo) applied for approval of its Cost Allocation Manual (CAM), which regulates the purchase of goods or services from an affiliated entity. On August 26, 2019, SNGMo and Staff jointly filed a motion asking the Commission to stay these proceedings because the revision of the Commission's rules concerning affiliate transactions is being considered in File Number AW-2018-0394.

The Commission granted the request to stay the proceedings and requested a status report due March 2, 2020. That report indicates that consideration of rule revisions continues in File Number AW-2018-0394. The Commission will continue the stay placed on these proceedings and will order a further status report.

THE COMMISSION ORDERS THAT:

1. The stay of proceedings granted in this case will continue.
2. The parties shall file a status report no later than June 8, 2020.
