STAFF RECOMMENDATION

COMES NOW the Staff of the Missouri Public Service Commission (“Staff”) and in response to the Commission’s April 30, 2025, *Order Directing Recommendation on Revised Tariff and Shortening Time for Responses* (“Order”) submits its *Staff Recommendation* to the Commission as follows:

1. On April 21, 2025, Spire Missouri, Inc. d/b/a Spire (“Spire Missouri”) filed *Spire Missouri’s Response to Staff Recommendation*; wherein, Spire Missouri accepted Staff’s proposed revenue requirements for Spire Missouri East and Spire Missouri West as filed by Staff in its Staff Recommendation dated April 17, 2025. Spire Missouri has accepted Staff’s proposed rates – Appendix B-1 and B-2 from Staff’s Recommendation – as being the rates to be implemented. In short, Spire Missouri planned to file Infrastructure System Replacement Surcharge (“ISRS”) rates that are consistent with Staff’s recommended ISRS rates.

2. On April 30, 2025, the Commission issued an “*Order Approving Infrastructure System Replacement Surcharge*,” which authorized Spire Missouri to file a tariff sheet to recover the revenue requirement in this Order.

3. On April 30, 2025, Spire filed a cover letter and tariff sheet in order to comply with the Commission’s April 30, 2025 Order. The tariff sheet is labeled “Eighth Revised Sheet No. 12, with an effective date of May 30, 2025.”

4. Spire also filed a separate Motion for Expedited Treatment on April 30, 2025; wherein, Spire Missouri is requesting an effective date for its submitted tariff of May 14, 2025.

5. On April 30, 2025, the Commission issued its *Order Directing Recommendation on Revised Tariff* and Shortening Time for Responses directing Staff to file a recommendation regarding Spire's revised tariff sheet (Tracking No. JG-2025-0148) no later than May 2, 2025.

6. Staff has reviewed Spire Missouri's tariff sheet filed on April 30, 2025, and finds the submitted revised tariff sheet complies with the Commission's April 30, 2025 Order.

7. Spire Missouri is not delinquent on its FY 2025 assessments and Spire Missouri has filed its 2024 annual report with the Commission.

8. Staff does not object to Spire Missouri's request for expedited treatment that provides for at least 10 days between the issue date and the effective date of the Commission order approving the revised tariff sheet.

9. Staff does not object to Spire Missouri's request for expedited treatment to the extent that the Commission approves a tariff effective date that provides for at least 10 days between the issue date and the effective date of the Commission order approving the tariff sheet. This is consistent with the September 18, 2018, Commission "Order Expedited Treatment and Approving Tariff Filings in Compliance with Commission Order" in Case Nos. GO-2018-0309 and GO-2018-0310.

WHEREFORE, for the reasons stated above, Staff recommends the Commission issue an order in this case that:

1. Approves Spire Missouri's ISRS tariff sheet:

P.S.C. MO. No. 9

Eighth Revised Sheet No. 12 / Cancelling Seventh Revised Sheet No. 12

(Submitted on April 30, 2025).

2. Approve an effective date of the Commission Order on Compliance that is at least 10 days after the issuance date of the Order on Compliance, and grant such other and further relief as the Commission finds appropriate under the circumstances.

Respectfully submitted,

/s/ J. Scott Stacey
