

Ameren Missouri's  
Response to OPC Data Request - OPC 8  
GR-2024-0369

In the Matter of Union Electric Company d/b/a Ameren Missouri's Tariffs to Adjust Its Revenues  
for Natural Gas Service

No.: OPC 8517

Ameren provided the following response to OPC data requests 8510-8515: The assets with \$0 are inactive assets that exist as an artifact in our records and do not exist as an active asset in our CPR. Attached is a listing with the previous value and date the value changed. Please explain what the Company means by “inactive asset” as well as why Ameren included these “inactive assets” in its CPR in response to OPC data requests 8500-8505.

The data provided previously used a query that included both current (active) and historical (inactive) assets. Based on the request, the historical assets should have been excluded from the data set, since they are no longer part of the current CPR for reasons including retirement, unitization, and transfers.
