

Good morning.

Excuse me, but there was no response to my request for clarification.

First pdf under Item 6 shows \$ amounts redacted.... but NO ANSWER to my query.

Second pdf ('ticket') reads 'Confidential'... I thought that might be my answer. However, when trying to open it I got

User has insufficient rights to view this document.

So complicated... Can someone respond to my query?

Also, when will SPIRE be notified of the fee reduction?

Thank you.
