

**BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF MISSOURI**

In the Matter of the Application of Teleport
Communications America, LLC for Approval of an
Interconnection Agreement Adoption with Kingdom
Telephone Company

ORDER APPROVING ADOPTION OF INTERCONNECTION AGREEMENT

Issue Date: March 24, 2020

Effective Date: April 23, 2020

This order approves the adoption of an interconnection agreement between the parties filed by Teleport Communications America, LLC.

On February 24, 2020, Teleport Communications America, LLC filed an application with the Commission for approval of the adoption of an interconnection agreement with Kingdom Telephone Company. The agreement was filed pursuant to Section 252(e)(1) of the Telecommunications Act of 1996.¹ Teleport Communications America, LLC, is certificated with the Commission as a competitive local exchange carrier and interexchange carrier. Kingdom Telephone Company is certificated with the Commission as an incumbent local exchange carrier.

Although Kingdom Telephone Company is a party to the Agreement, it did not join in the application. On February 27, 2020, the Commission issued an order making Kingdom Telephone Company a party in this case and directing any party wishing to request a hearing to do so no later than March 13, 2020. No requests for hearing were filed.

¹ See 47 U.S.C. § 251, *et seq.*

Under Section 252(e) of the Act, any Interconnection Agreement adopted by negotiation must be submitted to the Commission for approval. The Commission may reject an Agreement if it finds that the Agreement is discriminatory or that it is not consistent with the public interest, convenience and necessity.

On March 23, 2020, the Staff of the Commission filed a memorandum and recommendation. Staff recommends that the Agreement be approved and notes that the Agreement meets the limited requirements of the Act in that it is not discriminatory toward nonparties and is not against the public interest. Staff recommends that the Commission direct the parties to submit any amendments to the Commission for approval.

Findings of Fact

The Commission has considered the application, the supporting documentation, and Staff's verified recommendation. Based upon that review, the Commission finds that the Agreement meets the requirements of the Act in that it does not discriminate against a nonparty carrier and implementation of the Agreement is not inconsistent with the public interest, convenience and necessity. The Commission finds that approval of the Agreement shall be conditioned upon the parties submitting any amendments to the Commission for approval pursuant to the procedure set out below.

Amendment Procedure

The Commission has a duty to review all Interconnection Agreements, whether arrived at through negotiation or arbitration, as mandated by the Act.² In order for the Commission's role of review and approval to be effective, the Commission must also review and approve or recognize amendments to these Agreements. The Commission has a

further duty to make a copy of every Interconnection Agreement available for public inspection.³

The parties to each Interconnection Agreement must maintain a complete and current copy of the Agreement, together with all amendments, in the Commission's offices. Any proposed amendment must be submitted pursuant to Commission rules 20 CSR 4240-28.020(5) and 20 CSR 4240-28.080.

Conclusions of Law

The Commission, under the provisions of Section 252(e)(1) of the federal Telecommunications Act of 1996,⁴ is required to review negotiated Interconnection Agreements. It may only reject a negotiated Agreement upon a finding that its implementation would be discriminatory to a nonparty or inconsistent with the public interest, convenience and necessity.⁵ Based upon its review of the Agreement between Teleport Communications America, LLC and Kingdom Telephone Company and its findings of fact, the Commission concludes that the Agreement is neither discriminatory nor inconsistent with the public interest and shall be approved.

THE COMMISSION ORDERS THAT:

1. The Interconnection Agreement between Teleport Communications America, LLC and Kingdom Telephone Company, filed on February 24, 2020, is approved.
2. Any changes or amendments to this Agreement shall be submitted in compliance with 20 CSR 4240-28.020(5) and 20 CSR 4240-28.080.

⁴ 47 U.S.C. § 252(e)(1).
