

**STATE OF MISSOURI
PUBLIC SERVICE COMMISSION**

At a session of the Public Service
Commission held in its office in
Jefferson City on the 11th day of
June, 2025.

In the Matter of Union Electric Company)
d/b/a Ameren Missouri's Purchased Gas)
Adjustment Tariff Filing)

File No. GR-2023-0392

ORDER ESTABLISHING ACA BALANCE

Issue Date: June 11, 2025

Effective Date: July 11, 2025

Procedural History

This file was opened on May 17, 2023, to receive the 2023 Actual Cost Adjustment (ACA) filing of Union Electric Company d/b/a Ameren Missouri. On December 13, 2024, Staff filed a recommendation.

On January 15, 2025, Ameren Missouri filed its Response to Staff Recommendation, disagreeing with certain adjustments proposed by Staff. On January 30, 2025, Staff filed its *Reply and Recommendation Approving Union Electric d/b/a Ameren Missouri's 2022-2023 Actual Cost Adjustment Balances* that set forth four areas where disagreements between the Parties remained: the use of BTUs verses CCFs when reporting purchased gas adjustment (PGA) and ACA revenues to Staff; Staff's proposed adjustment of \$2,282 originating from GR-2021-0291 (Ameren Missouri's 2020-2021 ACA case); Staff's proposed adjustment of \$268.50 for unbilled gas cost; and a lack of consensus as to the interest rate to use in calculating January 2023 carrying costs.

On May 30, 2025, Staff filed a *Settlement Agreement and Recommended 2023 Ending ACA Balances* (Agreement). The Agreement states that Ameren Missouri agrees to provide Staff its revenue reports reflecting CCF revenue volumes. Further, Staff agrees to remove its proposed \$2,282 adjustment from the recommended 2023 ending ACA balances. Staff also agrees to remove its proposed adjustment of \$221.36 to the firm customer class and also to remove \$(489.87) to interruptible customers from the recommended 2023 ending ACA balances. Finally, Ameren Missouri agrees to Staff's proposed adjustment to the 2023 ending ACA balances to reflect use of the prime rate of 7.5% in calculating January 2023 carrying costs for all Missouri LDCs.

Decision

The Commission has reviewed the pleadings and the Agreement. The Commission determines that the ending balances agreed upon by Staff and Ameren Missouri are reasonable and should be approved. The below Staff-recommended ACA balances are ordered.

Customer Class	Reported	Adjustments	Staff Recommended
Firm	\$7,687,599.77	(\$4,397.49)	\$7,683,202.28
Interruptible	\$104,694.80	\$(590.11)	\$104,104.69

THE COMMISSION ORDERS THAT:

1. Ameren Missouri shall establish the Actual Cost Adjustment account balances in its next Actual Cost Adjustment filing as discussed herein.

2. This order shall become effective on July 11, 2025.
3. This file shall be closed on July 12, 2025.

BY THE COMMISSION
