Entry of Appearance

COMES NOW, Tim Opitz and enters his appearance on behalf of Brightspeed of Missouri, LLC (“Brightspeed”).

Motion for Additional Time to File a Response

On January 8th the Commission issued an order opening this investigatory file and asking that SNGMO and Brightspeed each respond to Staff’s initial report. While Brightspeed participated in responding to information requests that underly the Staff’s report, it was not aware of the opportunity to respond to the report in this docket until being contacted by the Commission Staff recently. On June 13th, the Commission Staff filed a status report asking that the Commission issue a new order allowing Brightspeed to respond to the initial report by July 1, 2025. Brightspeed intends to submit a response in this docket by July 1st as Staff suggested and asks that the Commission grant this request for additional time for it to review the unredacted documents and prepare a response.

WHEREFORE, Brightspeed submits this *Entry of Appearance* and asks that the Commission grant its *Motion for Additional Time to File a Response*.
