## ACKNOWLEDGMENT OF DISMISSAL

Issue Date: June 12, 2020

On March 11, 2020, Confluence Rivers Utility Operating Company, Inc., applied for authority to acquire sewer and water utility assets from various entities in several Missouri counties. Confluence Rivers' application included a request for authority to purchase water and sewer utility assets of Terre Du Lac Utilities Corporation, which provides water and sewer services in St. Francois and Washington counties. On May 8, 2020, Confluence Rivers filed a request for a "rate of return premium and debt acquisition adjustment" in relation to its proposed acquisition of the Terre Du Lac utility assets. After the Commission's Staff on May 15, 2020, filed a motion to dismiss Confluence Rivers' request for acquisition incentives, Confluence Rivers on June 1, 2020, filed a notice of voluntary dismissal as to the Terre Du Lac acquisition. Confluence Rivers' notice indicates it intends to file a new application concerning the Terre Du Lac assets.

No response to Confluence Rivers' notice of dismissal has been received within the 10-day period provided by Commission Rule 20 CSR 4240-2.080(13). Voluntary dismissal without a Commission order is permitted by 20 CSR 4240-2.116(1) before evidence has been offered or prepared testimony filed. The Commission acknowledges

the voluntary dismissal of that portion of Confluence Rivers' application that seeks authority to purchase the Terre Du Lac utility assets.
