Dear Judge Dippell:

Liberty is providing a monthly report pursuant to the requirement established by ordered paragraph three of the *Order Approving True-Up Adjustment Tariff and Request for Expedited Treatment* issued March 19, 2025, effective April 1, 2025, and established by ordered paragraph two of the *Order Directing Response* issued and effective April 24, 2025, in the above-referenced securitization docket (the “*Orders*”). The supporting workpapers are also being provided to the parties. As authorized by the *Orders* and pursuant to 20 CSR 4240-2.135(2)(A)8, the supporting workpapers are designated confidential.

On July 1, 2025, the Company paid its semi-annual principal and interest payments. Additionally, the Company replenished its capital subaccount. As such, pursuant to the directive that Liberty file monthly reports until the capital subaccount is replenished, Liberty does not intend to make further report submissions.

Please bring this report to the attention of the Commissioners and the appropriate Commission personnel, and please do not hesitate to contact me with any questions or concerns you may have regarding this filing.

Sincerely,

Diana C. Carter
