In the Matter of the Application of Evergy)
Missouri West, Inc. d/b/a Evergy Missouri) **File No. ET-2021-0110**
West for Approval of Tariff Revisions)

ORDER DIRECTING NOTICE AND SETTING EXPEDITED DEADLINES FOR INTERVENTION AND STAFF RECOMMENDATION

Issue Date: October 9, 2020

Effective Date: October 9, 2020

On October 8, 2020, Evergy Missouri West, Inc. d/b/a Evergy Missouri West filed an application for approval of three tariff revisions as part of its Customer Forward Program. Attached thereto as Exhibit A are exemplars of the tariff sheets to be filed, but no changes to the tariffs have yet been officially filed, thus there is no pending tariff effective date.

However, Evergy Missouri West has requested a Commission order approving the revisions no later than November 11, 2020, in order to allow for several months of testing of the changes prior to a January 18, 2021 implementation date. If approved, Evergy Missouri West will then file compliance tariffs, which will coincide with the implementation date. Evergy Missouri West's application notes that it has worked with the Staff of the Missouri Public Service Commission (Staff) on the revisions.

Evergy Missouri West also requests waiver of the sixty-day notice of filing requirement and seeks expedited treatment.

The Commission directs notice of the pending tariff and application, sets the time for intervention requests, and sets a deadline for Staff's recommendation. The Commission

notes that there are two holidays within the thirty-four day time frame requested by Everygy Missouri West, including Veterans' Day on November 11, 2020.

THE COMMISSION ORDERS THAT:

1. The Commission's Data Center shall provide a copy of this order to the county commission for each county in the Missouri service territory of Everygy Missouri West.
2. The Commission's Public Policy and Outreach Department shall provide a copy of this order to the members of the Missouri General Assembly whose districts include any of Everygy Missouri West's service territory.
3. Any application for intervention shall be filed no later than October 23, 2020.

Any such filing shall be delivered to:

Secretary
Missouri Public Service Commission
Post Office Box 360
Jefferson City, Missouri 65102

or transmitted through the Commission's electronic filing and information service

4. No later than October 23, 2020, the Commission's Staff shall file either a recommendation regarding Everygy Missouri Metro's application, or a status report.
5. This order shall be effective when issued.
