NOTICE OF EX PARTE CONTACT

Issue Date: October 13, 2020

On October 13, 2020, Barbara Edwards sent the regulatory law judge the attached email regarding this complaint. This notice is given to place this communication in the complaint file, as required by Commission Rule 20 CSR 4240-4.020(3).

Parties in this case are not permitted to communicate with the presiding officer about the substance of the case off the record and when all other parties do not have the opportunity to participate. Such “ex parte” communications are prohibited by Commission Rule 20 CSR 4240-4.020.

To avoid exacerbating an ex parte contact, attachments to the email have not been opened or reviewed. The parties were instructed at hearing that argument regarding regulation in other states may be made through post-hearing briefs, which are due no later than November 16, 2020.

| Exhibits

| Travis,

| The attachments above represent what I have found regarding a few states which have restrictions regarding smart meters,-- as requested by Judge Jacobs. She indicated that the commissioners wished to have further information.

| Per our conversation last week, you indicated that you would see that all parties get this information.

| Thank you for your assistance.

| Sincerely,

Barbara Edwards
