**STATUS REPORT**

**COMES NOW** the Staff of the Missouri Public Service Commission (“Staff”),  
by and through counsel, and states as follows:

1. On February 19, 2025, White River Valley cooperative, Inc. (“White River”) filed an application for an order approving designated service boundaries (the “Application”), pursuant to Section 386.800.3, RSMo. and 20 CSR 4240-20.045.

2. On February 27, 2025, the Commission issued its *Order and Notice*, which set a March 13, 2025, deadline for applications to intervene, and which set a March 28, 2025, deadline for Staff to file a Recommendation. This deadline was later extended.

3. On March 13, 2025, The Empire District Electric Company d/b/a Liberty (“Liberty”) filed its *Motion to Intervene*, stating in part that Liberty “would be the electric service supplier to the property which is the subject of the Application ... absent a Commission decision in favor of White River in this docket” and that “Liberty is reviewing White River’s Application and is unsure of the positions it will take in this case.” Liberty anticipated being able to provide its positions in 60 days or as required by any procedural schedule established in the docket.

4. A procedural schedule was ordered by the Commission and included a Settlement Conference, at which the Parties reached an agreement in principle that would settle the case.

5. On June 10, 2025, a *Joint Motion to Suspend Procedural Schedule* was filed, noting the Parties' proposal that a suspension order also direct the Parties to file a Stipulation and Agreement or a Status Report by June 30, 2025. Also on June 10, 2025, the Commission entered its *Order Suspending Procedural Schedule*, which includes an order to file a stipulation and agreement or a status report no later than June 30, 2025 (the "June Order").

6. Staff filed a *Status Report* in accordance with the June Order and requested the Commission accept a deadline of July 31, 2025, for the filing of either a Stipulation and Agreement or a Status Report. It is Staff's understanding that White River and Liberty have finalized maps, but may be continuing to work on descriptions and request additional time to complete that task. Staff proposes that White River or Liberty either file a stipulation and agreement or a status report by August 15, 2025.

**WHEREFORE**, Staff respectfully submits this *Status Report* and respectfully requests the Commission accept the same, and for such other and further relief as the Commission considers just and reasonable under the circumstances.

Respectfully Submitted,

**/s/ Alexandra Klaus**
