Subject: Annual Report Deficiency for Ringplanet Communications (BMAR-2025-0468)

This email is a deficiency notice for your annual report. Your annual report is considered deficient until the following issue(s) are addressed:

- The annual report's identification of the certificate/registrations held by the company fail to match MoPSC records.
- Items 2, 5 and 6 on page 2 were not completed in the public report. Page 3 and 4 were not completed in the public report. If the company wants this information to be redacted (page 4 is required to be for IVoIP lines) please insert ** in the blanks on each side of the date being removed or state "redacted" instead of leaving blank fields.
- Item 2 on page 2 was not completed in the confidential version.
- The verification page is lacking notarization.

Please resubmit your revised annual report in its entirety if your annual report needs to be revised to correct the deficiency. Any revised annual report/response must be filed within the Missouri Commission's Electronic Filing and Information System (EFIS) using the identification number(s) in the subject of this email.

This deficiency must be resolved within the next 20 days. Failure to respond and adequately resolve the deficiency by this deadline may result in punitive action against the company.

Thank you,
Kari Salsman | Missouri Public Service Commission | 573-526-5630
