to suspend the briefing schedule until pending discovery questions had been answered or otherwise resolved. Respondents filed their Response to Complainants' Motion to Revise Procedural Schedule on December 22. They asked the Commission to deny the Motion to Revise and direct the Parties to file briefs on the schedule established in the Commission's Order Directing Additional Briefing.

Based upon all pleadings filed in this case, the Commission finds it unlikely that the current procedural proposals will lead to a disposition of this case on briefs without an evidentiary hearing. The Commission finds that administrative efficiency and resources will be better served by cancelling the briefing schedule and ordering the parties to file a procedural schedule suggesting an evidentiary hearing date and a post-hearing briefing schedule.

THE COMMISSION ORDERS THAT:

1. The briefing schedule set out in the Commission's December 16, 2020 Order Directing Additional Briefing is cancelled.
2. No later than January 4, 2021, the parties shall consult and file a proposed procedural schedule suggesting an evidentiary hearing date and a post-hearing briefing schedule.
