In the Matter of the Application of Union)
Electric Company d/b/a Ameren Missouri) **Case No. ET-2025-0184**
for Approval of New Modified Tariffs for)
Service to Large Load Customers)

ORDER GRANTING LIBERTY'S APPLICATION TO INTERVENE

Issue Date: September 3, 2025

Effective Date: September 3, 2025

This order grants the application of The Empire District Electric Company d/b/a Liberty to intervene out of time in this case.

On May 14, 2025, Union Electric Company d/b/a Ameren Missouri filed an application requesting approval of a Large Load Customer Rate Plan. The Commission set June 12, 2025, as the deadline for any applications to intervene. On August 20, 2025, Liberty filed an out of time application to intervene.

Liberty's application notes that Evergy was granted intervention in this case. Missouri Senate Bill 4, which became effective August 28, 2025, requires utilities of a certain size to create large load rate plans for large load customers. Because Ameren Missouri, Evergy, and Liberty will all have to create large load rate plans, it is logical to allow cross intervention.

Applications to intervene are governed by Commission Rule 20 CSR 4240-2.075, which states in relevant part:

(2) A motion to intervene or add new member(s) shall include:

(E) A statement of the proposed intervenor's or new member's interest in the case and reasons for seeking intervention or to be added; and

(F) A statement as to whether the proposed intervenor or new member supports or opposes the relief sought or that the proposed intervenor or new member is unsure of the position it will take.

(3) The commission may grant a motion to intervene or add new member(s) if—

(A) The proposed intervenor or new member(s) has an interest which is different from that of the general public and which may be adversely affected by a final order arising from the case; or

(B) Granting the proposed intervention would serve the public interest.

(10) Motions to intervene or add new member(s) filed after the intervention date may be granted upon a showing of good cause.

No party timely objected to Liberty's application to intervene. The Commission finds good cause for Liberty's out of time intervention, and that Liberty's intervention serves the public interest. Therefore, the Commission will grant Liberty's intervention request.

THE COMMISSION ORDERS THAT:

1. Liberty's application to intervene is granted.
2. This order shall be effective when issued.
