

**BEFORE THE MISSOURI PUBLIC SERVICE COMMISSION OF THE STATE OF MISSOURI**

JONATHAN MILLER,

Complainant,

v.

Spire Missouri Inc. d/b/a Spire,

Respondent.

Case No. GC-2026-0007

**COMPLAINANT'S MOTION TO COMPEL OFFICIAL TRANSCRIPT OF HEARING**

COMES NOW Complainant, Jonathan Miller, Pro Se, and respectfully submits this Motion to Compel Official Transcript, requesting that the Missouri Public Service Commission ("Commission") or its Staff ("Staff") be ordered to provide a full and complete official transcript of the hearing held on August 21, 2025.

**I. BACKGROUND**

1. On August 21, 2025, a hearing was held in this matter, during which Complainant was present.
2. While Complainant has prepared a personal draft of the transcript from the proceedings, an official, certified record is required to serve as the authoritative and admissible record of all testimony, statements, and rulings made during the hearing.
3. Complainant has informally requested a copy of the official transcript but has not received it, and no timeframe for its production has been provided.

4. [REDACTED]

**II. ARGUMENT**

5. **Due Process and Access to the Record:** A party's right to a fair hearing and due process is a fundamental right guaranteed by the Missouri Constitution, Article I, Section 10. Access to a full and complete official record of all proceedings is a cornerstone of this right. The Commission's own rules, **20 CSR 4240-2.070(6)**, state that a record of the hearing shall be made and that a copy of the transcript will be provided upon request. Complainant has a right to this official transcript, as the content of the hearing may be central to future filings or actions in this case.
6. **Procedural Fairness:** As a pro se litigant, Complainant must rely on the official transcript to properly reference and rely upon the specific statements and procedural

directives from the hearing. Using a personal draft could lead to inaccuracies and hinder Complainant's ability to participate effectively and on an equal footing with the other parties.

7. **Need for Clarification:** Without the official transcript, Complainant cannot be certain of the exact wording of the discussion, any directives given, or any agreements reached. This impedes Complainant's ability to adequately prepare or respond to any future orders, motions, or discovery that may have been discussed.

### III. PRAYER FOR RELIEF

WHEREFORE, Complainant Jonathan Miller respectfully requests that the Commission:

- a) **GRANT** this Motion and **COMPEL** the Staff of the Missouri Public Service Commission to provide a full and complete official transcript of the August 21, 2025 hearing.
- b) **ORDER** the official transcript to be produced within a reasonable timeframe, not to exceed seven (7) business days from the date of this Order.
- c) **GRANT** such other and further relief as the Commission deems just and reasonable.

Respectfully Submitted,

Jonathan L. Miller

Complainant, Pro Se
