ORDER ADOPTING PROCEDURAL SCHEDULE

On April 4, 2001, Greeley Gas Company, the Staff of the Missouri Public Service Commission, and the Office of the Public Counsel filed a proposed procedural schedule. All parties request that the Commission issue an order adopting the proposed procedural schedule. The Commission has reviewed the proposed procedural schedule and finds that it is appropriate. The Commission finds that the following conditions should be applied:

(A) The Commission will require the prefiling of testimony as defined in Commission Rule 4 CSR 240-2.130. All parties shall comply with this rule, including the requirement that testimony be filed on line-numbered pages. The practice of prefiling testimony is designed to give parties notice of the claims, contentions and evidence in issue and to avoid unnecessary objections and delays caused by allegations of unfair surprise at the hearing.

(B) Pursuant to Commission Rule 4 CSR 240-2.130(15), testimony and schedules shall not be filed under seal and treated as proprietary or highly confidential unless the Commission has first established a protective order. Any testimony or schedule filed without a

protective order first being established shall be considered public information.

(C) The parties shall agree upon and the Staff shall file a list of the issues to be heard, the witnesses to appear on each day of the hearing and the order in which they shall be called, and the order of cross-examination for each witness. Any issue not contained in this list of issues will be viewed as uncontested and not requiring resolution by the Commission.

(D) Each party shall file a statement of its position on each disputed issue. Such statement shall be simple and concise, and shall not contain argument about why the party believes its position to be the correct one. The position statement shall be filed in paper form and submitted electronically, either on computer disk or by e-mail to the Regulatory Law Judge. Electronically submitted documents shall be in Word, WordPerfect, or ASCII format. The Regulatory Law Judge's e-mail address is: ndippell@mail.state.mo.us.

(E) The Commission's general policy provides for the filing of the transcript within two weeks after the hearing. If any party seeks to expedite the filing of the transcript, such request shall be tendered in writing to the regulatory law judge at least five days prior to the date of the hearing.

(F) All pleadings, briefs and amendments shall be filed in accordance with Commission Rule 4 CSR 240-2.080. Briefs shall follow the same list of issues as filed in the case and shall set forth and cite the proper portions of the record concerning the remaining unresolved issues that are to be decided by the Commission.

(G) All parties are required to bring an adequate number of copies of exhibits that they intend to offer into evidence at the hearing. If an exhibit has been prefiled, only three copies of the exhibit are necessary for the court reporter. If an exhibit has not been prefiled, the party offering it should bring, in addition to the three copies for the court reporter, copies for the five Commissioners, the regulatory law judge, and all counsel.
