ORDER GRANTING APPLICATION TO INTERVENE

Issue Date: January 22, 2021

Effective Date: January 22, 2021

Spire Missouri Inc. d/b/a Spire submitted tariff sheets on December 11, 2020, to implement a general rate increase for natural gas service. The Commission provided notice of Spire's application and set a deadline of January 12, 2021, for applications to intervene.

On January 11, 2021, Renew Missouri Advocates d/b/a Renew Missouri timely filed an application to intervene. Renew Missouri stated that it is a non-profit corporation and policy group whose mission focuses on renewable energy and energy efficiency. Renew Missouri stated its interests are different than those of the general public. Renew Missouri further stated that granting its intervention request would serve the public interest. Renew Missouri stated that it has not yet taken a position on Spire's application.

More than ten days have passed since the application to intervene was filed and no one has responded. After considering the unopposed application to intervene, the Commission finds that Renew Missouri has interests which are different from that of the general public and allowing it to intervene will serve the public interest. Therefore, in

accordance with Commission Rule 20 CSR 4240-2.075(3), the Commission will grant the application to intervene.

THE COMMISSION ORDERS THAT:

1. The application to intervene of Renew Missouri is granted.
2. This order shall be effective when issued.
