Re: EO-2011-0271

Dear Mr. Reed:

Submitted concurrent with this letter is the Electric Utility Resource Filing (sometimes referred to as the Integrated Resource Plan or IRP) of Union Electric Company, d/b/a Ameren Missouri. This filing is made pursuant to Chapter 22 of the Commission's regulations (4 CSR 240-22). While the filing is voluminous, it contains a detailed Table of Contents. Additionally, at the end of each Chapter, there is a Compliance Reference which provides the reference point to each portion of the Commission's IRP rules addressed in that Chapter.

Ameren Missouri is not issuing a press release with this filing, but is providing certain summary information, which is attached. The IRP can be accessed through www.amerenmissouri.com. Copies of the main pages are attached.

Please note that portions of the IRP have been designated as Highly Confidential and that both a Public and a Highly Confidential version have been filed.

Please direct all communications regarding this docket to:
