COMES NOW, the Staff of the Missouri Public Service Commission (“Staff”), by and through counsel, and for its *Motion for Extension of Time*, states as follows:

1. On September 19, 2025, Central Missouri Electric Cooperative, Inc., a Missouri Rural Electric Cooperative Corporation (“CMEC”) filed its *Application* for an order *Approving Designated Service Boundaries*. It includes a request that the Commission waive the 60-day notice requirement.

2. On September 19, 2025, the Commission entered an *Order* directing Staff to file a recommendation no later than October 20, 2025. The Commission Order limited applications to intervene to be filed no later than October 3, 2025.

3. On September 22, 2025, Evergy Missouri West, Inc. d/b/a Evergy Missouri West (“EMW”) filed its *Application to Intervene*. Intervention was granted on October 16, 2025.

4. Staff submitted Data Requests to the applicant CMEC and intervenor EMW. Deadlines for responses are October 29, 2025, and November 5, 2025, respectively.

5. To provide sufficient time to review responses, conduct further discovery, analyze any newly acquired information, and complete its investigation, Staff requests an additional 30 days in which to complete and file its recommendation. Staff intends to file its recommendation by November 19, 2025.

6. Counsel for CMEC and EMW have been contacted regarding this motion, and do not object to the granting of an extension of time in this matter.

7. This motion is made in the interest of justice and without the intent to unreasonably delay or hinder these proceedings in any manner.

WHEREFORE, Staff respectfully submits this *Motion for Extension of Time* to file its recommendation and hereby prays the Commission grant Staff until November 19, 2025, to file its recommendation in this matter; and to grant such other and further relief as the Commission considers just and reasonable in the circumstances.

Respectfully submitted,
