File No. ER-2012-0166

NOTICE REGARDING MOTION TO COMPEL

Issue Date: May 25, 2012

Public Counsel filed a motion on May 7, 2012, asking the Commission to compel Ameren Missouri to respond to certain data requests. After Ameren Missouri filed a response on May 16, Public Counsel filed a reply on May 24 indicating it has resolved its discovery dispute and is no longer seeking an order from the Commission regarding the discovery issues raised in the May 7 motion.

Since Public Counsel is no longer seeking an order from the Commission, the Commission will consider Public Counsel's motion to compel withdrawn and will take no further action regarding that motion. In doing so, the Commission is making no determination regarding the merits of that motion.
