Re: **In re Commission Inquiry - Case No. GW-2001-398**

Dear Secretary Roberts:

Per the Commission's January 23, 2001 Order Establishing Case and Creating Task Force in the above matter, I request to be included in the task force being established.

As you are aware, we have considerable experience in natural gas related matters and have previously offered that experience to the Commission in cases as far back as the Task Force in GO-86-285. More recently, we served on the Restructuring Task Force.

Respectfully yours,

FINNEGAN, CONRAD & PETERSON, L.C.
