Dear Commissioner Lumpe:

GN-2001-398

I am in receipt of your press release of January 23. I am sorry I didn't contact you earlier. I am very interested in serving on the task force that you are creating to investigate the high price of natural gas. As you know, I have been named to chair the Senate Committee on Commerce and Environment and this is an area in which I would like to become more knowledgeable.

Please let me know what I need to do in order to participate.

Sincerely,

Sarah Steelman
