Missouri Public
Service Commission

Dear Mr. Roberts:

I am pleased to send this letter as a recommendation for Bill Guinther to serve on the task force created by Missouri Public Service Commission Order, Case No. GW-2001-398.

Bill has been energy manager of the Parkway School District for 8 years and currently serves as chair of the St. Louis RCGA Energy Committee. He has worked with various school districts, the Cooperating School Districts of Greater St. Louis and many other educational organizations in the state by studying, monitoring and reporting on the deregulation of the electric power industry. He is very knowledgeable and is a good communicator for those he represents.

I hope that you will seriously consider Bill for this task force. I would be glad to answer any questions that you might have.

Sincerely,

Peggy T. Cochran
Executive Director
