NOTICE OF FILING

COMES NOW Spire Missouri Inc. ("Spire Missouri" or "Company"), and files this Notice of Filing, stating as follows:

- 1. On October 27, 2024, the Missouri Public Service Commission ("Commission") issued its *Order Approving Application for Financing Authority*.
 - 2. In Condition 2.g. of the Order, the Commission directed Spire Missouri to file:

Within thirty (30) days of the issuance of any financing authorized pursuant to a Commission order in this proceeding a report including the amount issued, date of issuance, interest rate (initial rate if variable), maturity date, redemption schedules or special terms, if any, use of proceeds, estimated expenses, and loan or indenture agreement concerning each issuance. In addition, the Company shall also provide the analysis (to include but not be limited to indicative pricing information developed) and refinancing assessment, if applicable, performed to determine that the terms for the securities issued were appropriate and consistent with market requirements at the time.

- 3. It has come to the Company's attention that a filing was missed for an issuance of common stock that occurred on December 31, 2024. These shares were sold to its parent, Spire Inc. The proper equity balances were provided and considered by the Commission Staff and other parties during Spire Missouri's last general rate case, GR-2025-0107. Spire Missouri now makes this filing to ensure the remaining balance of financing authority is accurately reflected on the record of this docket. The details of the issuance in question are as follows.
 - 4. **

and Exhibit A are confidential pursuant to 20 C.S.R. 4240-2.135 (2)(A) 3, 4, 5 and 8.

5. The proceeds from these issuances were used for general corporate purposes of Spire Missouri.

WHEREFORE, Spire Missouri respectfully requests that the Commission accept its submission in compliance with the Commission's Order.

Respectfully submitted,

/s/ J. Antonio Arias
