SUBJECT: Renewable Energy Purchase Plan

DATE: November 13, 2025

EXECUTIVE SUMMARY

On October 31, 2025, Empire District Electric Company d/b/a Liberty (“Company”), submitted revised tariff sheets for the Company’s Renewable Energy Purchase Program (“Program”), tariff sheet PSC MO No. 6, Section 4, 7th Revised Sheet No. 7a with an effective date of December 1, 2025.

On October 31, 2025, the Commission filed its Order Directing A Staff Recommendation about Liberty’s Tariff Revision and Setting Time for Comments, ordering Staff to file its recommendation on the tariff sheet,¹ no later than November 13, 2025.

BACKGROUND

The Company proposed its Renewable Energy Purchase Plan as part of its 2021 rate case.² The purpose of the Program is to offer non-residential customers the opportunity to offset their carbon emissions by up to 100% of their electricity consumption through the purchase of renewable energy credits (“RECs”). The Program was approved and placed into effect June 1, 2022. The tariff that was placed into effect contains language requiring the Company to periodically review the REC rate:

“On a quarterly basis, the Company shall perform a review of the previous three months’ average weighted price (“Quarterly Review”) for the Company’s REC sales to the schedule’s REC Rate. If the REC Rate is outside a five percent threshold as compared to the Quarterly Review, the REC Rate will be recalculated as the weighted average price for the most recent 12-month ending period. This updated REC Rate shall become effective with the first billing cycle of the following month.”

¹ JE-2026-0060

² ER-2021-0312

STAFF REVIEW

The substitute tariff sheet updates the REC rate, previously set at \$2.57 per 1,000 kWh, to reflect the Renewable Energy Credits (“RECs”) rate of \$2.38 per 1,000 kWh for the 12-month period ending September 2025. Staff has reviewed the workpapers provided by the Company and agrees that \$2.38 is the weighted average for the 12-month period ending September 2025.

STAFF RECOMMENDATION

Staff recommends the Commission approve the following tariff sheet, as filed on October 31, 2025, to go into effect on and after December 1, 2025, the requested effective date:

7th Revised Sheet No. 7a Canceling 6th Revised Sheet No. 7a
