Cooperative, Inc. for Approval of Designated        )  
Service Boundaries Within Portions of            )  
Pettis County, Missouri                                )

**File No. EO-2026-0070**

**STATUS REPORT**

**COMES NOW**, the Staff of the Missouri Public Service Commission (“Staff”), by and through counsel, and for its *Status Report*, states as follows:

1. On September 19, 2025, Central Missouri Electric Cooperative, Inc., a Missouri Rural Electric Cooperative Corporation (“CMEC” or “Cooperative”) filed its *Application* for an order *Approving Designated Service Boundaries*. It includes a request that the Commission waive the 60-day notice requirement.

2. The *Application* requested the Commission to establish CMEC as the exclusive electric service provider to a proposed development on an approximate 207-acre parcel located at 27701 Hackberry Drive, Sedalia, Missouri 65301 in Pettis County, Missouri, (“the Property”) and owned by Prairie Hollow Development Company, LLC, (“PHDC”).

3. On September 19, 2025, the Commission entered an *Order* directing Staff to file a recommendation no later than October 20, 2025. The Commission Order limited applications to intervene to be filed no later than October 3, 2025.

4. On September 22, 2025, Evergy Missouri West, Inc. d/b/a Evergy Missouri West (“EMW”) filed its *Application to Intervene*. Intervention was granted on October 16, 2025.

5. On October 17, 2025, Staff requested an extension until November 19, 2025, to complete and file its recommendation. The Commission approved the request on October 17, 2025.

6. It is Staff's understanding that since the October 17th *Order* CMEC and EMW have engaged in good faith negotiations to resolve the current territorial conflict. CMEC and EMW have submitted confidential documents supporting the continuing negotiations.<sup>1</sup> CMEC and EMW requested Staff file this status report in support of additional time being granted to reach agreement. Staff is not opposed to the additional time. The negotiations have not yet established finalized maps, and the parties are continuing to work on descriptions.

7. Staff proposes that the Commission order a suspension of the Staff Recommendation and order CMEC and EMW to either file a stipulation and agreement or a status report by December 12, 2025.

**WHEREFORE**, Staff respectfully submits this Status Report and respectfully requests the Commission accept the same, that the Commission suspend the pending recommendation ordered, and order CMEC and EMW to either file a stipulation and agreement or a status report by December 12, 2025, and for such other and further relief as the Commission considers just and reasonable under the circumstances.

<sup>1</sup> CMEC Confidential response to Staff DR No. 0010; and EMW Confidential response to Staff DR No. 0009.

Respectfully submitted,
