

The purpose of requiring name-change applications to file SOS documentation and a statement regarding contact information is to verify SOS registration of the new name and to keep the Commission informed of the company's contact information. The Commission has verified the SOS documentation and confirmed that the contact information was updated. As the substantive purposes of the rule have been met, the Commission, on its own motion, finds good cause exists to waive the procedural requirement of filing corroborating statements.

**THE COMMISSION ORDERS THAT:**

1. Staff's Motion is denied.
2. The requirement of 20 CSR 4240-28.011(2)(A)2 that Capcon Networks LLC file documentation that its new name is registered with the Missouri Secretary of State is waived.
3. The requirement of 20 CSR 4240-28.011(2)(A)3 that Capcon Networks LLC file a statement that it has reviewed and, if necessary, updated its contact information in the Commission's Electronic File Information System (EFIS) is waived.
4. This order shall be effective when issued.

**BY THE COMMISSION**
