Commission held at its office in
Jefferson City on the 11th day of
December, 2025.

In the Matter of the Application of Evergy)
Missouri West, Inc. d/b/a Evergy Missouri)
West for a Financing Order Authorizing the)
Financing of Extraordinary Storm Costs)
Through an Issuance of Securitized Utility)
Tariff Bonds)

Case No. EF-2022-0155
Tracking No. JE-2026-0071

**ORDER AUTHORIZING ANNUAL TRUE-UP ADJUSTMENT
TARIFF TO BECOME EFFECTIVE**

Issue Date: December 11, 2025

Effective Date: December 25, 2025

On November 25, 2025, Evergy Missouri West, Inc. d/b/a Evergy Missouri West (Evergy) submitted a revised tariff sheet for the annual true-up of its Securitized Utility Tariff Charge Rider (SUTC). That tariff sheet bears a December 25, 2025, effective date.

Section 393.1700.2(3)(e), RSMo, requires Evergy to, at least annually, file a petition or letter applying a formula-based true-up mechanism adjusting the SUTC.

The Commission directed its Staff to file a recommendation about Evergy's true-up adjustment tariff sheet and set a time for other responses. Staff filed a recommendation on December 4, 2025, stating that it had reviewed Evergy's workpapers for mathematical or clerical errors in the calculation of the securitized utility tariff charge and found no mathematical or clerical errors. Staff recommended that Evergy's true-up adjustment tariff sheet should take effect on December 25, 2025. The Commission received no other responses to Evergy's true-up adjustment tariff sheet.

The Commission reviewed the tariff sheet and Staff's recommendation and finds that the true-up adjustment tariff sheet shall become effective on December 25, 2025. Accordingly, the Commission finds it reasonable to make this order effective in less than 30 days so that the order will be effective concurrently with the tariff sheet.

THE COMMISSION ORDERS THAT:

1. In accordance with the statutory requirements set out in Section 393.1700.2(3)(e), RSMo, the Commission finds that Evergy has fulfilled the annual filing requirement for 2025 of making a formula-based true-up mechanism for expeditious periodic adjustments in the securitized utility tariff charges and has filed such with the Commission, therefore, the Commission makes no other findings at this time and the following tariff sheet filed by Evergy on November 25, 2025, and assigned Tracking No. JE-2026-0071, shall become effective on December 25, 2025:

P.S.C. MO. No. 1

3rd Revised Sheet No. 168.5 Cancelling 2nd Revised Sheet No. 168.5

2. This order shall become effective on December 25, 2025.

BY THE COMMISSION
