RULES AND REGULATIONS APPLYING TO ALL CUSTOMERS' CONTRACTS

25.10 TERMINATION OF CONTRACTS--(Continued)

25.10.5 General Provisions--(Continued)

- (MT) B. The service is furnished subject to the condition that it will not be used for an unlawful purpose. Service will not be furnished if any law enforcement agency, acting within its jurisdiction, advises that such service is being used or will be used in violation of law, or if the Telephone Company receives other evidence convincing to it that such service is being or will be so used.
- C. Abandonment of an instrument by a customer is regarded by the Telephone Company as a voluntary termination of the contract.
- D. If it is deemed necessary by the Telephone Company, customers may be required to provide security satisfactory to the Telephone Company in the amount sufficient to guarantee payment of the termination charge. If a cash deposit is made, simple interest at the rate of six percent per annum will be paid on deposits held thirty days or more.

25.11 SPECIAL TAXES, FEES AND CHARGES

There shall be added to the customer's bill or charge as a part of the rate for service, a surcharge, equal to the pro rata share of any franchise, occupation, business, license, excise, privilege, or other similar tax, fee or charge (hereafter called "tax") now or hereafter imposed upon the Telephone Company by any taxing body or authority, whether by statute, ordinance, law or otherwise, and whether presently due or to hereafter become due.

On and after the effective date thereof, any subsequent increase, decrease, imposition or determination of liability for such taxes, fees or charges, as described above, shall be applied in the manner provided below, to the customer's bill or charge on each individual billing date.

When such tax or taxes are imposed in terms of a flat sum payment of money, the surcharge applicable to each customer's bill or charge, as the pro rata share of such taxes described above, shall be determined by relating the flat sum payment to the total local exchange revenues within the jurisdiction of the taxing body; the fraction so described shall be converted to a percentage; the local exchange rate shall be increased by that percentage and applied to the customer's bill or charge, so that the amount added, when accumulated from all customers residing in the geographic jurisdiction of the body, will equal the amount of the flat sum payment.

When such tax or taxes are imposed in terms of a percentage of revenues or gross receipts, the surcharge applicable to each customer's bill or charge as the pro rata share of such taxes described above shall be determined by dividing the tax expressed as a percentage by 100% minus the tax expressed as a percentage and multiplying the decimal thus obtained by the customer's charges to which such tax applies.
