January 21, 2026

Ms. Nancy Dippell  
Secretary of the Commission  
Missouri Public Service Commission  
200 Madison Street, Suite 100  
Jefferson City, MO 65102-0360

Dear Ms. Dippell:

The tariff sheet listed below issued by Union Electric Company d/b/a Ameren Missouri (Ameren Missouri or the Company) was filed as a revision of Schedule No. 6, Schedule of Rates for Electricity, on January 21, 2026:

Filed  
7th Revised Sheet No. 91.23

Canceling  
6th Revised Sheet No. 91.23

This tariff sheet is being issued January 21, 2026, to become effective on and after February 20, 2026.

The proposed tariff revision is to correct an error in the tariff rate tables. The Summary EEIR Components and Total EEIR are not changing with this filing. However, the value indicated in the Residential NTD/PE MEEIA Cycle 3 table has been corrected. Concurrent with this filing, Ameren Missouri has also filed a pleading requesting expedited treatment for approval of the substitute tariff so that the effective date remains February 1, 2026, consistent with the Commission's original approval.

Sincerely,

*Wendy Tatro*
