In the Matter of the Establishment of a Working)

Amending the Commission's Natural Gas Safety)
Rules)

NOTICE OF CORRECTION ADDING ATTACHMENT D

Issue Date: January 27, 2026

On January 9, 2026, the Commission issued its *Order Opening a Working Case to Consider Amending the Commission's Natural Gas Safety Rules*. Attachment D to that order was not attached when issued. This notice corrects that omission.

Additionally, the order indicated that the Commission's Data Center would provide notice to stakeholders listed on Attachment D. However, notice was served on a slightly different group of stakeholders. Commission Staff sent a copy of the order to representatives for the stakeholders listed in Attachment D and, therefore, even though not served through the Commission's electronic filing and information system (EFIS), all stakeholders in Attachment D were provided with notice of the order.

Nancy Dippell, Chief Regulatory
Law Judge, by delegation
of authority pursuant to
Section 386.240, RSMo 2016.

Dated at Jefferson City, Missouri
on this 27th day of January, 2026.
