AMENDMENT 1

Notwithstanding Section K of the Agreement, which provides that all program budgets are capped amounts and non-fungible, the Signatories agree to the following limited exception:

For Program Year Two (2026), the Company is authorized to reallocate up to \$2.2 million of approved MEEIA Cycle 4 program budgets from the Modified Pay as You Save® (“PAYS”) Program to the

Income-Eligible Multifamily (“IEMF”) Program. An initial reallocation of \$1.1 million may occur upon approval of this Amendment 1.

After the initial \$1.1 million reallocation, the Company shall continue to monitor PAYS Program expenditures and forecasts, as well as participation levels and application volumes in the IEMF Program. If warranted based on the monitoring results, the Company will schedule a meeting with the Signatories to discuss the reallocation of additional funds, up to the remaining \$1.1 million as requested by this Motion, at a later date in Program Year Two (2026). The Company may reallocate additional funds, up to the remaining \$1.1 million as requested by this Motion, if unanimous agreement exists amongst all Signatories after that discussion.

Except as expressly modified herein, all other terms and conditions of the Agreement remain unchanged and in full force and effect.

3. In order to be able to optimize planning for the remainder of the year, the Company requests an order approving this amendment within 30 days of the filing of this Motion.

WHEREFORE, the Signatories respectfully request that the Commission issue an order approving this Amendment 1 within 30 days.
